Cleon Skousen,2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of *Days of the Living Christ* *The Living Image in the Middle Ages and Beyond* Kamil Kopania,Henning Laugerud,Zuzanna Sarnecka,2025-02-25 This edited volume discusses images that bleed speak cry move and behave in ways we usually attribute to living creatures Living images have been the object of devotion as well as targets of destruction and they have been marginalised in both culture and cultural studies for their ambivalence as well as their transgressive nature But what is it that makes images the loci of such powerful properties The present volume is an attempt to recuperate the living image draw it from the margins and re illuminate its importance for cultural history The title of this book reflects the ambition of the contributions to navigate between the Middle Ages of the past and the Middle Ages of the present Our aim is to provide new theoretical reflections and methodologies concerning the study of material agency and living images both historically and today The chapters include close examination of surviving objects and archival research as well as theoretical reflections and span chronologically and geographically across Europe from North to South medieval to modern The book will be of interest to scholars working in art history medieval studies material culture theatre studies and religious history **The Living Word** Dr. Toh Eng Kiong (Peter),2023-05-30 No About the Book information at this time *Orphans of the Living* Jennifer Toth,1998-07-02 Jails hospitals and strip joints the celebrations of straight A report cards graduations and Congressional honors as the children demonstrate their humor hope and resilience in trying to
