Statistical Reference Index, 1994 **The American Dream and the Public Schools** Jennifer L. Hochschild, Nathan Scovronick, Nathan B. Scovronick, 2004-10-21 Examines desegregation school funding testing vouchers bilingual education multicultural education and ability grouping These seem to be separate problems but much of the contention over them comes down to the same thing an apparent conflict between policies designed to promote each student's ability to pursue success and those designed to insure the good of all students or the nation as a whole The authors show how policies to promote individual success too often benefit only those already privileged by race or class The book also examines issues such as creationism and afrocentrism **Schools and Society** Jeanne H. Ballantine, Joan Z. Spade, 2008 Presents the most recent theories research terms concepts ideas and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today *Monthly Catalog of United States Government Publications*, 1997 *International Handbook of Giftedness and Talent* K. A. Heller, F. J. Mönks, R. Subotnik, Robert J. Sternberg, 2000-12-18 The first edition of this popular reference work was published in 1993 and received critical acclaim for its achievement in bringing together international perspectives on research and development in giftedness and talent Scholars welcomed it as the first comprehensive volume in the field and it has proved to be an indispensable resource to researchers Since the first edition the scholarly field of giftedness and talent studies has expanded and developed welcoming contributions from researchers in related disciplines Several theoretical frameworks outlined in the first edition have now been empirically tested and a number of new trends have emerged The Second Edition of the International Handbook of Giftedness and Talent provides an invaluable research tool to academics researchers and students interested in the field of giftedness and talent The contributors are renowned in the field and the broad range of topics on giftedness that have been studied in the past century right up to the late 1990s are represented in this volume It is truly international in scope bringing together leading scholars and teachers from all around the world This new edition has been fully updated and rewritten and includes 22 completely new chapters It provides a comprehensive review and critical synthesis of significant theory a unique cross national perspective with contributions from over 100 distinguished authors covering 24 nations significant contributions from scholars working in related fields an increased focus on empirically supported scholarship and is arranged for quick and easy reference with comprehensive subject and author indexes *Monthly Catalogue, United States Public Documents*, 1994 **Resources in Education**, 1997 *Facilitating Educational Success For Migrant Farmworker Students in the U.S.* Patricia Perez, Maria Zarate, 2017-02-10 Grounded in empirical research this timely volume examines the challenges to academic success that migrant farmworker students face in the U S Providing an original framework for

academic success among migrant farmworker students and applying a diverse range of methodological approaches chapter authors address a range of topics including English Language Learner development support for educators who work with migrant farmworker students promotion of migrant family involvement and college access This book provides pragmatic strategies and interventions and considers practical and policy implications to increase migrant student academic achievement and support migrant farmworker students and families

Expect Miracles Peter Cookson, 2018-10-08 Cookson and Berger provide a thoughtful summary and insightful critique of the charter school movement *Expect Miracles* explodes the myth that the charter schools operating in an educational marketplace will recast public education to better serve America's children and promote democratic civic values Anyone interested in the future of U S school reform should read this book Alex Molnar professor and director Education Policy Studies Laboratory Arizona State University and author of *Giving Kids the Business* By far the best book yet to appear on the charter school movement Written with scholarship insight clarity compassion and fire Bruce J Biddle professor emeritus of the University of Missouri and co author of *The Manufactured Crisis* Beautifully written analysis of the charter school movement in terms of its past and present political and educational dynamics as well as where it might go Henry M Levin director of the National Center for the Study of Privatization in Education Teachers College Columbia University Charter schools are the most significant educational experiment in the last two decades In *Expect Miracles* Peter W Cookson Jr and Kristina Berger focus on the current trend toward deregulation in public education The issue of deregulation is of critical importance because the spirit of entrepreneurship that is behind deregulation is seldom examined from a sociological perspective Using the latest research as the basis for discussion this book provides a fresh look at the growing and politically volatile charter school movement The authors present the most balanced analysis to date of the movement that is changing the landscape of American education
