The Local Church:

The Local Church Jim Gent, 1994 **The Local Church** Edward Klink, 2021 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world Missions Andy Johnson, 2017-08-15 Every local church should be engaged with global missions even if most individuals in the church aren t called to go overseas But what does this engagement actually look like How can local churches train send and support missionaries well Unpacking principles from the Bible and applying them in the context of real life in a local church this new book in the 9Marks Building Healthy Churches series is filled with practical steps and advice for supporting missionaries forming international partnerships sending short term teams and engaging with the nations here at home This book casts a vision for the local church as the engine of world missions for the joy of all people and the glory of God **Why on Earth Are There Churches?** Michael R. Privett, 2012-08-21 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so many local churches seem to function without understanding their biblical missiontheir God directed reason for existencewhile other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions customs and worship styles vary from culture to culture and from generation to generation Ive been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two So many ministries programs concepts and styles are not new but just repackaged Todays new fresh blended methods will become traditional to the next generation after a short period of time Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God What really matters is whether you have presented a true and accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor esteem and excellence The Local Church Edward W. Klink (III), 2021 In today s

hyperindividualized culture the author not only demonstrates why it's vital for individuals to connect to a local church but also reveals why it's vital to God's work in the world

Cherish The Local Church: Understanding His Thrill In Our Assembling S. Sekou Abodunrin, 2020-11-30 Paul's ministry could be condensed into two words local churches He was either starting them by filling them with new converts visiting them praying for them or writing Epistles to them If there were no local churches much of Paul's letters would never have been written The local church is Jesus' greatest provision for the growth of His saints It is the greatest decision the saint will make for it is via the local church that you will be influenced into practicing or ignoring the written word It is a sobering thought that every time the churches were rebuked by the apostles in the bible the whole assembly was rebuked together Thus your local church says more about you than you are willing to admit Find your thrill in God's gift of the local church
