 time spent with God can help face tough issues every day *The Way, the Truth, and the Life: The Way* Rev. Charles
 Thomas Comella,2016-10-14 The earliest Christian church was called The Way It was called this because Jesus Christ s
 advent life death and resurrection did not focus upon theology as such or doctrines as such or upon achieving warm fuzzy
 feelings as such Jesus s teachings and life were all focused upon a way of life A way of life focused upon a relationship with
 God and a way of life focused upon our relationships with our fellow men and women Jesus shined a spotlight on how we are
 to live yearly weekly daily act by act step by step decision by decision under the watchful eyes of a gracious loving God who
 knows us and calls us by name Even Jesus s death and resurrection were pointers revealing the way the way of the journey
 we will all take one day This small book is called The Way because it focuses as Jesus did upon the how tos needed to cope
 with an increasingly irreligious if not anti Christian culture How do I deal with fear How do I deal with my guilt How do I
 From my observation and experience these are the questions in the mind of the man or woman in the pew There are ways
 There is a way They were pioneered for us by Jesus He and his way is The Way **Strategic Warfare in Bed** Taiwo
 Olusegun Ayeni,2015-08-14 Why is your bed strategic Because the place where you sleep is a site of divine renewal or
 Satanic regression You could be either made or marred on your bed Lying on your bed in the solemnity of day or serenity of
 night you can initiate maintain and sustain fruitful thinking that will change your life Great thoughts of glorious happenings
 could be inspired on your bed as you thoughtfully guard your hearts in deep search for divine mysteries Strategic Warfare in
 Bed encourages you to watch how you go to bed Do not allow the enemy to take control of your mind A bad night will

produce a grumpy and agitated morning and the cycle continues Operate in wisdom and win the fight for the possession of your mind on your bed Angry People () Warren W. Wiersbe,2001-10-01 What do Moses King David the prophet Jonah and Jesus Christ have in common According to Scripture they all experienced anger Some experienced righteous anger for others their anger was sinful In this book Warren Wiersbe uncovers some surprising insights about anger an emotion everyone deals with regularly Using Scripture as his springboard he examines anger in all its forms showing how it worked for good or bad in the lives of some of the Bible s most notorious and righteous people As they learn about Elisha Uzziah and others who felt the fire of anger readers will gain a new understanding of how to control this force and use it the way God intended **Angry People** was previously published in 1987 as **Angry People Understanding and Overcoming Anger** **Satan's Strategy to Curse Christ's Congregation** Keith A. Sherlin,2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem A Christian's First Steps, Or "I've Been Saved, Now What?" do I David Scot Curtiss *Evangelization and christian development* Akinbowale Adewumi,2020-01-11 Evangelism is personal witnessing advocacy or public preaching and zealous spreading of the Gospel for the purpose of winning souls Mark 16 15 20 Furthermore evangelism is just a subset of evangelization It connotes continuous discipleship or disciple making where saved persons are taught and incorporated into the life of the church or Christian community in order to reproduce more saints Matthew 28 19 20 He also explains that a nexus exists between Evangelization and Christian Development in which the latter has its root in the former and integrally stems from it The ultimate essence and gamut of evangelization is the continuous healthy growth of its human organ which is the church The intent is to prevent spiritual decay and preserve the moral rectitude of the militant church up until her transition into the glorious triumphant church The book will make a good read for church workers leaders missionaries seminarians and young converts 1 and 2 Thessalonians Verse by Verse Grant R. Osborne,2018-06-13 When we overlook Paul s letters to the Thessalonians we miss out Paul s letters to the church in Thessalonica are often considered two of the less important of his letters but they were written to a very important city with very important issues In addition to addressing the issue of Christ s return and the problem of people who refused to work these letters model a truly loving relationship between a pastor and a congregation In 1 2 Thessalonians Verse by Verse respected New Testament scholar Grant R Osborne shows us that in a world that centered on the divinity of the emperor and the demands to participate in the worship of the gods the Thessalonians desperately needed to be given resources that would help them withstand the pressure to conform These letters provide us with a thrilling example of affection among believers in extremely hard times and help us see how that affection can make severe trials bearable The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture
