Jones,John P. De Cecco,2000 *A Sea of Stories* is a collection of personal narratives that explores homosexuality in U S history and how this shaped literature Some of the story topics you will explore include sex and sin in the South selling gay literature before Stonewall stories of queer youth growing up gay in India two grooms and much more **Tongzhi** Edmond J Coleman,Wah-Shan Chou,2013-09-05 *Tongzhi Politics of Same Sex Eroticism in Chinese Societies* examines Chinese societies where the family kinship system rather than sexuality is taken as the basis of an individual s identity With *Tongzhi* you will

come to understand the variations of same sex erotica in different Chinese societies Examining past and present treatment of the subject including instances of discrimination against homosexuals Tongzhi explores same sex eroticism in China Hong Kong and Taiwan and explains the variations of categories and experiences of tongzhi in these countries Just what is Tongzhi Tongzhi is the most popular contemporary Chinese word for lesbians bisexuals and gay people The word which has very positive historical references was a Chinese translation from the Soviet communist term comrade It was appropriated by a Hong Kong gay activist in 1989 for the first Lesbian and Gay Film Festival in Hong Kong by its organizers who wanted to employ an indigenous representation of same sex eroticism The term homosexual was inappropriate because of its use as a medical term denoting sickness and pathology Within a few years tongzhi became a widely used term in Hong Kong and Taiwan and is often used interchangeably with the English term gay But terms such as gay lesbian and queer are Anglo Saxon in origin with specific histories that cannot capture the indigenous features of Chinese same sex relationships Tongzhi implies and includes much more S Mers transvestites and other fetishists who are members of the Chinese sexual counterculture who may be quite heterosexual are also tongzhi And the term has meaning beyond the sexual it embodies a strong sentiment for integrating the sexual legitimizing same sex love the political sharing the goals of fighting heterosexism and the cultural reappropriating their Chinese identity Tongzhi brings you fascinating insight into the history of same sex eroticism in China coming out in Chinese society how colonialism has affected sexual nonconformists in this region racial and sexual dynamics in Colonial Hong Kong the cultural politics of being a tomboy girl in modern Hong Kong queering the mainstream with tongzhi identity politics sexual cultural diversities and differences among contemporary Chinese societies and much more Tongzhi shows how culture influences identity and demonstrates how you can develop relevant strategies for successful activist movements Discussing political movements for gay lesbian bisexual rights and the societal implications of same sex eroticism this intelligent book provides you with a clear understanding of the attitudes toward and meanings of being tongzhi today
