

The Little Of Living Green

Sherwood Anderson

The Little Of Living Green:

The Medicina Plinii Yvette Hunt, 2019-10-01 This book presents the first ever English translation of the *Medicina Plinii* one of the most influential books of applied medicine and self medication in Late Antiquity and the Middle Ages The work which predates AD 400 was created as a quick reference work for travellers and became and remained highly influential as witnessed by frequent references to it and by various later adaptations Only the rise of scientific medicine and pharmacology led to its demise and confinement in a small corner of specialist studies It presents more than 1 150 healing methods and recipes mainly adapted from the encyclopedic *Natural History* of Pliny the Elder arranged from the patient's head to foot in order that readers could quickly find treatments for their diseases The *Medicina Plinii* is of dual interest to present day scholarship The book is a monument for the practical application of classical knowledge which has recently found lively interest in the history of science and medicine At the same time the *Medicina Plinii* provides a fascinating insight into the realities of the world of Late Antiquity and into the anxieties of the people living in the vast Roman empire This book will be of particular interest to scholars and advanced students in the History of Science and Medicine along with a wider audience interested in medicine and in life in the Roman world

Many Marriages Sherwood Anderson, 2021-08-03 *Many Marriages* 1923 is a novel by Sherwood Anderson Inspired by his own decision to abandon his family and career in order to establish himself as a professional writer Anderson explores the guilts routines desires and disappointments driving the lives of many Americans in the early twentieth century Although he is known today for his story collection *Winesburg Ohio* a pioneering work of Modernist fiction admired for its plainspoken language and psychological detail Anderson's *Many Marriages* is a masterpiece in its own right There was a man named Webster lived in a town of twenty five thousand people in the state of Wisconsin He had a wife named Mary and a daughter named Jane and he was himself a fairly prosperous manufacturer of washing machines At odd moments when he was on a train going some place or perhaps on Sunday afternoons in the summer when he went alone to the deserted office of the factory and sat for several hours looking out through a window and along a railroad track he gave way to dreams On an otherwise average day in his office at an Ohio washing machine factory John Webster finds himself dreaming He contemplates an affair with his young secretary hears a number of voices in his head and watches an angelic woman drift down the river on a raft beneath the afternoon sun When he returns home after work he struggles to look his wife and daughter in the face feeling deep in his heart he will have to leave them soon Despite spending his whole life in service of the mundane building his business supporting his family securing his finances Webster knows he can no longer live an impassionate life He knows he must reinvent himself from scratch With a beautifully designed cover and professionally typeset manuscript this edition of Sherwood Anderson's *Many Marriages* is a classic of American literature reimagined for modern readers

The Home Monthly, 1863 *Helps to Prayer and Holy Living for Church People who Have Little Spare Time ...* Richard Seymour (Canon of Worcester.), 1869 **The Hills of the Shatemuc** Elizabeth

Wetherell,2018-04-05 Reproduction of the original *The Hills of the Shatemuc* by Elizabeth Wetherell *The Little Lychetts, and Other Stories* ,1866 **The dawn of life; or Little Mildred's story** Emma Marshall,1866 **The Fairy Tales of Hans Christian Andersen - Illustrated by Kay Nielsen** Hans Christian Andersen,2013-04-16 Originally published in 1924 this collection *The Fairy Tales of Hans Christian Andersen* is illustrated with the magnificent Art Nouveau colour illustrations of Kay Nielsen It was a project that took Nielsen twelve years to complete and his illustrations perfectly capture the other worldly spirit of Andersen s subject matter It includes such well known and loved tales as *The Snow Queen* *The Real Princess* *The Hardy Tin Soldier* and *The Nightingale* Hans Christian Andersen 1805 1875 was a Danish poet and author celebrated for his children s stories but perhaps best known for his fables and fairy tales meant for both adults and children They were frequently written in a colloquial style using idioms and spoken language in a manner previously unseen in Danish literature Though simple at first glance the fairy tales of Hans Christian Andersen often convey sophisticated moral teachings in equal measure heart breaking and heart warming Kay Nielsen 1886 1957 was a Danish illustrator of the golden age of illustration He was influenced by Japanese art and the Swedish folklore becoming a crucial participant in the Art Nouveaux movement His art is characterised by long swooping lines open spaces and a certain macabre yet ephemeral quality Presented alongside the text his illustrations further refine and elucidate Andersen s masterful storytelling *The Hills of the Shatemuc* Warner,1856 **The Hills of the Shatemuc** Susan Warner,1856

Thank you very much for reading **The Little Of Living Green**. Maybe you have knowledge that, people have search hundreds times for their chosen novels like this The Little Of Living Green, but end up in malicious downloads.
