Dietze**

The Henderson Crusade

Connor Christopher Wilson

The Henderson Crusade:

The Henderson Crusade Charles E. Dietze, 1983-01 The Wendish Crusade, 1147 Mihai Dragnea, 2019-08-23 The Wendish Crusade of 1147 one of the Northern Crusades and a part of the Second Crusade took place at a critical phase in the evolution of crusading rhetoric The initiators and apologists of the campaign employed rhetorical devices to justify the occupation of a region and conversion of a population under the auspices of a crusade A detailed examination of the primary sources shows that the justification of a crusade against apostates was not only a German endeavour or the pope's will but a political reality of the twelfth century Therefore the attitude of the papacy is shown to be reactive rather than proactive

Chivalry, Kingship and Crusade Timothy Guard, 2013 A fresh perspective on the Crusade shows its ideal and practice flourishing in the fourteenth century The central theme of this book is the largely untold story of English knightly ongoing obsession with the crusade fight during the age of Chaucer high chivalry and the famous battles of the Hundred Years War After combat in France and Scotland fighting crusades was the main and a widespread experience of English chivalry in the fourteenth century drawing in noblemen of the highest rank as well as knights chasing renown and the jobbing esquire The author exposes a thick seam of military engagement along the perimeters of Christendom details of participants and campaigns are chronicled in many cases for the first time and associated matters of tactics diplomacy organisation and recruitment are minutely analysed adding substantially to the historiography of the later crusades The book's second theme traces the surprisingly strong grip the crusade idea possessed at the height of politics as an animating force of English kingship Disputing the common assumption that crusade plans were increasingly ill treated by the monarchs adopted as diplomatic double speak or as a means of raiding church coffers the author argues that courtiers and knights moved in a rich environment of crusade speculation and ambition and exercised a strong influence on the culture of the time Timothy Guard gained his DPhil at Hertford College University of Oxford *The Crusades, Holy War and Canon Law* James A. Brundage, 2024-10-28 This volume is concerned above all with the legal background and the juristic issues behind the ideology and practice of the medieval Crusades This is an area that the author was the first to investigate systematically and there are two particular reasons for his approach one the conviction that the historical phenomenon of the Crusades can only be adequately understood within the context of the legal systems that permeated the age the other that so much of the documentary evidence be it charters decrees even chronicles was produced by people whose perceptions had been shaped by the law A number of articles focus on the roles of individual crusaders or address ideological questions including the very concept of Holy War Others deal with practical issues and the nature of the obligations incurred by a crusader and examine the consequences these had both for the institutions of medieval Europe and for the crusader's own family relationships Ce recueil s'attache avant tout au contexte légal et aux questions juridiques qui se trouvent à la base de l'idéologie et de la pratique des Croisades au Moyen Âge L'auteur a été le premier à entreprendre des recherches de façon systématique dans ce

domaine deux raisons précises sont l'origine de cette démarche premièrement la conviction que seule la connaissance du contexte des systèmes locaux dont l'époque était imprégnée permet de bien comprendre le phénomène historique des Croisades deuxièmement le fait que quantité de documents témoins chartes d'écrits ou encore chroniques sont l'œuvre de gens dont la perception était grandement influencée par la loi Un nombre d'études se concentrent sur la relation individuel de certains croisades ou s'adressent des questions d'idéologie y compris le concept même de la Guerre Sainte D'autres traitent de questions d'ordre pratique ainsi que de la nature des engagements contractés par les croisades ils en examinent le

The New Crusaders Elizabeth Siberry, 2016-12-05 This is the first comprehensive study of the use abuse and development of the crusade image in popular and high culture in the nineteenth and early twentieth centuries Drawing upon a diverse range of sources mainly from the British Isles but with parallels from Western Europe and North America the author shows the different approaches to the history of the crusading movement and crusade images taken by the historian composer artist and author

The Chertsey Tiles, the Crusades, and Global Textile Motifs Amanda Luyster, 2023-12-21 While visual cultures mingled comfortably along the silk roads and on the shores of the Mediterranean medieval England has sometimes been viewed by both medieval and more recent writers as isolated In this Element the author introduces new evidence to show that this understanding of medieval England's visual relationship to the rest of the world demands revision An international team led by the author has completed a digital reconstruction of the so called Chertsey combat tiles sophisticated pictorial floor tiles made c 1250 England including both images and lost Latin texts Grounded in the discoveries made while completing this reconstruction the author proposes new conclusions regarding the historical circumstances within which the Chertsey tiles were commissioned and their significant connections with global textile traditions

The Rise and Fall of British Crusader Medievalism, c.1825-1945 Mike Horswell, 2018-01-29 This book investigates the uses of crusader medievalism the memory of the crusades and crusading rhetoric and imagery in Britain from Walter Scott's *The Talisman* 1825 to the end of the Second World War It seeks to understand why and when the crusades and crusading were popular how they fitted with other cultural trends of the Victorian and Edwardian eras how their use was affected by the turmoil of the First World War and whether they were differently employed in the interwar years and in the 1939-45 conflict Building on existing studies and contributing the fruits of fresh research it brings together examples of the uses of the crusades from disparate contexts and integrates them into the story of the rise and fall of crusader medievalism in Britain

Tales of the Crusaders - Remembering the Crusades in Britain Elizabeth Siberry, 2021-02-01 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study the memory and legacy of the crusades Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive exciting and much needed area of investigation Crusading was a part of the rich tapestry of family history with tales of crusading developed as evidence of heroic endeavour to enhance family prestige Lists of crusaders were

published to satisfy this market and heraldry was a visible means of displaying such lineage Drawing on extensive research and previously untapped sources this book charts continuing British interest in the crusades focusing on the nineteenth century The volume discusses what was available to read on the subject and how this was discussed in numerous journals Set in the British context of growing local and regional interest in history and archaeology the study also considers the physical artefacts associated with the crusades *Tales of the Crusaders Remembering the Crusades in Britain* is the ideal resource for students and scholars of the history of memory and crusades history in a British context **A History Syllabus for**

Secondary Schools New England History Teachers' Association,1904 **Book Bulletin** San Francisco Public Library,1895

Readings in European History James Harvey Robinson,1906 Provides primary sources on topics ranging from Ancient Rome to the Revolutions of 1848 *A Perfect Fit* Jenna Weissman Joselit,2014-04-29 A striking and inventive social history of the role of clothing in the making of modern Americans While fashions of the rich and famous have been lushly chronicled little attention has been paid to the meaning of clothes for everyone else Yet between 1890 and the outbreak of World War II as ready to wear came into its own the clothes of ordinary Americans claimed the nation s attention Allied with civic virtue fashion now played an increasingly important role in shaping the national character Drawing on a wealth of sources from advertisements trade journals and health manuals to sermons science and songs acclaimed historian Jenna Weissman Joselit shows how the length of a woman s skirt the shape of a man s hat and the height of a pair of heels enabled Americans of every faith color and class to feel part of the modern nation As moral arbiters warned that extravagant attire might undermine equality and gentlemen worried that wearing colored shirts reared them less manly the newly arrived and newly emancipated immigrants and African Americans wondered just how much jewelry was appropriate to their new status as citizens Engaging imaginative and original *A Perfect Fit* uncovers a time in American history when getting dressed was more about fitting in than standing out and vividly shows how clothes expressed the spirit of democracy and the promise of America Memoirs of the Crusades Geoffroi de Villehardouin,1915 **The Crusades, and Other Historical Essays**

Louis John Paetow,1928 **Race and the University** George Henderson,2011-11-19 In 1967 George Henderson the son of uneducated Alabama sharecroppers accepted a full time professorship at the University of Oklahoma despite his mentor s warning to avoid the redneck school in a backward state Henderson became the university s third African American professor a hire that seemed to suggest the dissolving of racial divides However when real estate agents in the university town of Norman denied the Henderson family their first three choices of homes the sociologist and educator realized he still faced some formidable challenges In this stirring memoir Henderson recounts his formative years at the University of Oklahoma during the late 1960s and early 1970s He describes in graphic detail the obstacles that he and other African Americans faced within the university community a place of white privilege black separatism and campus wide indifference to bigotry As an adviser and mentor to young black students who wanted to do something about these conditions Henderson

found himself at the forefront of collective efforts to improve race relations at the university Henderson is quick to acknowledge that he and his fellow activists did not abolish all vestiges of racial oppression But they set in motion a host of institutional changes that continue to this day In Henderson s words we were ordinary people who sometimes did extraordinary things Capturing what was perhaps the most tumultuous era in the history of American higher education *Race and the University* includes valuable recollections of former student activists who helped transform the University of Oklahoma into one of the nation s most diverse college campuses

Readings in European History: From the breaking up of the Roman Empire to the Protestant Revolt James Harvey Robinson,1904 From the breaking up of the Roman empire to the Protestant revolt James Harvey Robinson,1904 **Sentinel for Health** Elizabeth W. Etheridge,2023-04-28 In the only history of its kind Etheridge traces the development of the Centers for Disease Control from its inception as a malaria control unit during World War II through the mid 1980s The eradication of smallpox the struggle to identify an effective polio vaccine the unraveling of the secrets of Legionnaires disease and the shock over the identification of the HIV virus are all chronicled here Drawing on hundreds of interviews and source documents Etheridge vividly recreates the vital decision making incidents that shaped both the growth of this institution as well as the state of public health in this country for the last five decades We follow the development of the institution as it was transformed by the will and the imagination of remarkable individuals such as Dr Joseph Mountin one of the first heads of the CDC Often characterized as abrasive and impatient Mountin pushed the CDC to become a vital player in eradicating the threat of communicable disease in the United States Others such as Dr Alexander Langmuir brought the expertise necessary to establish epidemiology as one of the primary functions of the CDC Created to serve the states and to answer any call for help whether routine or extraordinary the CDC is now widely recognized as one of the world s premier public health institutions In the only history of its kind Etheridge traces the development of the Centers for Disease Control from its inception as a malaria control unit during World War II through the mid 1980s The eradication of smallpox the struggle to identify an effective

Sacred Violence Jill N. Claster,2009-01-01 In *Sacred Violence* Jill N Claster brings new insight and focus to the history of the crusades The book includes an 8 page color insert of illustrations 12 maps over 25 black and white illustrations a chronology of the crusades and a list of rulers
