Business Policy Lawrence R. Jauch,1990 *Text and Cases* Toby Williams,2014-11-07 Strategic management involves
formulation and implementation of the major goals and initiatives taken by a company s top management on behalf of owners
based on consideration of resources and an assessment of the internal and external environments in which the organization
competes Strategic management provides overall direction to the enterprise and involves specifying the organization s
objectives developing policies and plans designed to achieve these objectives and then allocating resources to implement the
plans Academics and practicing managers have developed numerous models and frameworks to assist in strategic decision
making in the context of complex environments and competitive dynamics Strategic management is not static in nature the
models often include a feedback loop to monitor execution and inform the next round of planning Table of Contents
