The Lost Son Jagdish Arora, 2023-10-21 Paula stared out of the window her gaze fixed on nothing in particular The sun dipped below the horizon casting a warm orange glow over the quiet neighbourhood Five years had passed since the day her world had shattered into a million pieces and yet the ache in her heart was as raw as ever James had been just a little boy of eight his laughter filling the air like a melody He was her golden haired boy full of life and boundless energy She could still remember the sound of his laughter the way his small hand felt in hers as they walked to the park But then in the blink of an eye he was gone

and the struggle to build yourself up from a past some wish to forget So that you can show the world what has been lost all this time *God's Next of Kin* Edwin Majone, 2016-04-05 Did God create Adam and Eve to be His next of kin His first son and daughter and thus His closest relatives If so what happened to that intended relationship when they sinned and were separated from God Author Edwin Majone believes God was left with no next of kin since the entire human race inherited their sinfulness Who then is God's next of kin It cannot be Jesus the author states because He is God In the beginning was the Word and the Word was with God and the Word was God John 1:1 NKJV God's Next of Kin investigates this mystery and the importance it has to seven redemptive Hebrew names of God As you solve the mystery with God's Next of Kin it will help you to grow spiritually and will broaden your biblical worldview **Discipleship Boot Camp for the Kingdom of God ,**

THE LOST BOOKS OF THE BIBLE DR. PAUL CRAWFORD, 2025-10-01 Rediscovering the Forgotten Voice of Faith Through these pages we have walked among the echoes of ancient wisdom texts once read by prophets apostles and early believers who longed to understand the mysteries of God The so called Lost Books of the Bible are not lost to time but to tradition They reveal a larger world of devotion prophecy and revelation that deepens our understanding of Scripture's unfolding story Each book whether the Book of Enoch Wisdom of Solomon Sirach Judith or Bel and the Dragon testifies to the same eternal truth that God's Spirit is never bound by the limits of men or the walls of religion His revelation continues through ages through voices humble and holy through those who sought righteousness even when the world turned away The Light That Cannot Be Hidden Though these writings were excluded from some biblical canons they preserve a light that refuses to die Their message stands in harmony with the Law the Prophets and the Gospel reminding us that divine truth transcends human classification In them we find warnings to the proud comfort to the humble and wisdom for every generation We see that the same God who spoke through Moses Isaiah and Paul also stirred the hearts of Enoch Tobit and the Maccabees The Word of God is living and active and every faithful word whether preserved in Hebrew Greek Aramaic or Ethiopian points back to Him who is the Word made flesh A Message for the Modern Believer In an age of confusion and division these forgotten writings call us back to holiness repentance and faith They remind us like Manasseh's prayer that no one is beyond forgiveness They teach through Judith's courage that faith can topple empires They reveal through Wisdom and Sirach that true understanding begins with the fear of the Lord They affirm through the Apocalypses that God's justice will prevail and His kingdom will have no end The world changes but the cry of the righteous remains the same Teach us O Lord to walk in Your ways and to know Your truth The Word That Endures Forever The so called lost books are a mirror of the divine plan though hidden they were never destroyed Though silenced they were never forgotten They remain as witnesses of God's unbroken communication with mankind proof that His truth endures from generation to generation These writings urge every reader to seek God earnestly to test all things by His Spirit and to treasure the wisdom that leads to eternal life For those who listen they are not lost books at all but found treasures of divine revelation Final Reflection The

journey through these ancient texts reminds us that faith is larger than any canon and that God's revelation cannot be contained within the limits of ink and parchment. The same God who spoke to Adam in Eden to Enoch in visions to Moses on Sinai and to John on Patmos still speaks today through His Word through His Spirit and through every heart that seeks Him. To rediscover these writings is to rediscover a piece of ourselves, a reminder that the story of God and humanity is still being written, one soul at a time.

Key Lesson: Nothing that belongs to God is ever truly lost. Truth may be buried but it cannot die. Every hidden word will rise again in the light of the One who said, "Heaven and earth will pass away, but My words will never pass away." (Matthew 24:35)
