Klockars,Sanja Kutnjak Ivkovich,M.R. Haberfeld,2007-04-27 How can we enhance police integrity The authors surveyed over 3000 police officers from 30 U S police departments on how they would respond to typical scenarios where integrity is challenged They studied three police agencies which scored highly on the integrity scale Charlotte Mecklenburg North Carolina Charleston South Carolina and St Petersburg Florida The authors conclude that enhancing

police integrity goes well beyond culling out bad apple police officers Police administrators should focus on four aspects  
organizational rulemaking detecting investigating and disciplining rule violations circumscribing the informal code of silence  
that prohibits police from reporting the misconduct of their colleagues and understanding the influence of public
