*The Lost Key to the Scriptures* Alvin Boyd Kuhn, 2013-10 This is a new release of the original 1960 edition     [The Lost Key to the Scriptures](#) Alvin Boyd Kuhn, 1966     **The Lost Key to the Scriptures** Alvin Kuhn, 2011-05-13 Preface The likelihood of a favorable acceptance of the astounding revelation to be made in this essay will be considerably heightened if the epochal disclosure is preceded by sufficient prefatory exegesis to present it in its proper frame of reference So incredible is the true esoteric elucidation of the lost meaning of the Scriptures of Christianity that the immediate reaction will generate the demand to know what historical circumstances or developments could have led in the first place to so fateful a loss of vital knowledge once possessed It will therefore be judicious to begin the exposition by presenting certain items of the historical background as necessary and highly enlightening introductory matter This explanatory material must begin with the broad blunt statement that what is commonly believed about the Bible as a book its date authorship and inspiration is all quite erroneous Let us be explicit in this the solid bulk of common belief about this book is totally untrue There is scarcely a single item of the common man's presuppositions about the Christian Scriptures who wrote its books when it was written how the composition was dictated or inspired what its message really means in what language it was written what is its assumed historical reference how and why these particular books were selected out of hundreds to become the Bible and other subsidiary questions by the score that comes within the proverbial mile of the actual truth concerning this mysterious document that for centuries has held the minds of millions under the prodigious obsession of its inviolable sanctity The grim and sober truth must now be stated that all general ideas about this volume disseminated among the masses by the priests of the religions and never corrected by them are totally grossly tragically false to fact     **The Lost Light: An Interpretation of Ancient Scriptures** Alvin Boyd Kuhn, 2021-11-09T22:55:00Z Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre extant as Egyptian mythology He also proposed that the Bible was symbolic and did not depict real events and argued that the leaders of the church started to misinterpret the bible at the end of the third century These controversial ideas outside of mainstream history and theology are rejected by most pre eminent scholars but many including Tom Harpur and John G Jackson were influenced by the works of Kuhn Harpur even dedicated his best selling 2004 book *The Pagan Christ* to Kuhn calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century who towers above all others of recent memory in intellect and his understanding of the world's religions     [Mormon Hermeneutics](#) Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any

interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics     **The Christian Science Journal** ,1909     **The Glorious Resurrection** Hilton Hotema,1998 1960 Chapter Headings Symbolism Ancient Science Crucified Saviors Great Mother of the Gods Mysterious Resurrection Birth of Gods Light Two Bodies in One Ancient Terminology Mystic Sleep Life Cycle Swindle of Mythography Unknown     **The Pagan Christ** Tom Harpur,2009-05-26 A provocative argument for a mystical rather than historical understanding of Jesus leading to a radical rebirth of Christianity in our time For forty years scholar and religious commentator Tom Harpur has challenged church orthodoxy and guided thousands of readers on subjects as controversial as the true nature of Christ and life after death Now in his most radical and groundbreaking work Harpur digs deep into the origins of Christianity At a time of religious extremism Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced His message is clear Our blind faith in literalism is killing Christianity Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become The Pagan Christ is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion     *The Mystery of Sex* Elizabeth Keyes,1975 What causes men and women to have almost opposite concepts of the word love Why do men feel superior to women Why do women find it easier to use intuition than logic Why can men fight shake hands and forget it but women who fight never forget it Why the importance given virginity in women but not in men Why have women revolted against their natural role of motherhood Why homosexuality Are we missing greater experiences by confining sex to a physical level These and other questions are answered in this book from sources of ancient and modern wisdom gathered by the author over many years of study and research Sex is one of the most dominating subjects of our time It is substituted for love it is used with love and without love People are confused about it Some do not know which sex they are It is the most misunderstood misused and commercialized force in our culture Polarity exists on every level and is essential to the creation of all life An understanding of this principle brings harmony out of conflict cooperation instead of competition     **Sundial** Laurel Elizabeth Keyes,1981
