South Pass Ambush:

Absaroka Ambush William W. Johnstone, 2016-05-31 Preacher brings his own brand of justice to a gang of grifters in this classic Western from the New York Times bestselling author of *Blood on the Divide* The Price of Gold A wagon train winding through the remote reaches of the Rocky Mountain high country can attract plenty of scavengers some of them human like Vic Bedell and his gang of cutthroats All he wants is the women who can be traded for gold mine supplies or used for whatever else he has in mind But he didn't count on Preacher leading that train The Color of Blood Bedell's first mistake is leaving the First Mountain Man for dead His second mistake is underestimating Preacher's strength and cunning And Preacher needs all he can get to lead a hundred and fifty helpless ladies out of captivity through fifteen hundred miles of unforgiving territory filled with hostile Indians and the deadliest threat of all Bedell and his wild avengers Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on *Eyes of Eagles* There's plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier *Curled Up with a Good Book* on *Dead Before Sundown* *Don't Tell* Morgan Nash, 2024-04-30 *Don't Tell* weaves the gripping tale of Jonathan Carter a young soldier grappling with his sexuality amidst the harsh realities of the Don't Ask Don't Tell policy and the unforgiving operational tempo of the 75th Ranger Battalion at the beginning of the War on Terror At 21 Jonathan carries not just the weight of his uniform but also the burden of a secret that could alter his world hidden love for Nelson a fellow soldier who embodies the freedom and acceptance Jonathan yearns for When Lieutenant Hesse a 27 year old West Point graduate is assigned to Jonathan's platoon their lives intertwine in unforeseen ways Hesse's leadership style pushes Jonathan to confront his fears and responsibilities both on the battlefield and in the depths of his own heart leading to a bond that neither of them could have predicted Set against the backdrop of the Afghanistan and Iraq wars *Don't Tell* is a poignant exploration of love duty and the courage it takes to be true to oneself Jonathan's journey is a battle on multiple fronts against a visible enemy and the invisible wars waged within As he grapples with the complexities of brotherhood loyalty and the yearning for acceptance Jonathan realizes that the toughest battles are fought in the silence of one's own soul With Nelson's friendship and Hesse's unexpected camaraderie Jonathan faces the ultimate test of valor embracing his true self amidst the chaos of war *Don't Tell* is a story of sacrifice the power of love and the quest for truth in a world that demands conformity It's a testament to the bravery required to fight on the front lines and battle the inner conflicts that define us **Mexico and the Spanish Conquest** Ross Hassig, 2014-08-04 What role did indigenous peoples play in the Spanish conquest of Mexico Ross Hassig explores this question in *Mexico and the Spanish Conquest* by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire the culture and politics of Mesoamerica and the military dynamics of both sides He analyzes the weapons tactics and strategies employed by both the Indians and the Spaniards and concludes that the conquest was less

a Spanish victory than it was a victory of Indians over other Indians which the Spaniards were able to exploit to their own advantage In this second edition of his classic work Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cortés Moteuczoma and other key figures He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies

Convoy Ambush Case Studies Richard E. Killblane, 2014-08-15 When the enemy adopts a policy to attack convoys truck drivers become front line troops Convoy commanders must then become tacticians How to study war The student of tactics studies previous fights and mentally places himself in the position of the participants Knowing what they knew how would he have reacted In hindsight what was the best course of action remembering that there is no one perfect solution Any number of actions would have succeeded The tactician must learn what would have worked best for him For this reason I have pulled together all the examples of convoy ambushes The 20th century Vietnam War and current war in Iraq provide a wealth of examples of convoy ambushes from which to study Unfortunately the US Army did not record many good accounts of ambushes during the

Vietnam War Much of what is presented in this text is based upon oral interviews of the participants sometimes backed by official record citations or reports For this reason some of the ambush case studies present only the perspective of a crew member of a gun truck or the convoy commander Since this academic study works best when one mentally takes the place of one of the participants this view of the ambush serves a useful purpose After my own review of the ambushes I have drawn my own conclusion as to what principles apply to convoy ambushes

The Elemental Staff S.L.H. Tolley, 2020-03-26 The Trigod Empire has succeeded in its invasion of the Far Western Province Caught by surprise the forces of the land have been thrown into disarray The passes of the divide have been reached and blockaded While the empire builds up its strength word of the invasion spreads The forces of the land are slowly gathering strength as the garrisons of the passes are reinforced Across forts and battlements the soldiers of the land and those of the empire regard one another Yet the objective isn't to secure one province The divide won't be the empire's eastern border Plans have been laid preparations are underway The Elemental Staff Book Two Courage and Sacrifice Evolved The courage these men display goes beyond simple gallantry in the face of overwhelming odds it's deeper nobler There'll be no songs sung about them their names won't be remembered or revered by any outside their own families They know that here they stand and here they'll die
