Harvey, David G. Benner, 1996-09-01 This practical book helps pastors and counselors present God's grace in healing and forgiveness issues even when the one being counseled has built a wall around his or her heart out of bitterness or pain *Negotiating a Presence-Centred Christian Counselling* Simon Shui-Man Kwan, 2016-04-26 How Christian is Christian counselling In what ways should one's counselling practice be conducted in order to fulfil one's role as a Christian counsellor Is there a counselling practice that truly penetrates into the secular approaches while remaining faithful to the Christian traditions of healing What are the theological roots of secular counselling How may secular counselling both reinforce and challenge the Christian faith In answering these questions this book engages readers to navigate between two frames of reference one Eastern secular social scientific and modern the other Western Christian theological and traditional At levels of both theory and practice this book undertakes to integrate synthesize hybridize revise dichotomize and antagonize the two It proposes a revised presence centred counselling approach which may serve as a perspective that helps us to see things in more depth as we shuttle back and forth between the two

frames This book thus negotiates a revised presence centred form of counselling that is theologically grounded social scientifically informed and cross culturally sensitive As the author s counselling practice proceeds mainly in societies where Chinese is the majority the cross cultural examinations and proposals offered in this book have been bred in a space where Chinese culture meets the Christian Protestantism in particular West This book is an outgrowth of the author s experience teaching Christian counselling courses for 17 years and his 30 year clinical practice experience in places where East meets West namely Hong Kong and South China Guangdong Province

Children Tuntufye Anangisye Mwenisongole, Elia Shabani Mligo, 2018-04-27 The existence of orphans is as inevitable to most African cities and the world as it is death These orphans are caused by the death of one or both parents due to various reasons including the scourge of HIV and AIDS Being orphans most of them are vulnerable to difficult lives because they have nobody to fend for them and take care of their lives They lack adequate food living expenses school fees and care since their current guardians are also in adverse economic situations In such situations orphans end up living a life of hopelessness and trauma which makes them deeply remember their dead parents and the care they received from them before death Following the vulnerable situation of most orphans this book through a study done in the Tanzanian context challenges churches to extend their counseling and caring ministries to Orphans and Vulnerable Children OVC It purports that the use of narrative approach is the most effective way to enter into the world of vulnerable children in order to provide pastoral

counseling to them This approach helps pastoral counselors to use life stories proverbs biblical narratives plays arts songs riddles poems symbols and images as healing and coping mechanisms for OVC Therefore this book is helpful not only to churches and their ministry to orphans and vulnerable children but also to those who care for orphans in their homes Moreover it will be helpful to children who live in adverse conditions worldwide to find ways to cope with their situations through the stories of children used inside this book

The Pastor's Library Robert A. Yost,2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Counseling and Community Rod Wilson,2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that encompasses all aspects of a person's life where the community becomes a helper in the counseling process The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual When this is the case we will be able to appreciate the biblical emphasis on the people of God While he prizes a relationship with individuals God's heart is with a body a fellowship a community Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada He is also the author of *Exploring Your Anger and Helping Angry People*

Overcoming the Blues Ryan Noel Fraser,2019-09-03 Nobody is immune to depression not even the most faithful and dedicated Christians Finding the strength to effectively cope with ongoing

depression in one's life may seem like an insurmountable personal and faith challenge for many followers of Jesus. You may feel like you're useless, unworthy of joy, and a complete spiritual failure. While a number of books have been written on depression from a psychological perspective, *Overcoming the Blues* addresses spiritual concerns to provide hope and comfort for the faithful. As a counseling professor, minister, and licensed clinical pastoral therapist, Dr. Ryan Noel Fraser has recognized the ubiquity of depression among believers as well as the overwhelming need for capable caregivers within the church. His revolutionary how-to guide offers practical guidance and holistic methods to relieve the distressing symptoms of depression in three Christ-centered ways: 1. Recognize God's abiding presence; 2. Reach out to others; 2 Corinthians 1:3-5; 3. Respect your limitations. This book seeks to motivate, mentor, and mobilize sufferers of depression in the church to see that serving is so much more than merely a short-lived distraction from your own suffering; it can be a powerful and restorative antidote, a transformative way of life that facilitates healing and hope.

The Speed Method, Awareness in Four Steps Barbara Marchica, 2022-10-17. The author presents a theoretical/practical training manual with effective tools for everyone, especially counselors, to improve their spiritual growth. The Speed Method, integrating Lonergan's theory with the practice of counseling, becomes a concrete opportunity in view of a new spiritual springtime for the Church and human care.

Love Is Something You Do John R. Bisagno, 2010-02. More than a feeling, Moonlight and roses have a way of turning into dishpans and diapers. Our society and the media have been telling us that love is just a feeling. The reality is that it is so much more. In light of God's grace, this book is your guide to discovering that Love Is Something You Do. This 35th Anniversary Edition of *Love Is Something You Do* has been revised and expanded with 12 new chapters. You will discover how to fall in love with your spouse again, God's plan for sex between husband and wife, getting the most out of your marriage, what to do after the affair, the incompatibility myth. *Love Is Something You Do* will change the face of marriage in America. This book should be in every library and tucked away in the heart of every marriage.

Dr. Tim Clinton, President, American Association of Christian Counselors: Martin Luther said, "A man can become more like Christ in a marriage than in a monastery." How true! Marriage chisels us in the image of Jesus with every decision of faithfulness and commitment. This book will help to shape you and your spouse. Let Dr. Bisagno speak from the heart of a faithful husband and effective pastor to guide your marriage to be all that God desires.

Pastor Gregg Matte, Pastor Houston's First Baptist Church: Once again, John Bisagno has captured the heart and imagination of his readers. In this clear, concise writing, John makes a case for love as a verb. *Love Is Something You Do* stimulates the heart, motivates the mind, and saturates the soul with helpful, holy hints.

Ralph Douglas West, Pastor, The Church Without Walls: I had the joy of being under John Bisagno's leadership for 25 years as he served as pastor of our church in Houston. I love and respect him and value the love of his life so much.

Biblical Counsel, 1993 **Biblical Counseling for Today** Jeffrey Watson, 2000-10-17. In his preface to this challenging book, Jeff Watson describes biblical counseling as a noble adjective married to a nervous noun. Believers are wise

to be skeptical of much that is done in the name of counseling in secular settings Even under the umbrella of Christian counseling one has heard horror stories of cases where God s Word has been misused But Jeff Watson makes a strong case in this volume for the legitimacy of marrying biblical and counseling Christian counselors says Watson need to cultivate three fundamental skills in their patients How to tell their stories How to choose their goals wisely and How to practice changes in their lives Watson helps counselors achieve these goals by drawing on the interactions of Christ the commands of Scripture and the actions of the apostles and prophets Thus he marries counseling and biblical principles To those of us who are called on to counsel on any level Charles Swindoll says This book will become an invaluable tool for you I urge you to let it become your manual for proper counseling

The Second Commandment Joey R. Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God s plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man s rejection of his creator Rather God s simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity
