The Los Angeles Almanac 2001:

The Los Angeles Almanac 2001 Gerhard F. Thornton, 2001-02-01 *The Next Los Angeles* Robert Gottlieb, 2005-01-17

With this rich account of its community and labor struggles the city of angels and apocalypse becomes the city of hope Barbara Ehrenreich author of Nickel and Dimed On Not Getting By in America This wonderful book with its evocations of LA's alternative histories and its bold templates for social and environmental justice is proof that the American Left is alive and well especially in Southern California Mike Davis author of Dead Cities A rare book combining history analysis strategy and a platform and it may well be carried out in this decade Tom Hayden former State Senator Los Angeles **The Vampire in Folklore, History, Literature, Film and Television**, 2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire's penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi's Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented **Los Angeles FBI Federal Building**, 2006 **The Politics of Exclusion** Leland T. Saito, 2009 Examines the role and influence of race and ethnicity in the contemporary American city through three case studies of urban politics and policy decisions in Los Angeles New York and San Diego **Gunfight** Adam Winkler, 2011-09-12 A provocative history that reveals how guns not abortion race or religion are at the heart of America's cultural divide Gunfight is a timely work examining America's four centuries long political battle over gun control and the right to bear arms In this definitive and provocative history Adam Winkler reveals how guns not abortion race or religion are at the heart of America's cultural divide Using the landmark 2008 case District of Columbia v Heller which invalidated a law banning handguns in the nation's capital as a springboard Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists providing often unexpected insights into the venomous debate that now cleaves our nation **Padres** Richard Edward Martínez, 2005-06-01 From the 1848 Treaty of Guadalupe Hidalgo to the 1960s Mexican American Catholics experienced racism and discrimination within the U S Catholic church as white priests and bishops maintained a racial divide in all areas of the church's ministry To oppose this religious apartheid and challenge the church to minister fairly to all of its faithful a group of Chicano priests formed PADRES Padres Asociados para Derechos Religiosos Educativos y Sociales or Priests Associated for Religious Educational and Social Rights in 1969 Over the next twenty years of its existence PADRES became a powerful force for change within the Catholic church and for social justice within American society This book offers the first history of the founding activism victories and defeats of PADRES At the heart of the book are oral history interviews with the founders of PADRES who describe how their ministries in poor Mexican American parishes as well as their own experiences of racism and discrimination within and

outside the church galvanized them into starting and sustaining the movement Richard Mart nez traces the ways in which PADRES was inspired by the Chicano movement and other civil rights struggles of the 1960s and also probes its linkages with liberation theology in Latin America He uses a combination of social movement theory and organizational theory to explain why the group emerged flourished and eventually disbanded in 1989 **Automatic for the City** Riccardo Bobisse,Andrea Andrea Pavia,2019-08-20 How will automated vehicles change our lives Where are the opportunities and challenges Future streets require planning today This timely book envisions ways in which changes to urban mobility and technology will transform city streetscapes and importantly how cities can prepare It is a reflection on the relationship between new technologies and urbanism as well as an agile urban design manual with pictures illustrating potential spatial arrangements enabled by the new technologies Two case studies in the central urban cores of London and Los Angeles will be presented to show how neighborhoods can be redesigned for the better and how to apply good urban design principles across towns and cities worldwide **Brown and Gay in LA** Anthony Christian Ocampo,2023-09-05 Co Winner of the 2023 Latino a Section Best Book Award given by the American Sociological Association Honorable Mention 2024 Best Book Award given by the Asia and Asian America section of the American Sociological Association The stories of second generation immigrant gay men coming of age in Los Angeles Growing up in the shadow of Hollywood the gay sons of immigrants featured in Brown and Gay in LA could not have felt further removed from a world where queerness was accepted and celebrated Instead the men profiled here maneuver through family and friendship circles where masculinity dominates gay sexuality is unspoken and heterosexuality is strictly enforced For these men the path to sexual freedom often involves chasing the dreams while resisting the expectations of their immigrant parents and finding community in each other Ocampo also details his own story of reconciling his queer Filipino American identity and those of men like him He shows what it was like for these young men to grow up gay in an immigrant family to be the one gay person in their school and ethnic community and to be a person of color in predominantly White gay spaces Brown and Gay in LA is an homage to second generation gay men and their radical redefinition of what it means to be gay to be a man to be a person of color and ultimately what it means to be an American **Asian American Politics** Andrew Aoki,Okuyoshi Takeda,2008 An introduction to the study of Asian American participation in US politics It covers historical and cultural context political behaviour and attitudes interest groups and parties elected officials and public policies that have an important impact on Asian Americans
