for the legend of Shangri La It might be categorized as a new age or philosophy book like the Celestine Prophecy since it focuses on his spiritual training and their teachings in a novel like format Hard to believe but interestingly the sub tropical region amongst the Himalayas that he describes finding was later documented by explorers from National Geographic then covered up there is still evidence of this Also interesting is that the author was apparently mentioned in the Edgar Cayce readings the famous American psychic whose books have sold millions of copies as someone who would one day bring an important message to the world

Lone Star 94/indian Wesley Ellis, 1990-06-01 Jessie and Ki go looking for a mother lode of gold and find a load of trouble When a map to a legendary gold mine is stolen from the Hopi Indians Jessie and Ki race against the clock to reach the mine before the thieves do and recover the gold for the Hopi nation

A Good High Place Lynn Kimball Fay, 2010-05-21 Epic and nonlinear in nature A Good High Place chronicles the lives of two women Luella and Kachina who like the orbit of the sun and the moon both attract and repel each other Luella s suspicion that her younger sister who supposedly died at birth is being raised as the sister of Kachina sets her on a path of self discovery that generates more questions than answers The Native American Kachina is an enigma a person with a special healing touch who it is rumored never ages leaves no footprints and might never die Her goal is to help her people the Anishinaabek remain on the Red Path and resist being absorbed by white culture To do this she takes guidance from what she refers to as The Day guidance Luella assumes can be nothing less than the murmured confidences of God pouring from the sky Ultimately Kachina and Luella find friendship among the conflicts of culture duty and even loving the same man Set during the years prior to World War I in Elk Rapids Michigan A Good High Place addresses familial struggles and those of a nation moving inexorably toward the age of the automobile The sometimes painful adaptations of a faster paced age are embodied in part in the struggles of Luella s father who already troubled by the death of his wife wrestles with the realization that his livelihood as a steamboat captain is becoming obsolete
