The Lord And The Mystery Lady:

The Lord and the Mystery Lady Georgina Devon,2012-02-15 Who was she Guy Viscount Chillings had little choice He could not deny an injured traveler time to recuperate in his home Only this mystery guest upset his ordered life because he just couldn't ignore that she was a very beautiful seductive woman But a woman without any memory apart from an abiding sense of great loss What shadows did her past hide and what would happen to their growing attraction if she ever regained those memories

The Mystery Lady Robert W. Chambers,2021-01-05 When Dirck inherits a large amount of money from his parents he invests it all in a fraudulent oil company scheme Suddenly broke and at loose ends he decides to go after a pirate treasure of gold lost in the early 1500s supposedly sunk off the Carolina coast

The Mystery of God's Woman and Her Seed Rev. Stanley Curby,2009-02-28 This book demonstrates through the full text of the scriptures that women have the same God given rights as men to preach teach and serve in the same offices of the church as men doing everything spiritually that men do according to the leading of the Holy Spirit The apostle Paul wrote And there are diversities of operations but it is the same God who worketh in all But all these worketh that one and the selfsame Spirit dividing to every man severally as He will 1 Cor 12 6 11 It also shows that the opposition against the women that are called to preach and teach the word of God is a calculated plan that is instigated by Satan to prevent them from fulfilling the will of God

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
