The Lost Account Of The Battle Of Corinth:

The Lost Account of the Battle of Corinth Monroe F. Cockrell, 1955 **The Lost Account of the Battle of Corinth and Court-martial of Gen. Van Dorn** G. W. Dudley, Monroe Fulkerson Cockrell, 1987 **The Lost Account of the Battle of Corinth, and Court-martial of Gen. Van Dorn** G. W. Dudley, 1955 **The Tarnished Cavalier** Arthur B. Carter, 1999 The tarnished Cavalier is more than a story of scandal Carter sheds new light on Confederate conduct of the war in the western theater during 1861 and 1862 revisits the pivotal battles of Pea Ridge and Corinth both of which are important to understanding the loss of the upper South and introduces new perspectives on the defense of Vicksburg and the Middle Tennessee operations of early 1863 BOOK JACKET **The Civil War** Army Library (U.S.), 1961 *Silencing the Vicksburg Guns* Jerry Evan Crouch, John Davis Evans, 2005 Capturing Vicksburg and the 31 000 Confederates defending the Vicksburg guns was General Grant's masterpiece It was a brilliant military accomplishment not equaled since Napoleon's early campaigns The 7th Missouri Infantry Regiment was with Grant every step of the way **General Grant and the Rewriting of History** Frank P. Varney, 2013-07-19 A marvelously bold new book Grant was The Man Who Saved the Union Varney's invaluable book helps us understand why we remember him that way Emerging Civil War In 1885 a former president of the United States published one of the most influential books ever written about the Civil War The Personal Memoirs of Ulysses S Grant may be superbly written Frank P Varney persuasively argues in General Grant and the Rewriting of History but is so riddled with flaws as to be unreliable Juxtaposing primary source documents some of them published here for the first time against Grant's own pen and other sources Professor Varney sheds new light on what really happened on some of the Civil War's most important battlefields He does so by focusing much of his work on Grant's treatment of Maj Gen William S Rosecrans a capable army commander whose reputation Grant and others working with him conspired to destroy Grant's memoirs contain not only misstatements but outright inventions to manipulate the historical record But Grant's injustices go much deeper He submitted decidedly biased reports falsified official documents and even perjured himself before an army court of inquiry There is also strong evidence that his often discussed drinking problem affected the outcome of at least one battle The first of two volumes on this subject General Grant and the Rewriting of History aptly demonstrates that blindly accepting historical truths without vigorous challenge is a perilous path to understanding real history An invaluable addition to Civil War Studies and reference shelves and a sharp caution against putting too much blind faith in any one person's testimony memoir or historical accounting Highly Recommended Midwest Book Review **William S. Rosecrans and the Union Victory** David G. Moore, 2014-03-13 This is the first biography of Union General William S Rosecrans in more than fifty years It tells the story of his military successes and the important results that led to the Union victory in the Civil War winning the first major campaign of the war in West Virginia in 1861 victories in northeastern Mississippi that made the Vicksburg Campaign

possible gaining the victory without which Abraham Lincoln said the nation could scarcely have lived over conducting two brilliant campaigns in Tennessee and fighting the battle of Chickamauga giving permanent possession of Chattanooga to the federals defending Missouri from an invasion in 1864 The book also attempts to explain why Rosecrans was removed four times despite his military successes and examines the important part politics played in the war Additionally it reveals a man who promoted many advances in medical care transportation and cartography a man interested in engineering as well as theology

Historical Dictionary of the Civil War Terry L. Jones, 2011-07-15 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War
