

Street Kids

Nicholas Fyfe

Street Kids:

Street Kids Larry Cole,1970 **Street Kids** Kristina E. Gibson,2011-05-09 Street outreach workers comb public places such as parks vacant lots and abandoned waterfronts to search for young people who are living out in public spaces if not always in the public eye Street Kids opens a window to the largely hidden world of street youth drawing on their detailed and compelling narratives to give new insight into the experiences of youth homelessness and youth outreach Kristina Gibson argues that the enforcement of quality of life ordinances in New York City has spurred hyper mobility amongst the city s street youth population and has serious implications for social work with homeless youth Youth in motion have become socially invisible and marginalized from public spaces where social workers traditionally contact them jeopardizing their access to the already limited opportunities to escape street life The culmination of a multi year ethnographic investigation into the lives of street outreach workers and their kids on the streets of New York City Street Kids illustrates the critical role that public space regulations and policing play in shaping the experience of youth homelessness and the effectiveness of street outreach **Street Kids** Marlene Webber,1991-12-15 In cities across North America teenage runaways are struggling to stay alive Some don t make it to adulthood Some do but their lives rarely rise above the despair that brought them to the streets in the first place A few manage to beat the street to get their lives back on track In this disturbing account Marlene Webber draws on extensive interviews with these kids to explore the realities of street life its attraction and its consequences Street kids like to project an image of themselves as free wheeling rebels who relish life on the wild side All brashness and bombast they strut around inner cities panhandling posturing and prostituting themselves Labelled society s bad boys and girls they often live up to their image But as sixteen year old Eugene tells us the street forces bravado on homeless adolescents but underneath a lot of kids are plenty scared Eugene is only one of many street kids who talked to Webber in major cities across Canada She lets her subjects tell their own stories their voices are sometimes brave sometimes bitter often heartbreaking Webber cuts a comprehensible path through the tangle of forces including family breakdown and social service failure that accelerate the tragedy of Canada s runaways She suggests measures that might help more of them beat the streets **Protecting street children : vigilantes or the rule of law? , *RESCUED TO TELL: Diary of a Street Kid*** Sidney Pereira de Souza e Silva,2014-10-23 At 6 years old Sidney began working on the streets of Brazil to support his large family and alcoholic father He soon fled from his abusive home relocating to the third largest city in Brazil Belo Horizonte There Sidney found an entirely new world a world entirely run by children who learned the hard way how to survive By the time Sidney was 11 years old he was a drug addict thief and gang member He had learned every survival tactic the streets had to offer but he quickly discovered that his lifestyle was costing him a very high price At 11 years old Sidney discovered a once in a lifetime chance to leave the streets Little did he know the courage required to make that pivotal decision was only the beginning Now a young adult Sidney has traveled the world He has spread the gospel and made

disciples in every continent except Antarctica His story provides hope and purpose for countless street children helping them realize their divinely established destiny to change the world as we know it

Working with Children on the Streets of Brazil Walter de Oliveira (MD.),2000 How can teachers and social workers reach the endangered kids who seldom come to school By going to the streets where the children live work fight steal get sick sell their bodies and all too often die This impressive book offers a detailed history of the development of street social education a study of the aims methods and experie

School Kids/street Kids Nilda Flores-González,2002 Examines the statistics on the low percentage of Latinos graduating high school using the role identity theory to explain the stigmas surrounding the labels of school kid versus street kid

Access to Education of street children in Bangalore city Dr. Maria A, Dr Maria A MA M Phil Ph D I am thrilling to introduce myself as an emerging author eager to share my first research book with the world With a deep passion for understanding human behavior and societal dynamics I am excited to contribute to the field of sociology through this groundbreaking now My journey into the realm of sociology begun during my undergraduate years at St Joseph s College Bangalore where I was captivated by the power of social analysis and the profound impact it has on our lives Motivated by a desire to explore the intricacies of society I pursued a Bachelor s degree in Sociology EPS combination immersing myself in course that explored various Sociological theories and methodologies Inspired by my undergraduate studies I went on to pursue a Master s degree in Sociology at Bangalore University During this transformative phase of my academic journey I delved deeper into specialized areas within the field honing in lively discussions with fellow scholars I began to develop my own unique perspective and research interests Later I joined Madurai Kamaraj University to pursue my M Phil on Role of Media on Social Development of Dalits Eager to push the boundaries of sociological knowledge I embarked on a rigorous Ph D program at Jain University Deemed to be University Bengaluru I dedicated several years to conducting original research analyzing data exploring complex sociological concepts My doctoral thesis focused on a compelling research questions within the field shedding new light on the dynamics of social identity formation in multicultural societies Writing this research book is not only a culmination of years of academic study but also a testament to my unwavering commitment to advancing sociological knowledge I am deeply grateful for the support and guidance of mentors and colleagues who have enrich my intellectual journey With great enthusiasm I look forward to sharing my research and contributing to the vibrant and ever evolving field of sociology

Images of the Street Nicholas Fyfe,2006-05-11 Images of the Street captures the vitality excitements and tensions of the street Using examples from the U K India Australia and North America the contributors draw on research in cultural geography sociolgy cultural studies and planning to explore the making and meaning of urban space Among the themes examined are 1 the way streetscapes are shaped by interplay between politics planning and local political economy 2 social differences of individuals experiences of the street 3 how social identities are shaped and represented in fiction and film 4 the meaning and significance of streets as settings to play out social practices 5 how social life is regulated

on the street formerly by police and indirectly through architecture and urban design

Street Children and Homeless Youth Lewis Aptekar, Daniel Stoecklin, 2013-11-18 This book deals with street children who live in the developing world and homeless youth who are from the developed world They are referred to as children in street situations CSS to show that the problem is both in the children and in the situation they face The book examines several aspects of the children and their street situations including the families of origin and the homes they leave the children's social life and mental health Other aspects are the problems of published demographics the construction of public opinion about these children and the often violent reactions from authorities The book then discusses current research on children in street situations as well as programs and policies The book ends with recommendations about programs policies and research

Street Children and the Asphalt Life. 3V. V1- Selection and Enumeration of Street Children V2- Delinquent Street Children V3- Street Children and the Future Direction P. C Shukla (ed), 2005 Presents a comprehensive analysis of the problems of street children This title discusses their problems and solutions It is suitable for sociologists researchers policy makers child welfare agencies and those who are working for the empowerment of street children from www.alibris.com

Children and Hazardous Work in the Philippines Victoria Rialp, International Labour Office, 1993 This book considers the elimination of child labour which remains a grave problem in many areas despite early attempts at legislation by governments throughout the world The author demonstrates the historical change in emphasis taking place in the Philippines from intervention to direct action at local level The crucial roles of advocacy and community mobilization are both highlighted also

Urbanisation, Street Children, and Their Problems Nab Kishore Behura, Ramesh P. Mohanty, 2005 Street children can be considered as one of the by products of the urbanisation process in developing countries These children are to struggle very hard for their survival on the streets in very highly competitive environments otherwise they fall prey to the public or even to their own parents also Their childhood is seized they are abused and their labour is greatly exploited for the benefit of others In this book an attempt has been made to present a holistic profile of the street children of a growing urban city of Eastern India Especially the prime thrust of the book concentrates on the aspects like motive behind coming over to urban bases educational and occupational profile of their parents and their family size category and shelter of the street children educational and occupational pattern of the street children expenditure and savings occupational hazards use of earnings of these children by their parents nourishment and addictive behaviour health and hygiene educational choice and future perspectives attitudes of the public toward the street children etc Apart from all these the book also speaks about the pre and post independence legislations on these children UN's convention on rights of the child and National Plan of Action State Plan of Action welfare agencies working for the betterment of these children etc Contents Introduction Profile of Bhubaneswar City Family Milieu Socio Economic Profile of the Street Children Struggle for Survival The Problems of Street Children Legislation Welfare Programmes and the Street Children A Recipe for Development of Street Children Summary

and Conclusion All God's Children Rene Denfeld, 2007-01-30 James Daniel Nelson first hit the streets as a teenager in 1992. He joined a clutch of runaways and misfits who camped out together in a squat under a Portland bridge. Within a few months the group they called themselves a family was arrested for a string of violent murders. While Nelson sat in prison the society he had helped form grew into a national phenomenon. Street families spread to every city from New York to San Francisco and to many small towns in between, bringing violence with them. In 2003, almost eleven years after his original murder, Nelson now called Thantos got out of prison, returned to Portland, created a new street family, and killed once more. Twelve family members were arrested along with him. Rene Denfeld spent over a decade following the evolution of street family culture. She discovered that contrary to popular belief, the majority of these teenagers hail from loving middle class homes. Yet they have left those homes to form insular communities with cultish hierarchies, codes of behavior, languages, quasireligions, and harsh rules. She reveals the extremes to which desperate teenagers will go in their search for a sense of community and builds a persuasive and troubling case that street families have grown among us into a dark reversal of the American ideal. *LITERACY DRIVE AND REHABILITATION OF THE STREET CHILDREN OF KOLKATA: AN ANALYTICAL STUDY* Dr. Shabana Haydar, 2017-06-13 Street Children are the casualties of economic growth, war, poverty, loss of traditional values, domestic violence, physical and mental abuse. Every Street Child has a reason for being on the streets. While some children are lured by the promise of excitement and freedom, majority are pushed onto the street by desperation and realization that they have nowhere else to go. In many countries, Street Children are named after their main survival activities. What is obvious is that Street Children are poverty stricken and their needs and problems are a result of wanting to meet basic needs for survival. They go through the struggle of providing themselves with basic things such as food, shelter, health, and clothing. Providing targeted interventions that meet the needs of Street Children requires an understanding of who they are, what they need, what they do, and how they can be identified. Shukla P C, *Street Children and the asphalt life*, 2005.

Street Kids & Streetscapes Marjorie Mayers, 2001 This book illuminates how panhandling acts as the embodiment of the experiences of street life for kids as well as how the streetscape functions as the interface between street kids and the mainstream. *Soul Woundedness* Paul Houston Blankenship-Lai, 2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle's unhoused youth. *Soul Woundedness* is an intimate, piercing book about everyday life for young adults living on the streets of Seattle. Based on over five years of research and as a participant observer, Paul Houston Blankenship-Lai presents the personal experiences of street kids, highlighting how their spiritual beliefs and practices offer them comfort, a sense of community, and a feeling of belonging amidst their struggles. They also demonstrate how spirituality on the streets can alienate people from themselves and the world. The stories Blankenship-Lai tells here are about how social wounds go soul deep and how seemingly antireligious spiritual practices, fashioned in an almost unlivable local world, help people create a life still worth living. By paying deep, sustained attention to what spirituality is like on the streets and what

difference it makes Blankenship Lai uncovers an important overlooked dimension in the experience and study of homelessness They invite us to enter these stories and to question how our own spiritual and otherwise practices can help create a more loving love Aimed at a diverse audience *Soul Woundedness* is a book not merely to educate but to transform It is particularly relevant for those interested in spirituality's role in addressing social inequities and underscores the importance of spiritual practices in overcoming adversity and promoting social change making a compelling case for a world where everyone has a place to call home **Street Kids: Homeless Youth, Outreach, and Policing New York's Streets**

Kristina Gibson,2013 *Checkerboard Square* David Wagner,2019-08-22 During the past decade homelessness became a widespread phenomenon in the United States for the first time since the Great Depression The public frequently blamed the poor for their plight Journalistic and academic accounts in contrast often evoked pathos and pity regarding the homeless primarily as objects of treatment and rehabilitation David Wagner challenges both of these dominant images offering an ethnographic portrait of the poor that reveals their struggle not only to survive but also to create communities on the streets and to develop social movements on their own behalf Definitely not passive victims the homeless of Checkerboard Square survive within an alternative street culture with its own norms and social organization in a world often hidden from the view of researchers journalists and social workers Checkerboard Square reveals the daily struggle of street people to organize their lives in the face of rejection by employers government landlords and even their own families Looking beyond the well documented causes of homelessness such as lack of affordable housing or unemployment Wagner shows how the poor often become homeless through resistance to the discipline of the workplace authoritarian families and the bureaucratic social welfare system He explains why the crisis of homelessness is not only about the lack of services housing and jobs but a result of the very structure of the dominant institutions of work family and public social welfare *The Ruiz Street Kids / Los muchachos de la calle Ruiz* Diane Gonzales Bertrand,2006-01-01 Adventures of several children in a largely Hispanic but still diverse neighborhood

Street Kids Introduction

In today's digital age, the availability of Street Kids books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Street Kids books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Street Kids books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Street Kids versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Street Kids books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Street Kids books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Street Kids books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Street Kids books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability

to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Street Kids books and manuals for download and embark on your journey of knowledge?

FAQs About Street Kids Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Street Kids is one of the best book in our library for free trial. We provide copy of Street Kids in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Street Kids. Where to download Street Kids online for free? Are you looking for Street Kids PDF? This is definitely going to save you time and cash in something you should think about.
