The Long Silence John Nowinsky, 2025-08-31 What if the silence you fear is not absence but love waiting to be heard The Long Silence is a tender novel about loss longing and the quiet return of grace Evelyn s world shattered the night Jacob walked away Left behind with unanswered prayers and an empty pew beside her she lit a single candle and whispered into the silence Where are You God The only answer was the quiet ache that lingered But in that silence God was closer than she imagined Through ordinary moments an unexpected kindness in the grocery store a note slipped into her hand the steady flicker of a candle grace began to weave its way back into her life Slowly silence became more than absence It became the place where love was waiting Told through a moving blend of Evelyn s story and God s whispered interludes The Long Silence reminds us of truths often forgotten Love does not force it waits patiently God walks with us in the unnoticed ordinary places Silence is not abandonment it is the still space where healing begins For anyone who has ever wondered if God had gone quiet this story offers hope even in the long silence He was never far

The Long Silence Jay Reid Gould, 1960 **The Long Haul** William Tellot, 2012-10-01 Just as veteran truck driver Brandon Stevenson finds his life and marriage at a low point he barely survives an accident in his eighteen wheeler skidding across a mountain slope on its side Barely alive he feels anything but lucky His journey through the phases of his recovery gives him the opportunity to rebuild the broken pieces of his life Highlighting the best and worst of human emotions during a crisis Brandon comes to realize that if he is going to have any chance to fully rehabilitate his body and his marriage he will need to be in it for the long haul

The Long Shadow Gaynor Gabriel, 2013 Sarah nine years old endures yet another air raid in the street shelter in Blitz torn England At the same time nine year old Claude is practising an escape should their house in occupied France be raided by the Gestapo Sarah and Claude Jews and their families experience the devastating effects of Nazi Germany The children are deeply traumatised Sarah by the fate of her mother during an air raid and Claude by the disappearance of his family The effects of their tragic experiences are played out very differently The early lives of the children though in different cultures and different circumstances manifest very similar parallel experiences It is only when the two central characters meet as adults that the effects of the trauma show themselves clearly and very

dramatically The novel traces four generations of the two families through to the final powerful and moving outcome It becomes hard to put the book down the narrative becomes truly wrenching One hopes that Gabriel will keep writing a remarkable beginning Kirkus Reviews This is a well charted tale of how great sorrow can colour lives long after the event BlueInk Review Introspective and profoundly moving Gabriel s realistic portrayal of war s aftermath will leave an enduring impression Foreword Reviews *Studies in Indian Writing in English* Mittapalli Rajeshwar,Pier Paolo Piciucco,2000 During The Seventy Years Of Its Effective History Indian Writing In English Crossed Many Miles Stones And Has Come To Be Finally Accepted As A Major Literature Of The World Having Won Almost Every Important Literary Prize In The Recent Few Years Iwe Has Become Immensely Popular With The Common International Readers And Critics Alike If Its Being Prescribed For Study In Universities Across The World Is Any Indication The Place Of Iwe In The Canon Is Secure Forever This Anthology Of Critical Articles Attempts To Evaluate Some Of The Major Indian Poets And Novelists And Their Influential Works From Refreshingly New Perspectives Historical Socio Economic Existential Mythological Philosophical Religious And Environmental The Writers Studied Here Include Anand Narayan Raja Rao Malgonkar Bhattacharya Joshi Desai Markandaya Sahgal Ezekiel And Ramanujan An Interesting Addition To This Volume Are A Couple Of Articles On The Diaspora Writers Such Rohinton Mistry And The South African Indian Poets And Novelists It Is Hoped That This Book Will Prove Itself Highly Useful To All Who Are Seriously Interested In Indian Writing In English The Quartermastra Mark Veldon,2024-10-06 Tal Ch kola wants to be free Free to live her life Free to help her people Free from her service to the Starlan army Unfortunately she s a maega one of the rare few with innate magical ability and she s also Eru one of the indigenous people in lands taken by the Starlans No Airion maega ever gets out of the army Despite this truth Tal hasn t stopped dreaming of one day being free Nor has she given up working to make it happen even as each of her plans has ended in failure Now she s in a small town on the edge of the Starlan Federation home to one of the most valuable resources in all of Deseria Her new scheme is just starting to show promise when three Starlan matrons are found murdered The killings reek of spirit magic and it just so happens that Tal has a little of her own If the Starlans find out about this she might be blamed for the murders Will Tal s hope for a better tomorrow lead to her doom **The Killing of the Iron Twelve** Hedley Malloch,2019-05-30 A compelling read Highly recommended for its extraordinarily powerful insight into the frayed edges of the first months of the European War The Western Front Association Why did the Germans brutally and illegally execute a group of British soldiers who had been trapped behind the lines during the retreat to the Marne in 1914 Hedley Malloch in this gripping and meticulously researched account vividly describes the fate the soldiers on the run and of the French civilians who sheltered them He tells a dramatic and tragic story of escape betrayals and punishment that also gives a fascinating insight into the life stories of the soldiers and civilians involved and the mind set of the German army on the Western Front The book names the German officers responsible for this atrocity and explores their motivations This is an episode of WW1 with which I am not familiar

and one that I found particularly fascinating and at the same time harrowing The author attempts to set the record straight by naming the perpetrators of this enormous outrage Books Monthly Hedley Malloch who is chair of the Iron Memorial fund and Honorary Life Member of the RMFA has done a wonderful job with his book a true memorial in its own right to those that were executed innocent soldiers who just happened to find themselves on the wrong side of the lines Redcoat and Khaki If you have a Top Ten books on the First World War then make room for The Killing of the Iron Twelve by Hedley Malloch The Western Front Association

The Fullness of Time Matthew S. Champion, 2017-11-13 Over the course of the fifteenth century the Low Countries transformed Europe's economic political and cultural life Innovative and influential cultural practices emerged across the region in flourishing courts towns religious houses guilds and confraternities Whether in visual culture music devotional practice or communal rituals the thriving cultures of the Low Countries wrestled with time both through explicit measurement and reflection and in the rhythms of social and religious life This book offers a deeper understanding of how time was structured and experienced by different constituencies through a series of detailed readings of diverse cultural objects and practices ranging from woodcuts and painted altarpieces to early print books and to the use of polyphony in the liturgy Individual chapters are devoted to life in the university towns of Louvain and Ghent the liturgical rituals at Cambrai Cathedral and the rich pageantry that marked the courts of Philip the Good and the new Burgundian rulers What emerges is a complex temporal landscape in which devotional and secular practices and experiences merged into a new fullness of time

Forster, 2021-01-12 The Longest Journey 1907 is a novel by English author E M Forster Despite its critical success the novel was a commercial failure for Forster but has since grown in reputation and readership to help cement his reception as one of twentieth century England's most talented writers Rickie Elliot enters Cambridge as a young man exploring his interests in poetry and art and joining a circle of intellectuals centered around a philosopher named Stewart Ansell An orphan Rickie cherishes his small number of friends including Agnes and her brother Herbert who were his only companions as a youth When Agnes's fianc dies in a football match Rickie steps in to console her and the two become engaged Shortly afterward a visit to Rickie's elderly Aunt leads to his discovery of a stepbrother named Stephen and the young scholar is plunged into the past and forced to face his family's secret history While Agnes now his wife encourages him to reject Stephen Rickie struggles with his feelings and takes his frustration out on his pupils at the dormitory school where he has been appointed to teach classics Cut off from his Cambridge friends and growing apart from Agnes Rickie makes an effort to connect with Stephen who has grown to be a troubled young man Between literary fame and married life the bonds of family and friendship Rickie's story of hardship and personal development poses poignant questions regarding social conventions infidelity and the life of a struggling artist The Longest Journey is a powerful bildungsroman and the second novel published by English literary icon E M Forster With a beautifully designed cover and professionally typeset manuscript this edition of E M Forster's The Longest Journey is a classic of English
