Our Multicultural Heritage, 1788-1945 National Library of Australia, 1995      *Gothic incest* Jenny DiPlacidi, 2018-02-24  
This electronic version has been made available under a Creative Commons BY NC ND open access license The first full length study of incest in the Gothic genre this book argues that Gothic writers resisted the power structures of their society through incestuous desires It provides interdisciplinary readings of incest within father daughter sibling mother son cousin and uncle niece relationships in texts by authors including Emily Bront Eliza Parsons Ann Radcliffe and Eleanor Sleath The analyses underpinned by historical literary and cultural contexts reveal that the incest thematic allowed writers to explore a range of related sexual social and legal concerns Through representations of incest Gothic writers modelled alternative agencies sexualities and family structures that remain relevant today      **De-constructing Dahl** Laura Viñas Valle, 2016-01-14 This is the first single authored monograph on Roald Dahl since 1994 Remarkably in spite of Dahl s commercial success and the divided opinions he generates very little scholarly work on the author has been produced In the light of sociocultural constructivist theory De constructing Dahl focuses on the critical context texts and paratexts that make up the packaging of Dahl It offers the first thorough overview of the criticism and the language employed to discuss Dahl since the 1970s the difficulties that using such language entails and how it still permeates current criticism It delves into the relationship between Dahl s children s and adult fiction by drawing comparisons and contrasts and exploring the common traits and patterns that bring his whole work together It also examines how Dahl constructed himself as a children s writer how his publishing house and allies contribute to mediating and sustaining the Dahl public persona the ways that marketing strategies are responsible for the identity of his books and how editorial decisions about the age range and therefore how the classification of a manuscript as a book for children or for adults constructs particular ideas of what children s literature is and what is considered appropriate or unsuitable for children to read      *Strauss to Matilda* Karl Bittman, 1988      A History of Displaced Knowledge: Austrian Refugees from National Socialism in Australia Philipp Strobl, 2025-04-07 This book follows ideas and knowledge that migrated in the cultural baggage of Austrian refugees who fled to Australia in 1938 and 1939 because of National Socialism By telling and comparing the stories of twenty six different lives it highlights the processes of acquisition transportation translation and adaption of ideas knowledge and cultural capital This provides a unique and colourful insight into the impact of a group of refugees on their host society over several decades As the book shows there were many different ways in which displaced people relied upon their social and cultural capital to first escape their oppressive homeland and then build new lives Once they had arrived in Australia they used very different approaches to negotiate and promote their knowledge and to exercise agency      **Transcript of the Enrollment Books** New York (N.Y.). **The Opera Manual** Nicholas Ivor Martin,2013-10-30 You are getting ready for a performance of Donizetti's *L'elisir d'amore* and you have a few questions How many clarinets are in the orchestra How many orchestra members appear onstage How many different sets are there How long does the opera typically run What are the key arias Are any special effects or ballet choreography required Who owns the rights Where was it premiered What are the leading and supporting roles The Opera Manual is the only single source for the answers to these and other important questions It is the ultimate companion for opera lovers professionals scholars and teachers featuring comprehensive information about and plot summaries for more than 550 operas including every opera that is likely to be performed today from standard to rediscovered contemporary works The book is invaluable especially for opera professionals who will find everything they need for choosing and staging operas But it is also a treasure for listeners Similar reference books commonly skip over scenes and supporting characters in their plot summaries lacking even the most basic facts about staging orchestral and vocal requirements The Opera Manual based on the actual scores of the works discussed is the only exhaustive up to date opera companion a recipe book that will enable its readers to explore those operas they know and discover new ones to sample and enjoy *Index to Marriages and Deaths in the New York Herald: 1871-1876*,1987 **The Changing Contract across Generations** Vern L. Bengtson,W.

Andrew Achenbaum,2024-11-01 Generational conflict has attracted considerable attention in the media and within academic circles during the past decade At the center of this collection of papers analyzing various facets of that conflict lie complex issues of generational equity issues that will remain important for the framing of public policy during the 1990s What do the young and the middle aged owe the elderly In discharging that debt to what extent are they able to provide for their own old age in a climate of changing notions of welfare What light do the longer perspectives of history shed on these issues What role do kinship gender and economic status play The papers commissioned by Bengtson and Achenbaum are intended to give greater analytic rigor to current debates The volume is interdisciplinary not only by theoretical intent but by the practical imperatives of gerontology More than a dozen sociologists economists historians demographers and policy analysts discuss

the meanings and ambiguities that are inherent in terms such as generation equity compact contract and conflict in order to assess how relations between the age groups seem to vary from one sociohistorical context to the next This distinguished group of contributors raises comparative issues throughout assessing variations in generational ties by gender race class and geographic location Several project the extent to which recent changes in the political economy public philosophy and demographic structure of most modern societies presage greater conflicts or greater consensus in family members relationships and social ties
