The Lord Speaks - Are You Listening? Amanda Dearing, 2005-05-01 Underneath an azure sky with the wind in his face Cleo Coney Jr discovers a new world of speed guts and friendships Push Carve Grind takes the reader to the Central West Coast of Florida where skateboarding not only helped to develop a young mind but also open one Who knew that the close group of skaters he was a part of would be responsible for keeping the sport alive in his part of the world during skateboarding s dark days when the skateboard parks all closed Push Carve Grind opens a window allowing the reader to explore this soul enhancing experience called skateboarding God Is Speaking, Are You Listening? Linnie Lang, 2018-01-26 It all began when I finally desired quiet time in Gods presence He being my Lord and Savior gave me a need to hear encouragement and guidance from him Knowing that I belong to my God Jesus died for my sins and I am filled with his Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from him Was this really possible How would I know it was him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips Id then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time Then when finished I would be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but also each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a scripture to go with each one All I knew was this ability was definitely God given to me for his purpose Soon I was realizing it wasnt all for me I was prompted to share them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as he led me What I thought was God was speaking to me only in reality he is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening **God Is Speaking. Are You Listening?** Irving Risch, It was two years ago when I set a goal to read the entire Bible That in itself was not a big feat for me because I have done it many times before in fact I have lost count This time was a little different My plan was to set a pace so I could do it four times When you repeat things you are more apt to remember them The end goal was to get a clearer understanding of the Bible as a whole At the same time I was doing this I was involved in a small Bible study group where we were doing a chronological parallel study of the Gospels of Matthew Mark Luke and John All the pieces were starting to fit together When I was young and in school I was not a good student I did not like English or History I was more of a math person I like Science as well All this has changed since I became a Christian It all started when I was almost forty First I taught myself to type My daughter who was in high school at the time brought me one of their last year s typing books and I went through all the lessons I never timed myself but I do all right At least I do not use two fingers anymore The reason I mentioned History is because I took a

liking to it I devoted much time to studying church history I am not saying I know everything who does However I have learned some interesting things by studying and researching it Got to love Google for finding things However one has to remember you cannot believe everything you Google This book you are considering came about by all the hours I spent researching and writing about what I learn from the Gospel of John and looking at it in light of all the other scriptures What I am trying to do is pass a little of my knowledge on to you and I hope you enjoy this as much as I did Introduction What if I told you that God wanted to talk to you And He was waiting in the next room and all you had to do was walk through that door and you could have a conversation with Him Well I am pointing you to the door and He is waiting for you to open it so He can come in Christ said I am the door Do you need answers to life s hard questions First open the door because the Lord said Behold I stand at the door and knock If anyone hears my voice and opens the door I will come into him and eat with him and he with me If you just read these words then I ask you can you hear him and did you just not listen to what he said Then come to Christ for he is the way the truth and the life and He said no one could come to the Father except through Me Simply put Christ does not come in without an invitation He outside wants to come into your life He wants to sit down and share a meal with you and fellowship across the table with you But people are so busy with life and dealing with all their problems they say I don t have time to sit and talk to the air They think that God does not hear them or he is not even there I am here to tell you that this is just not true God hears every word and He listens to what you have to say and the best part is he answers you Now our problem is we don t believe this because God never spoke to us like a man would speak but God has a way to commune with us without uttering a word And I can prove this to you if you just read on I can remember the first time that I realized God had spoken to me Not in an audio voice but a direct answer to a prayer You see I wasn t even a Christian yet and God heard my cry of desperation and gave me an instant answer to a prayer I was what man calls down on my luck but now that I look back on it I can see it was God trying to get my attention and not bad luck Sometimes God allows things to fall apart in our lives to get us to turn to him for help I was never a man of prayer or a religious kind of guy so when things started to happen not good things like losing my job the car falling apart not being able to pay the rent not being able to feed my family of six kids and my wife Then getting kicked out of my home running out of fuel oil in the middle of a Minnesota winter just to mention a few things And not knowing many people because we had just relocated and I had no family to turn too so I thought I would try a little prayer I figured I had nothing to lose because everything was already gone I remember getting down on my knees in a freezing house where I was bundled up in a big overcoat and seeing my breath as I prayed I said Lord if you are out there you are the only one that can help me There was more but this was a faithless prayer because I wasn t even sure that God was going to hear me or that He was even going to answer me Yes I felt like I was talking to the air If you would like to hear the whole story how God spoke to me Go to this link [UNSHACKLED](#) And if you just want to read about it go to this link [UNSHACKLED](#) And if you just want to read about it just go to the end of this book I will put it there to

make it easy for you to find After being convinced that God hears everything I said and He knows everything I did I wanted to know more what He wanted for me in my life At this point my journey began I started my journey by reading His word the Bible Just like humankind needs food to build up the body to live a physical life one needs spiritual food to live a spiritual life Even the Lord said it was written Man shall not live by bread food alone but by every word that comes from the mouth of God And it is said of the Bible that it is God breathed or God inspired Think of it as an orchestra with God being the Composer and the Director and those in the orchestra as being those putting forth what God already revealed The writers those whom God used to pen the words that He composed for humankind The Bible should be like music in a believer s ear Now just like we have an ear for certain music we seem to have a certain book of the Bible that has a sound that we enjoy and I am no different and I like the Gospel of John Maybe it is because it played a big part in bringing me to Christ and making me realize who He is I believe that each writer of the gospels presents Christ differently First Matthew introduces Christ as a King Mark as a Servant Luke as a Man and John as God He brings out the Deity of Christ And for that reason I would like to go through this Gospel of John with you Seeing how John starts his gospel I feel it would be good to look at the word John used to introduce Christ He presents to us The Word Seem strange at first but you will see from the original language what John was doing The New Testament is the Greek New Testament written in Greek and the Greek word used here is but if we only look at this word Word without taking it in the context that John used here we will miss what John is trying to relate to us First the English meaning is a noun a single distinct meaningful element of speech or writing May I add it takes the plural Words to make up a sentence whether written or spoken It is an essential element of speech It is a unit of language No matter what language you speak or write you will find words Second the Greek meaning a word uttered by a living voice embodies a conception or idea Third a Biblical definition is the sayings of God Old Testament prophecy given by the prophets A person As the Living Word *God Speaks* Shaun Campbell,2017-05-31 This nonfiction Christian book discusses how readers can hear God s voice and listen for His guidance to show their obedience to the Bible and its teachings The author explains what readers can do to be open to the different ways God speaks to us how we can recognize God s voice why we need to listen for God s voice and why God desires this relationship with us The book also encourages readers to study the Word of God in depth and internalize the message Readers will be able to hear God s voice in their lives and understand what He wants for them God s path God speaks hearing God hearing the Holy Spirit asking for confirmation from God building a relationship with God obeying God s voice opening your heart to God Bible study Scriptural study ministry spiritual reflection and meditation running from God s call covenant relationship getting God s attention ready for the rapture *God Is Speaking - Are You Listening?* Steven W. Raasumaa,2002 In July 1998 GOD approached a man to assist GOD and channel his will into the written word This book is the result of that conversation GOD is responsible for the flow topics and discussions The man simply wrote what GOD spoke and what thoughts he received GOD is speaking Are you listening My Story is GOD S full

disclosure to his human family including his laws of Life and Death He speaks to Steve as a friend That is a friend of GOD S chosen by GOD The fact that anyone would be allowed to hear his voice is astonishing In this day and age of miracles is it so far fetched not to believe He speaks to Steve of his world Heaven He speaks of his Love for his human family GOD tells it like he sees it No soft touch no political correctness just the plain truth GOD S Truth July 5th 1998 4 00 P M I AM the GOD of ALL The reason for this writing is that the stories I AM about to unfold to you through my friend Steve are stories to teach inspire and to create hope Hope in that when you greet me in my Heavenly Kingdom you will have a better understanding appreciation and moral imperatives necessary to the alleviation of your guilt I AM in the world as a spirit of Love hope divine inspiration and most of all understanding I have tried to conquer you and your fears by sending messengers to your world Moses Abraham Isaac and Jesus the Christ I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many told countless times in my Kingdom *God Is Speaking, Are You Listening?* LYNNIE
