Let's See the Lowlands Arthur Alexander Thomson, 1930 [The Lowland Clearances](#) Peter Aitchison, Andrew

Cassell, 2021-02-12 The forced removal of family farmers across the Scottish Lowlands in the 18th and 19th centuries is chronicled in this enlightening social history The Scottish Agricultural Revolution came at great cost to the poor cottars and tenant farmers who were driven from their homes to make way for livestock and crops The process of forced evictions through the Highlands known as the Highland Clearances is a well documented episode of Scottish history But the process actually began in the Scottish Lowlands nearly a century before in the so called Age of Improvement Though largely overlooked by historians the Lowland Clearances undeniably shaped the Scottish landscape as it is today They swept aside a traditional way of life causing immense upheaval for rural dwellers many of whom moved to the new towns and cities or left the country entirely With pioneering research historian Peter Aitchison tells the story of the Lowland Clearances establishing them as a significant aspect of the Clearances that changed the face of Scotland forever **Desmids of the Lowlands** Peter F.M.

Coesel, Koos J. Meesters, 2014-04-14 Algal species and in particular desmids are important indicators of water quality Because of their preferential occurrence in vulnerable habitats desmids lend themselves well to figuring in conservation studies The present flora describes all desmid taxa known from the Netherlands and adjacent lowland areas over 500 species and more than 150 additional varieties Because of the predominantly cosmopolitan nature of most species the flora may also be of use outside this geographic region The enclosed CD ROM offers general information on desmid biology as well as a selection of species that are discussed in more detail Ecological data both on separate species and desmid communities enable a characterization of the habitat sampled Volume 1 Desmids of the Lowlands Mesotaeniaceae and Desmidiaceae of the European Lowlands Volume 2 European Flora of the desmid genera Staurodesmus **The Lowland**
