The Long White Iowa Short Fiction Award:

The The Long White Sharon Dilworth, 2009-09-15 Dilworth writes of the friction between the Finns and the Native Americans who are seen by the Finns as lazy and no good She plumbs the bonds between families the isolation one can feel anywhere and the inexplicable attractions between men and women **A Hole in the Language** Marly A.

Swick, 2010-09-13 These stories are delicate seismographic meditations on disaster and its aftershocks The characters are survivors digging their way out of the past shaken but hopeful Despite all their tragic losses there is a pervasive sense of humor hope and forgiveness abandonment leads ultimately to reunion grief to solace This is contemporary America a jigsaw puzzle of fragmented families constantly picking up the pieces and fitting themselves together in new ways to form unforgettable pictures The Michigan Alumnus , 1989 In v 1 8 the final number consists of the Commencement annual

Ancestry Eileen O'Leary, 2020-10-02 How does one live a good life If you re Pat Graves you change your name to Cecile Collette move to Cleveland and join three churches and the Rotary Club For Cecile who will reinvent herself again before the story ends it may be possible to make Michigan and everything else she touches beautiful but she ll come to grief when she tries to redesign another human being In the title story Mackenzie a girl without looks or potential builds a full life in Paris based on the sketchy belief that she had an ancestor renowned for being dauntless College freshman Adam holding a fantasy of his newly discovered father finds the man broke and foolish still he does all he can to rescue his dad from a disastrous contract Kate convinced she s doing the right thing helps her cousin gain full custody of his daughter only realizing years later the truth of what happened Watching CNN a grandmother recalls a date she once had with a man now giving advice on foreign policy Whether set in Scandinavia America France England Australia or Nepal these stories champion those who are tenacious in the face of life s surprises **Happy Like This** Ashley Wurzbacher, 2019-10-15 The characters in Happy Like

This are smart girls and professional women social scientists linguists speech therapists plant physiologists dancers who search for happiness in roles and relationships that are often unscripted or unconventional In the midst of their ambivalence about marriage monogamy and motherhood and their struggles to accept and love their bodies they look to other women for solidarity stability and validation Sometimes they find it sometimes they don t Spanning a wide range of distinct perspectives voices styles and settings the ten shimmering stories in Happy Like This offer deeply felt often humorous meditations on the complexity of choice and the ambiguity of happiness *Not a Thing to Comfort You* Emily Wortman-Wunder, 2019-10-15 From a lightning death on an isolated peak to the intrigues of a small town orchestra the glimmering stories in this debut collection explore how nature damaged fierce and unpredictable worms its way into our lives Here moths steal babies a creek seduces a lonely suburban mother and the priorities of a passionate conservationist are thrown into confusion after the death of her son Over and over the natural world reveals itself to be unknowable especially to the people who study it most These tales of scientists nurses and firefighters catalog the loneliness within families betrayals between friends and the recurring

song of regret and grief **The Lightning Jar** Christian Felt, 2018-10-15 The Lightning Jar is about lonely children It may be more about lonely children than any other book These children are good at making imaginary friends but have trouble keeping them For instance there s the Morra who plunges the world into eternal winter But she also teaches Mons the meaning of love and helps him burn down his house after some Gypsies turn it into a middle school Then there s the Gorbels Amanda invented it to scare the Guest but it ended up liking him best A bit like a cat but more like a spider it turned out a lot cuter than she d intended And the Wisps they re pretty unhappy about being dead Karl accidentally turned his smallest cousin into a Wisp They were trying to catch some lightning in a jar but they caught the smallest cousin s ghost instead Karl had to drown it for its own good Something similar happened with his grandma Astrid and a rock named Melisande But the loneliest character is probably Christian He insists on being from J mtland where Karl and Amanda live When his cousin Eskild got married Christian rewrote their past so it s like The Little Mermaid except Eskild drowns and Christian doesn t earn a soul In the spirit of Tove Jansson William Blake and Calvin Hobbes The Lightning Jar contains a volatile mix of innocence and experience faith and doubt nostalgia and a sense of all there is to gain by accepting reality on fresh terms

The Boundaries of Their Dwelling Blake Sanz, 2021-10-15 Moving between the American South and Mexico these stories explore how immigrant and native characters are shaped by absent family and geography A Chilanga teen wins a trip to Miami to film a reality show about family while pining for the American brother she s never met A Louisiana carpenter tends to his drug addicted son while rebuilding his house after a slew of hurricanes A New Orleans ne er do well opens a Catholic themed bar in the wake of his devout mother s death A village girl from Chiapas baptizes her infant on a trek toward the U S border In the collection s second half we follow a Veracruzian born drifter Manuel and his estranged American son Tommy Over decades they negotiate separate nations and personal tragicomedies on their journeys from innocence to experience As Manuel participates in student protests in Mexico City in 1968 he drops out to pursue his art In the 1970s he immigrates to Louisiana but soon leaves his wife and infant son behind after his art shop fails Meanwhile Tommy grows up in 1980s Louisiana sometimes escaping his mother s watchful eye to play basketball at a park filled with the threat of violence In college he seeks acceptance from teammates by writing their term papers Years later as Manuel nears death and Tommy reaches middle age they reconnect embarking on a mission to jointly interview a former riot policeman about his military days in the process father and son discover what it has meant to carry each other s stories and memories from afar *You Never Get It Back* Cara Blue Adams, 2021-12-15 The linked stories in Cara Blue Adams s precise and observant collection offer elegantly constructed glimpses of the life of Kate a young woman from rural New England moving between her childhood in the countryside of Vermont and her twenties and thirties in the northeast southwest and South in pursuit of a vocation first as a research scientist and later as a writer Place is a palpable presence Boston in winter Maine in summer Virginia s lush hillsides the open New Mexico sky Along the way we meet Kate s difficult bohemian mother and younger

sister her privileged college roommate and the various men Kate dates as she struggles to define what she wants from the world on her own terms Wryly funny and shot through with surprising flashes of anger these smart dreamy searching stories show us a young woman grappling with social class gender ambition violence and the distance between longing and having

Father Guards the Sheep Sari Rosenblatt, 2020-10-02 In Sari Rosenblatt's collection by turns tender and hilarious we see fathers who are bullies and nervous watchdogs haunted by their own pasts and fear of the future they may never see And who do their daughters become A substitute teacher who encounters mouthy students who believe she's not real Another lands a job on her city's arson squad researching derelict properties their owners might want to burn A beleaguered mother humiliated by the PTA's queen bee finds solace in an ancient piece of caramel candy I keep sucking she says until some flavor no longer caramel comes out In the end this is what all these finely wrought characters want to wring sweetness from what's been passed down to them Rosenblatt's comic sensibility so present in these stories entertains and consoles while seeming to say to her readers you might as well laugh
