Strategies For Closing The Learning Gap:

Strategies for Closing the Learning Gap Mike Hughes, Andy Vass, 2001-08-01 The practical companion to the highly successful *Closing the Learning Gap* **Strategies for Closing the Learning Gap** Mike Hughes, 2004 **Closing the Learning Gap** Mike Hughes, 1999 **The Educator's Handbook for Understanding and Closing Achievement Gaps** Joseph Murphy, 2010 Beginning with a remarkably comprehensive and accessible analysis of the gap s causes the book offers a refreshingly balanced evidence based state of the art outline of productive solutions that should inform the work of all educational stakeholders Ken Leithwood Professor OISE University of Toronto No one is better positioned than Joseph Murphy to provide lessons for education leaders on this important topic Andrew Porter George and Diane Weiss Professor of Education University of Pennsylvania For too long the achievement gap has been proclaimed discussed and then dismissed as a subject of despair Seldom has it been systematically defined placed in historical perspective or positively addressed Through thorough scholarship comprehensive knowledge and creativity this book fills that void James W Guthrie Patricia and Rodes Hart Professor of Educational Leadership and Public Policy Vanderbilt University While offering no simple pathway to progress this book reminds us how much more we can do to close achievement gaps Michael S Knapp Director Center for the Study of Teaching Policy University of Washington Distinguished researcher Joseph F Murphy has gathered and analyzed the most up to date research and data to help headteachers understand what the achievement gap is why it persists and what teachers can do about it This comprehensive handbook Examines external factors that contribute to achievement gaps such as socioeconomic status family environment racism and individual differences Covers internal factors such as instruction school culture and school support Provides strategies for addressing both internal and external factors to make an impact

Close the Achievement Gap Brian M. Pete, Robin J. Fogarty, 2005-01-01 The idea that the person doing the talking is the person doing the learning seems counter intuitive Yet that is exactly the case When students put their thoughts into words they internalize the learning As they dialogue with peers articulate their ideas and express themselves their oral language skills translate directly into written language skills Explore six strategies that address the challenges of the achievement gap 1 Set High Expectations Get Kids Emotionally Involved 2 Challenges Students to Think Teach Higher Order Thinking 3 Require Rigor Require Complete Sentences Standard English Formal Register 4 Leave Nothing to Chance Revisit Review Re teach Revise 5 Make No Excuses Encourage At Risk Participation 6 Insist on Results Emphasize Reading

Making Pupil Data Powerful Maggie Pringle, Tony Cobb, 1999-03-01 Ways of using pupil performance data to enhance teaching and learning **50 Ways to Close the Achievement Gap** Carolyn J. Downey, 2009 Outlines research based strategies for developing high performing schools and fostering educational equity for all students *Closing the Educational Achievement Gap for Students With Learning Disabilities* Nyemba, Florence, Chitiyo, Rufaro Audrey, 2023-10-04 Recently there has been a growing demand for diversity and inclusion in schools worldwide to ensure effective learning for

every student Efforts have been made to support teachers in promoting diversity in classrooms but research shows that students with learning disabilities LD including autism spectrum disorder neurodevelopmental disabilities dyslexia and executive dysfunction still struggle to keep up despite having individualized education programs IEPs These students are not receiving the necessary support they need to learn effectively in the classroom leaving them behind and often completely unprepared for their futures When intersectional statistics are taken into account students who have a learning disability and are among minority ethnic groups have even lower rates of earning a diploma than their counterparts Changes in the educational system must be made to close this learning chasm and create a more equitable learning environment Closing the Educational Achievement Gap for Students With Learning Disabilities increases awareness of the issue of inequalities in education for students with learning disabilities through improved training programs for teachers recommendations for policy changes and development of new strategies to close the gap between these students and their classmates The goal of this book is to educate and empower educators researchers and policymakers on how they can help students with learning disabilities thrive academically and emotionally It examines the barriers that prevent teachers from effectively providing instruction to these students This book covers topics such as achievement gaps student centered approaches and culturally responsive teaching and is ideal for educators professionals researchers special education professionals speech and occupational therapists disability service providers intervention strategists psychologists parents and local communities
