

STRATEGIC WAR TERMINATION

edited by
Stephen J. Cimbala

Strategic War Termination

Dr Christopher Tuck

Strategic War Termination:

Conflict Termination And Military Strategy Stephen J. Cimbala, 2019-04-10 Although considerable attention has been paid to deterrence theory and crisis management the equally important topic of ending wars has been virtually ignored Conflict termination is the stepchild of U S strategy for a number of reasons Thinking about how wars should end presupposes acceptance of the fact that war especially nuclear war is possible Further analyzing options for ending conflicts implies less than total victory a concept that not only runs counter to the U S approach to warfare but also raises the specter of limited war an approach that fell into disfavor following Korea and Vietnam Finally defining conflict termination objectives assumes that we think more about ends than means that we know what is important to us and why and thus understand the risks we will accept to defend specific interests and objectives The contributors examine a wide variety of topics ranging from Soviet and U S views on conflict termination to past present and future U S military service contributions Their aim is to demonstrate the importance of careful evaluation of conflict termination goals during peacetime because when war begins passions and emotions will cloud decisionmaking *Confrontation, Strategy and War Termination* Christopher Tuck, 2016-05-23 At the heart of this book is the problem of war termination Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s yet it proved difficult to translate this into strategic success Using conflict termination theories this book argues that British strategy during Confrontation was both exemplary and flawed both of which need not be mutually exclusive The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts The value of this book lies in two areas as a contribution to the literature on British counter insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought **Strategic War Termination** Stephen J. Cimbala, 1986-11-18 The first book to analyze strategic war termination from a policy perspective Strategic War Termination explores present US policy on termination and recommends strategies for improving it Taking into account the impact of new weapons technologies adversaries expectations and counter command attacks this unique work examines methods for deterrence of global protracted and nuclear wars as well as the conduct and termination of them Timely and provocative Strategic War Termination explains what policy is and should be on this pressing subject *Beyond Guns and Steel* Dominic J. Caraccilo, 2011-01-19 This work is a doctrinal examination of war termination strategy and conflict resolution as a dependent pair requiring a plan to achieve both in unison in advance of a fight The necessity of a plan for conflict resolution should be intuitively obvious for policymakers yet a survey of recent conflicts including Afghanistan and Iraq shows that not to be the case Beyond Guns and Steel A War Termination Strategy provides a practical approach to establishing a plan for war termination and conflict resolution before the bullets fly In explaining the difference between strategy and policy Colonel Dominic J Caraccilo clarifies the most important and often the most constraining element of a nation s power its resources He

posits that termination strategy and conflict resolution are interdependent and need to be included in conflict plans from the outset Caraccilo's book fills a void in current strategy for the development of long term plans that bring conflicts to timely and acceptable conclusions providing a methodology that allows interagency requirements and resources for war termination to be defined allocated and employed effectively

Confrontation, Strategy and War Termination Dr Christopher Tuck, 2013-03-28 At the heart of this book is the problem of war termination Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s yet it proved difficult to translate this into strategic success Using conflict termination theories this book argues that British strategy during Confrontation was both exemplary and flawed both of which need not be mutually exclusive The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts The value of this book lies in two areas as a contribution to the literature on British counter insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought

Strategic War Termination Stephen J. Cimbala, 1986-11-18 The first book to analyze strategic war termination from a policy perspective Strategic War Termination explores present US policy on termination and recommends strategies for improving it Taking into account the impact of new weapons technologies adversaries expectations and counter command attacks this unique work examines methods for deterrence of global protracted and nuclear wars as well as the conduct and termination of them Timely and provocative Strategic War Termination explains what policy is and should be on this pressing subject

A Strategy For Terminating A Nuclear War Clark C Abt, 2021-11-28 Avoiding a nuclear war or ending one if avoidance fails is an important but relatively unexplored aspect of nuclear doctrine Dr Abt examines the feasibility of antagonists agreeing to exclude their open cities from nuclear targeting and to replace strategic bombardment with retaliatory invasion to create less of a hair 1 trigger deterrent Critical net assessments by U S strategists and the effects of such a strategy on the Soviet Union and on U S allies are considered along with problems implementation might pose The author contends that both deterrence and the potential for limiting damage are strengthened by pre war plans for a nuclear ceasefire and stalemate short of holocaust

Essays on Strategy John N. Petrie, 1996-06 Spans a broad horizon of strategic topics the use of sanctions the relationship with the U N and the more subtle changes and responsibilities facing our Operational Commanders Contents failed U S China Policy America's Asia Policy U S Post Cold War Policy U S Security in the 21st Century Deficits Restructuring the Military Planning for War Termination Planning for CNN Wars expanding our vision of jointness military theory and peace operations the U S dilemma in peace operations and change and the operation commander

Naval Strategy and National Security Steven E. Miller, Stephen Van Evera, 2014-07-14 These essays from the journal International Security cover aspects of past and present naval technologies and explore current disputes over American naval doctrine Four of the contributions those by Linton Brooks John Mearsheimer Barry Posen and Joshua Epstein describe the case for and against the Reagan

administration's controversial Maritime Strategy which has formed the basis for the administration's buildup to a six hundred ship navy Other articles describe Soviet naval doctrine assess the risk of nuclear war at sea and outline the evolution of major naval technologies and doctrines Part I Naval Strategy Planning a Navy The Risks of Conventional Wisdom R James Woolsey Naval Power and National Security The Case for the Maritime Strategy Linton F Brooks A Strategic Miscalculation The Maritime Strategy and Deterrence in Europe John J Mearsheimer Horizontal Escalation Sour Notes of a Recurrent Theme Joshua M Epstein Naval Power and Soviet Global Strategy Michael McGwire Part II Naval Technology Technology and the Evolution of Naval Warfare Karl Lautenschlager Will Strategic Submarines Be Vulnerable Richard L Garwin The Submarine in Naval Warfare 1901-2001 Karl Lautenschlager Stopping the Sea Based Counterforce Threat Harold A Feiveson and John Duffield Part III Naval Operations Controlling the Risks Nuclear War at Sea Desmond Ball Inadvertent Nuclear War Escalation and NATO's Northern Flank Barry R Posen A Quiet Success for Arms Control Preventing Incidents at Sea Sean M Lynn Jones Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Strategic Logic and Political Rationality

Bradford A. Lee, Karl F. Walling, 2004-08-02 One of three volumes in honour of the teaching and scholarship of the late Michael I Handel this book details the universal logic of strategy and the ability of liberal democratic governments to address this logic rationally Treating war as an extension of politics the diverse contributors drawn from the United States the United Kingdom Australia and Israel explore the difficulties in matching strategy to policy especially in free societies

Why America Loses Wars Donald Stoker, 2022-05-26 How can you achieve victory in war if you don't have a clear idea of your political aims and a vision of what victory means In this provocative challenge to US political aims and strategy Donald Stoker argues that America endures endless wars because its leaders no longer know how to think about war particularly wars fought for limited aims taking the nation to war without understanding what they want or valuing victory and thus the ending of the war He reveals how flawed ideas on so called limited war and war in general evolved against the backdrop of American conflicts in Korea Vietnam Iraq and Afghanistan These ideas he shows undermined America's ability to understand wage and win its wars and to secure peace Now fully updated to incorporate the American withdrawal from Afghanistan Why America Loses Wars dismantles seventy years of misguided thinking and lays the foundations for a new approach to the wars of tomorrow

War, Strategy and Intelligence Michael I. Handel, 2012-11-12 Investigating the logic conduct and nature of war on the highest political and strategic levels these essays put less emphasis on operational and tactical aspects They look at the impact of technology on warfare the political nature of war and the limits of rational analysis in studying war

Nuclear Strategy in the Twenty-First Century Stephen J. Cimbala, 2000-05-30 The future of nuclear weapons and nuclear strategy in the 21st century is not entirely predictable from the Cold War past Nor is it easy to foresee on the basis of what has happened since the Soviet Union collapsed in 1991 Cimbala contends that nuclear weapons and the psychology of nuclear deterrence will remain important after 2000 but the character of that importance will change No longer will nuclear weapons be the dominators of military technology Instead advanced technology conventional weapons based on information and electronics will supplant nuclear weapons as the instruments of military supremacy in the 21st century What Cimbala asks can be expected of nuclear weapons in the 21st century given what we have learned from previous experience in the Cold War and in the 1990s Cimbala expects that nuclear weapons will spread among currently non nuclear states and states with regional grievances or hegemonic aspirations will seek to deploy small nuclear forces as deterrents against neighbors or against outside intervention by the United States in regional conflicts Regional rogue states may also obtain nuclear weapons Nonetheless as Cimbala explains the international balance of power is unlikely to change As he makes clear power will be less dependent on deployed military platforms and more dependent on information warfare A thoughtful and provocative analysis that will be of particular interest to policy makers scholars and other researchers involved with arms control security studies and international relations

The New Nuclear Disorder Stephen J. Cimbala, 2016-02-17 In the twenty first century the United States confronts an international system of great complexity and shifting security challenges Among these challenges are those posed by nuclear weapons Instead of becoming obsolete or being marginalized by the end of the Cold War and the demise of the Soviet Union nuclear weapons have become more important to present and future international stability and peace but the relationship is paradoxical On one hand the spread of nuclear weapons to additional states with unsettled grievances or hegemonic ambitions threatens to destabilize local balances of power and set off regional arms races In addition the possible acquisition by terrorists of nuclear weapons or fissile materials creates a threat that may be beyond deterrence according to hitherto accepted concepts On the other hand nuclear weapons in the hands of other states can contribute to stable deterrence and help to prevent nuclear proliferation to international miscreants Certain cases loom large in the short run that highlight this book s relevance including the possible acquisition and deployment of nuclear weapons by Iran and the continuing tensions created by North Korea s nuclear arsenal The Obama pivot of national security and defense emphasis to Asia reflects not only the growing economic importance of that region but also the growing number of security dilemmas in a region that is already awash in nuclear forces The management of nuclear crises and even the possible need to terminate nuclear wars before they expand beyond a single region are among the possible challenges facing future U S and allied policy makers and military leaders

Nuclear Deterrence in a Multipolar World Stephen J Cimbala, 2017-07-05 The view that America and Russia have burned their candles on security cooperation with respect to nuclear weapons is simply mistaken This timely study identifies twelve themes or issue areas that must be addressed by the United States and Russia if

they are to provide shared successful leadership in the management of nuclear world order Designed as supplementary reading in upper division and graduate courses in national security policy defense and nuclear arms control it is also suitable for courses taught at military staff and command colleges and or war colleges *Ending War* Chiara De Franco, Anders Engberg-Pedersen, Martin Mennecke, 2021-11-29 *Ending War* A Dialogue across Disciplines examines how wars end from a multidisciplinary perspective and includes enquiries into the politics of war the laws of war and the military and intellectual history of war In recent years the changes in the character of contemporary warfare have created uncertainties across different disciplines about how to identify and conceptualise the end of war A whole constellation of questions arises from such uncertainties How do philosophers define ethical responsibilities in bello and post bellum if the boundary between war and peace is ever so blurred How do strategists define their objectives if the teleology of action becomes uncertain How do historians bracket the known endings of war and delve into the arguments that preceded them Which answers can international law provide for the ending of wars and which challenges remain or have recently arisen This volume addresses these questions and enables both an understanding of how the end as a concept informs the understanding of war in international relations in international law and in history as well as a reconsideration of the nature of scientific method in the field of war studies as such The chapters in this book were originally published as a special issue of *The Journal of Strategic Studies* Parameters, 1993 **Deterrence under Uncertainty:** Edward Geist, 2023-10-10 For decades films such as *WarGames* and *The Terminator* have warned that the combination of artificial intelligence and nuclear weapons might be a recipe for an apocalypse Might these prophecies of doom become reality in coming decades Using insights from computer science *Deterrence under Uncertainty Artificial Intelligence and Nuclear Warfare* evaluates how AI could make nuclear war winnable and whether that possibility is likely Detailed chapters explain how the landscape of nuclear deterrence is changing and debunks the myths of machine intelligence and nuclear weapons This book gives a practitioner's perspective on how artificial intelligence and other emerging technologies could change the role of nuclear weapons in international relations

Arms for Uncertainty Stephen J. Cimbala, 2016-04-08 Nuclear weapons are here to stay They have survived into the twenty first century as instruments of influence for the US Russia and other major military powers But unlike the Cold War era future nuclear forces will be developed and deployed within a digital driven world of enhanced conventional weapons As such established nuclear powers will have smaller numbers of nuclear weapons for the purpose of deterrence working in parallel with smarter conventional weapons and elite military personnel The challenge is to agree proportional reductions in nuclear inventories or abstinence requiring an effective nonproliferation regime to contain aspiring or threshold nuclear weapons states This is the most comprehensive view of nuclear weapons policy and strategy currently available The author's division of the nuclear issue into the three ages is a never seen before analytical construct With President Obama reelected the reduction and even elimination of nuclear weapons will now rise to the top of the agenda once more Moreover given the

likelihood of reductions in US defense spending the subject of the triad which is covered in Chapter One will no doubt be an important subject of debate as will the issue of missile defense covered in Chapter 10 This book provides an excellent analysis of the spread of nuclear weapons in Asia and the Middle East and the potential dangers of a North Korean or Iranian breakout subjects that dominate current policy debates **Independent Management and Financial Review** DIANE Publishing Company, This report represents the Independent Management Financial Review of the Yucca Mountain Project which is part of the Department of Energy s Office of Civilian Radioactive Waste Management Program The goal of the program is to site the nation s first geologic repository for the permanent disposal of high level nuclear waste generated by the nuclear power industry a smaller quantity of Government radioactive waste This report focuses exclusively on the Yucca Mountain Project in Nevada Tables figures

Whispering the Secrets of Language: An Psychological Journey through **Strategic War Termination**

In a digitally-driven world wherever displays reign supreme and immediate communication drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within phrases frequently go unheard. Yet, nestled within the pages of **Strategic War Termination** a charming literary treasure blinking with raw emotions, lies an extraordinary quest waiting to be undertaken. Penned by an experienced wordsmith, this wonderful opus attracts readers on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the material of every word. Within the emotional depths of the emotional evaluation, we shall embark upon a honest exploration of the book is core themes, dissect their captivating writing model, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.

Strategic War Termination Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strategic War Termination has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strategic War Termination has opened up a world of possibilities. Downloading Strategic War Termination provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strategic War Termination has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strategic War Termination. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strategic War Termination. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strategic War Termination, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strategic War Termination has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Strategic War Termination Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Strategic War Termination is one of the best book in our library for free trial. We provide copy of Strategic War Termination in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Strategic War Termination. Where to download Strategic War Termination online for free? Are you looking for Strategic War Termination PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Strategic War Termination. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Strategic War Termination are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for

lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Strategic War Termination. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Strategic War Termination To get started finding Strategic War Termination, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Strategic War Termination So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Strategic War Termination. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Strategic War Termination, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Strategic War Termination is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Strategic War Termination is universally compatible with any devices to read.
