Street Boy Returns:

The Soldier's Return Melvyn Bragg, 2011-11-21 Right from the start when the train carrying British soldier Sam Richardson home to Wigton after his service in the Burma campaign breaks down two miles from town and he and his army comrades have to walk home it is clear we are in the hands of a compassionate clear sighted writer Bragg's work has been compared to that of Hardy and D H Lawrence not without some justice His smalltown people are closely and warmly observed but without a shred of sentimentality and although this story is familiar a man home from a dehumanizing war finds it hard to readjust it has seldom been imbued with such rueful humanity For Sam England after WWII and after the sufferings he and his men endured in the frightful jungle campaigns is stuffy and limiting soon he starts dreaming of wider horizons His adored wife Ellen however is happily rooted in the little northern town where she grew up their small son Joe who has hardly known his father is bewitched but also terrified of him How the family works out its fate in the shabby postwar years is Bragg's story and he makes of it something at once endearing and heroic So many scenes the regimental reunion Joe's efforts to win friends among the tough town kids a final scene at a railway station as heartrending as the movie Brief Encounter linger in the mind The book is a small classic deeply touching and true Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **THE MERCILESS DUO**

Children in Street Situations Riccardo Lucchini,Daniel Stoecklin,2019-11-05

This book provides new insights on the lives of children in street situations by providing analyses from a qualitative perspective on the sociology of childhood. It proposes some insightful perspectives on the current discussion about the rights of children in street situations. It includes a unique selection of texts which were initially published in French written by the authors of this volume on the lives of children in street situations in Latin America and China that are now available to an English readership. It challenges obstacles linked to macrosocial issues such as inequalities, images of the child, the separation of public/private spheres, urban dynamics and structural adjustments as well as to microsocial dimensions such as identity, motivation and activities that are constitutive of street situations. The book discusses the situations experienced by children, highlighting children's reflexivity and strategies as social factors and shedding new light on the debate agency within structure.

Torn from the Homeland Czeslaw Plawski, 2011-04-25. In January of 1945 at the age of twenty Czeslaw Plawski fled from Communist control in his home town of Wilno, Poland. After fighting with the underground forces against the enemy in Poland for three years he endured a harrowing escape to Sweden. There he joined a secret organization and continued his battle against Communist forces. He saw service in West Germany where he joined the paratroopers of the United States Army. Czeslaw later returned to Sweden and after a period of three years eventually found his way to the United States where he made his permanent home. Czeslaw survived numerous torturous and life-threatening experiences in his search for freedom. This is the true depiction of his ordeal as well as that of his wife and her family. They along with thousands of others endured extreme hardships in their effort to escape persecution.
