**The Last Gunfight** Jeff Guinn, 2012-05-15 Originally published New York Simon Schuster 2011      **Gunfight: The Battle Over the Right to Bear Arms in America** Adam Winkler, 2011-09-06 Gunfight is a timely work examining America's four centuries long political battle over gun control and the right to bear arms In this definitive and provocative history Adam Winkler reveals how guns not abortion race or religion are at the heart of America's cultural divide Using the landmark 2008 case District of Columbia v Heller which invalidated a law banning handguns in the nation's capital as a springboard Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists providing often unexpected insights into the venomous debate that now cleaves our nation      American Gunfight Stephen Hunter, John Bainbridge, 2005-11-02 A fast paced definitive and breathtakingly suspenseful account of an extraordinary historical event the attempted assassination of President Harry Truman in 1950 by two Puerto Rican Nationalists and the bloody shoot out in the streets of Washington DC that saved the president's life Written by Pulitzer Prize winner and New York Times bestselling novelist Stephen Hunter and John Bainbridge Jr an experienced journalist and lawyer American Gunfight is at once a groundbreaking work of meticulous historical research and the vivid and dramatically told story of an act of terrorism that almost succeeded They have pieced together at last the story of the conspiracy that nearly doomed the president and how a few good men ordinary guys who were willing to risk their lives in the line of duty stopped it It begins on November 1 1950 an unseasonably hot afternoon in the sleepy capital At 2 00 P M in his temporary residence at Blair House the president of the United States takes a nap At 2 20 P M two men approach Blair House from different directions Oscar Collazo a respected metal polisher and family man and Griselio Torresola an unemployed salesman don't look dangerous not in their new suits and hats not in their calm purposeful demeanor not in their slow unexcited approach What the three White House policemen and one Secret Service agent cannot guess is that under each man's coat is a 9mm automatic pistol and in each head a dream of assassin's glory At point blank range Collazo and then Torresola draw and fire and move toward the president of the United States Hunter and Bainbridge tell the story of that November day with narrative power and careful attention to detail They are the first to report on the inner workings of this conspiracy they examine the forces that led the perpetrators to conceive the plot The authors also tell the story of the men themselves from their youth and the worlds in which they grew up to the women they loved and who loved them to the moment the gunfire erupted Their telling commemorates heroism the quiet commitment to duty that in some moments of crisis sees some people through an ordeal even at the expense of their lives      **Was There Really a Gunfight at the O.K. Corral?** Ann Kerns, 2011-01-01 Discusses the facts and myths about life in the nineteenth century American West including if cowboys wore large hats if stagecoaches were robbed and if Calamity Jane was a real person      Gunfight at the O.K. Corral: A Ghost Story Drac Von Stoller, 2024-06-05 Sarah and Mark planned a trip to visit the famous Gunfight at the O K Corral and watch the reenactment of the gunfight between the lawmen and the

outlaw cowboys Little did they know that this trip would be one that they would remember for the rest of their lives The moment they arrived at Tombstone and got out of the car and stepped foot on the abandoned streets they felt as though they weren't alone Immediately ghostly figures were in hot pursuit and if that wasn't enough to make them run back to their car and head back home they noticed something even more unsettling The town itself seemed to be changing around them the buildings flickering between their modern day facades and their 19th century appearances It was as if the very fabric of time was unraveling pulled apart by the spectral violence that had erupted in their midst Mark look Sarah gasped pointing at the Crystal Palace Saloon For a moment it stood in its original glory gas lamps flickering in the windows the sounds of a player piano and raucous laughter spilling out into the night Then it shifted back to its restored state a silent monument to a bygone era It's like the whole town is being pulled back in time Mark whispered his voice filled with awe and fear We're not just fighting ghosts we're fighting history itself They ducked into an alleyway to catch their breath the moonlight casting long twisted shadows that seemed to reach out for them like grasping fingers Sarah leaned against the wall her heart pounding when she felt something wet and warm on her hand She looked down and let out a choked scream The wall was bleeding Oh God oh God she whimpered pulling her hand away The bricks were oozing a dark viscous liquid that smelled of iron and gunpowder Mark this place it's soaked in blood It's in the very stones Mark took her hand his face grim The violence the hatred it's seeped into everything That's why the ghosts can't rest They're part of Tombstone itself A cold laugh echoed through the alley making them both freeze From the shadows emerged the spectral figure of Doc Holliday his face a mask of sardonic amusement Well ain't you two just the smartest little historians he drawled his ghostly voice carrying the hint of a Southern accent You're right of course This town this forsaken patch of desert it's a character in our little drama just as much as any of us Sarah found her voice though it trembled You were a doctor once weren't you You took an oath to preserve life How can you be part of this this endless slaughter Holliday's smile turned bitter Preserve life My dear life preserved me trapped me in a body racked with consumption in a world that only valued a man by how fast he could draw I came west to die with my boots on and by God I did His figure flickered and for a moment they saw him as he must have been in life pale wracked with coughs yet his eyes burning with a fierce vitality But you did more than die Mark said You killed You the Earps the Cowboys you turned this place into a symbol of violence Violence Holliday spat Boy you don't know the half of it The O.K. Corral was just the spark After that it was a war Morgan Earp shot in the back Virgil his arm shattered Wyatt riding out with a vendetta posse leaving a trail of corpses from here to the Mexican border
