Guy de Maupassant

The Lost Pearl Little Parables:

Stories with Intent Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies
Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication

The Parables Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty

Extremely Entertaining Short Stories Stacy AUMONIER, 2012-09-30 Short Stories of World War 1 and the 1920s some funny some poignant by the author whom John Galsworthy rated one of the best short story writers of all time

The Open Shelf , 1895 *AN EXPOSITION OF THE PARABLES* Benjamin Keach, 2023-12-23 Originally written in 1701 this classic work has seen several reprinted versions in the nineteenth century and beyond In this volume Benjamin Keach introduces each parable as a sermon with lessons that help the reader find application Keach s thorough familiarity with Scripture shines in every page of this study as he compares epistle messages and Old Testament commands with the lessons of each parable providing the reader wide and deep access to scriptural study surrounding the parables
