The Love of a King Peter Dainty, 2008 The Love of a King Peter Dainty, 1993 **For Love of the King**, 1922 "We Love Mr King" Anusorn Unno, 2018-10-04 This book is an ethnography of the Malay Muslims of Guba a pseudonymous village in Thailand's Deep South in the wake of the unrest that was primarily reinvigorated in 2004 It argues that the unrest is the effect of the way in which different forms of sovereignty converge around the residents of this region and the residents at the same time have cultivated themselves and obtained and enacted agency through the sovereigns Rather than asking why the violence is increasing and who is behind it like most scholarly works on the topic it examines how different forms of sovereignty ranging from the Thai state and the monarchy to Islamic religious movements the insurgents and local strongmen impose subjectivities on the residents how they have converged in so doing and what tensions have followed and how the residents have dealt with these tensions and cultivated themselves and obtained and enacted agency through the sovereigns The phrase We Love Mr King or rao rak nay luang inscribed on the decorated footed tray is one example of how the residents crafted themselves as royal subjects and enacted agency through the sovereign monarch This book represents one of the very few locally focussed anthropological studies to be undertaken in Thailand's Muslim Malay border region since the upsurge in insurgent driven violence since 2004 Just as noteworthy the researcher is a Thai Buddhist who succeeded in establishing rapport with his Malay Muslim informants Unlike most journalistic and academic research in this field based on hit and run interviews Dr Anusorn's work is founded on sustained in situ observation and participation with the local residents of the hamlet of Guba in Yala Province Exploring a range of themes including local historical memory and place identification Islamic practices cultural rituals complex local rivalries and violence and interactions between villagers and military state officials and projects Anusorn skilfully highlights the co existence and tensions between different

subjectivities in the context of the competing sovereignties that inform the world of the villagers of Guba Marc Askew author of *Performing Political Identity in Southern Thailand and Conspiracy Politics and a Disorderly Border* **The Spanish tragedy [by Thomas Kyd] The love of King David and fair Bethsabe [by George Peele] Soliman and Perseda. Avery,2023-07-09 In *Old Bear Paw the Trapper King or The Love of a Blackfoot Queen* Henry M Avery crafts a richly woven narrative set against the backdrop of the American frontier where adventure romantic intrigue and cultural exchange intersect The novel employs vivid descriptions and a third person omniscient narrative style to depict the trials of Old Bear Paw a seasoned trapper and his tumultuous love for a Blackfoot queen Avery masterfully captures the nuances of indigenous life and the harsh realities of the 19th century wilderness blending historical accuracy with captivating storytelling that invites readers into a world of rugged landscapes and complex characters reminiscent of traditional frontier tales yet infused with an awareness of cultural significance Henry M Avery was deeply influenced by his experiences as an adventurer and his fascination with Native American cultures which are palpably reflected in his writing His encounters with the diverse cultures of the West informed his characterizations and plot constructions leading him to explore themes of love loyalty and the often violent clash between Indigenous peoples and encroaching settlers This background enables Avery to authentically portray the Indigenous experience providing a corrective lens to a genre frequently dominated by Euro American narratives *Old Bear Paw the Trapper King* is a must read for anyone interested in American frontier history Indigenous cultures or richly developed characters Avery s work not only entertains but also educates prompting reflection on cultural dynamics and the multifaceted nature of love This novel stands as an essential contribution to the canon of American literature worthy of attention from scholars and casual readers alike In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *King Lear* William Shakespeare,1909
