Strawberry Fields Notecards:

Hidden New York Marci Reaven, Steve Zeitlin, 2006-10-05 Despite its innumerable tourist attractions New York City still has many secrets hidden in the most unlikely places There is the Edison Hotel in Times Square where magicians gather round the Magic Table to socialize and compete There is Hua Mei Garden in the Lower East Side where elderly Chinese men meet to display exotic birds And there is Sahadi's in Brooklyn where the culinary arts thrive and New Yorkers go for just the right ingredients for a Middle Eastern meal This book details thirty two unusual locations such as these and enhances them by including a cluster of additional related spots Hidden New York shows you why these places matter and guides you through the historical and cultural significance of each one Many of them matter because of the opportunities they provide for socializing such as the Empire Roller Disco in Brooklyn that attracts a community of skaters and the Cube sculpture on Astor Place which is a meeting spot for homeless youth Others matter because they are focal points for communities and the spaces are intertwined with how people share in each others lives Still others have been lost like the house under the roller coaster in Coney Island made famous by Woody Allen in Annie Hall This book is not just about Manhattan but covers all five boroughs in New York City It is an invitation to visit revisit learn and enjoy all that you didn't know the city has to offer It will show you what's there what used to be there and why it will be there for years to come The chapters illustrated with appealing black and white photos include first person remembrances and commentaries from New Yorkers themselves Each entry functions as a small travel essay evoking how certain destinations are experienced As a guide to the New York City that is less traveled this unique book shows that some of the best places to visit are ones that you never even thought existed The 32 Places That Matter Hua Mei Bird Garden Russian and Turkish Tenth Street Baths Bohemian Hall and Beer Garden The Magic Table at the Edison Hotel The General Society of Mechanics and Tradesman Webster Hall The Cube Stickball Boulevard and the Stadiums of the Street Thomas Jefferson Park Pool Empire Roller Skating Center Chess Havens Coney Island The Lemon Ice King of Corona Coney Island Bialys and Bagels Sahadi's Specialty and Middle Eastern Foods Arthur Avenue Market Union Square Greenmarket The Village Vanguard Casa Amadeo Record Shop Richmond Barth's Frieze at Kingsborough Houses Quirky Features of the Landscape Art in the Subways Governors Island Casita Rincón Criollo Magnolia Tree Earth Center Liz Christy Bowery Houston Community Garden The Flower District Fishing around New York Kehila Kedosha Janina Synagogue and Museum Masjid Al Taqwa Ganesha Hindu Temple Our Lady of Mount Carmel Grotto The Memorials of the Battery Strawberry Fields **Solidfax**, 1996 **Off Broadway Musicals, 1910-2007** Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off

Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer

Cox,2017-07-03 For the Beatles 1967 marks a signal crossroads that would both transform the group s career and place them on a trajectory towards their eventual disbandment It was a year in which they exploded prevailing rock music demographics through the global onslaught and international success of Sgt Pepper s Lonely Hearts Club Band beginning in June 1967 Yet it was also a period that saw them in a precarious state of flux throughout the summer and fall months as the band attempted to recapture their artistic direction in the wake of Sgt Pepper and the untimely death of manager Brian Epstein The Beatles Sgt Pepper and the Summer of Love draws readers into that pivotal year in the life of the band For the Fab Four 1967 would see the band members part ways with psychedelia and the avant garde through the trials and tribulations of the Magical Mystery Tour a project that resulted in a series of classic recordings while at the same time revealing the bandmates aesthetic vulnerabilities and failings as would be filmmakers and auteurs
