Barnes,2012-12-17 This pioneering new study of the Black megachurch phenomenon brings nuance and depth to the question Are Black megachurches more focused on prosperity than on people Black megachurches and their pastors are often accused of failing to use their considerable resources to help the poor focusing on prosperity theology rather than on social justice requiring excessive monetary and time commitments of members and pilfering church coffers for the their personal use The debate rages on about whether these congregations are doing all they can to address specific challenges facing African American communities *Live Long and Prosper* is a refreshing innovative study that reaches beyond superficial understandings of the Black megachurch phenomenon in a piercing
