China in the 21st Century Jeffrey N. Wasserstrom, Maura Elizabeth Cunningham, 2018-03-12 In this fully revised and updated third edition of *China in the 21st Century What Everyone Needs to Know* Jeffrey N Wasserstrom and Maura Elizabeth Cunningham provide cogent answers to urgent questions regarding the world's newest superpower and offer a framework for understanding China's meteoric rise from developing country to superpower Framing their answers through the historical legacies Confucian thought Western and Japanese imperialism the Mao era and the Tiananmen Square massacre that largely define China's present day trajectory Wasserstrom and Cunningham introduce readers to the Chinese Communist Party the building boom in Shanghai and the environmental fallout of rapid Chinese industrialization They also explain unique aspects of Chinese culture such as the one child policy and provide insight into Chinese American relations a subject that has become increasingly fraught during the Trump era As Wasserstrom and Cunningham draw parallels between China and other industrialized nations during their periods of development in particular the United States during its rapid industrialization in the 19th century they also predict how we might expect China to act in the future vis vis the United States Russia India and its East Asian neighbors Updated to include perspectives on Hong Kong's shifting political status as well as an expanded discussion of President Xi Jinping's time in office *China in the 21st Century* provides a concise and insightful introduction to this significant global power

Sex and Sexuality in China Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China's changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists

Social Space and Governance in Urban China David Bray, 2005 The danwei workunit has been the fundamental social and spatial unit of urban China under socialism With particular focus on the link between spatial forms and social organization this book traces the origins and development of this critical institution up to the present day

China with a Cut Jeroen Kloet, 2025-10-01 In the wake of intense globalisation and commercialisation in the 1990s China

saw the emergence of a vibrant popular culture Drawing on sixteen years of research Jeroen de Kloet explores the popular music industry in Beijing Hong Kong and Shanghai providing a fascinating history of its emergence and extensive audience analysis while also exploring the effect of censorship on the music scene in China China with a Cut pays particular attention to the dakou culture so named after a cut nicked into the edge to render them unsellable these illegally imported Western CDs still play most of the tracks They also played a crucial role in the emergence of the new music and youth culture De Kloet s impressive study demonstrates how the young Chinese cope with the rapid economic and social changes in a period of intense globalisation and offers a unique insight into the socio cultural and political transformations of a rising global power Provides insight into the vibrant popular music scene of contemporary China in the context of globalisation and rapid economic and social change

China's New Creative Clusters Michael Keane,2013-03-01 Recognising that creativity is a major driving force in the post industrial economy the Chinese government has recently established a range of creative clusters industrial parks devoted to media industries and arts districts in order to promote the development of the creative industries This book examines these new creative clusters outlining their nature and purpose and assessing their effectiveness Drawing on case studies of a range of cluster models and comparing them with international examples the book demonstrates that creativity both in China and internationally is in fact a process of fitting new ideas to existing patterns models and formats It shows how large and exceptionally impressive creative clusters have been successfully established but raises the important questions of whether profit or culture is the driving force and of whether the bringing together of independent minded creative people entrepreneurial businessmen preferential policies and foreign investment may in time lead to unintended changes in social and political attitudes in China including a weakening of state bureaucratic power An important contribution to the existing literature on the subject this book will be of great interest to scholars of urban studies cultural geography cultural economics and Asian studies

Legal Reform and Administrative Detention Powers in China Sarah Biddulph,2007-12-20 Using a conceptual framework this 2007 book examines the processes of legal reform in post socialist countries such as China Drawing on Bourdieu s concept of the field the increasingly complex and contested processes of legal reform are analysed in relation to police powers The impact of China s post 1978 legal reforms on police powers is examined through a detailed analysis of three administrative detention powers detention for education of prostitutes coercive drug rehabilitation and re education through labour The debate surrounding the abolition in 1996 of detention for investigation also known as shelter and investigation is also considered Despite over 20 years of legal reform police powers remain poorly defined by law and subject to minimal legal constraint They continue to be seriously and systematically abused However there has been both systematic and occasionally dramatic reform of these powers This book considers the processes which have made these legal changes possible

Urbanization and Social Welfare in China Gordon G. Liu,2018-01-18 China s urban population growth rate has doubled in the past 20 years and the Chinese government has

made further urbanization a developmental priority How Chinese cities cope with such rapid population increases has become a question of critical concern This book provides an analysis of the welfare implications of China's urbanization the development of the labour market including migration between rural and urban sectors and natural and social environmental issues arising from urbanization The book covers both academic and policy perspectives and together with its sister volume *Urban Transformation in China* brings together a comprehensive and multi disciplinary overview of China's urbanization

Global China: Internal And External Reaches Bryan Pak Nung Wong, Joseph Yu-shek Cheng, 2015-03-26 After two decades since the disintegration of Soviet Union in 1991 the largest and the most populist socialist state the People's Republic of China does not only manage to stay intact but has also emerged as the second largest economy in the world Moreover its political diplomatic military and cultural reaches have been extended to various parts of the world There have been many factual and fictional discussions and debates in the public domains on China's apparent rise either as a threat or an opportunity This book will take on these discussions and debates to provide theory informed empirical studies regarding a few research questions We consider that the idea and concept of Global China is perhaps the most viable analytical instrument to capture such increasingly complex phenomena in association with the rise of China Nationalism, Democracy and National Integration in China Leong H. Liew, Shaoguang Wang, 2012-11-12 This book examines the changing role of nationalism in China in the light of the immense political and economic changes there during the 1990s It analyses recent debates between the nationalists New Left and liberals in China and examines the roles played by state sponsored and populist nationalism in China's foreign relations with the West in general and the USA in particular The issues of Taiwanese nationalism and Tibet and Xinjiang separatism are discussed with a focus on the questions of the impact of globalisation on national integration or fragmentation and the relationship between democracy and national integration should democracy precede national integration or could democracy be realised only after national integration or are democracy and national integration mutually exclusive objectives The book also examines the roles played by the People's Liberation Army and fiscal system in China in promoting Chinese nationalism and national integration *New Mentalities of Government in China* David Bray, Elaine Jeffreys, 2016-01-13 China continues to transform apace flowing from the forces of deregulation privatization and globalization unleashed by economic reforms which began in late 1978 The dramatic scope of economic change in China is often counterposed to the apparent lack of political change as demonstrated by continued Chinese Communist Party CCP rule However the ongoing dominance of the CCP belies the fact that much has also changed in relation to practices of government including how authorities and citizens interact in the management of daily life *New Mentalities of Government in China* examines how the privatization and professionalization of public service provision is transforming the nature of government and everyday life in the People's Republic of China PRC The book addresses key theoretical questions on the nature of government in China and documents the emergence of a range of new mentalities of government in China

Its chapters focus on areas such as clinical trials conceptualizing government consumer activity elite philanthropy lifestyle and beauty advice public health social work volunteering and urban and rural planning Offering a topical examination of shifting modes of governance in contemporary China this book will appeal to scholars in the fields of anthropology history politics and sociology

Working in China Ching Kwan Lee, 2006-10-03 After a quarter of a century of market reform China has become the workshop of the world and the leading growth engine of the global economy Its immense labour force accounts for some twenty nine per cent of the world's total labour pool but all too little is known about Chinese labour beyond the image of workers toiling under appalling sweatshop conditions for extremely low wages Working in China introduces the lived experiences of labour in a wide range of occupations and work settings The chapters of this book cover professional employees such as engineers and lawyers service workers such as bar hostesses domestic maids and hotel workers and industrial workers in a variety of factories The mosaic of human faces organizational dynamics and workers voices presented in the book reflect the complexity of changes and challenges taking place in the Chinese workplace today Based on extraordinary and thorough field research this book will have a wide readership at undergraduate level and beyond appealing to students and scholars from a myriad of disciplines including Chinese studies labour studies sociology and political economy

Routledge Handbook of Revolutionary China Alan Baumler, 2019-08-12 The Routledge Handbook of Revolutionary China covers the evolution of Chinese society from the roots of the Republic of China in the early 1900s until the end of the Cultural Revolution in 1976 The chapters in this volume explain aspects of the process of revolution and how people adapted to the demands of the revolutionary situation Exploring changes in political leadership as well as transformation in culture it compares the differences in experiences in urban and rural areas and contrasts rapid changes such as the war with Japan and Communist liberation with evolutionary developments such as the gradual redefinition of public space Taking a comprehensive approach the themes covered include War occupation and liberation Religion and gender Education cities and travel This is an essential resource for students and scholars of Modern China Republican China Revolutionary China and Chinese Politics Chapter 20 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4.0 license

"Useless to the State" Zvia Lipkin, 2020-03-17 In 1911 Joseph Bailie a professor at Nanjing University often took his Chinese students to tour Nanjing's shantytowns One student the son of a district magistrate followed Bailie from hut to hut one rainy day and was grateful that Bailie opened his eyes to the poverty in his own city However twenty years later when M R Schafer another Nanjing University professor showed his students a film that included his own photographs of the poor quarters of Nanjing his students were so upset that they demanded his expulsion from China Zvia Lipkin explores the reasons for these starkly different reactions Nanjing in the 1910s was a quiet city compared to 1930s Nanjing which was by that time the national capital Nanjing had become a symbol of national authority aiming not only to become a model of

modernization for the rest of China but also to surpass Paris London and Washington Underlying all of Nanjing s policies was a concern for the capital s image and looks offensive people were allowed to exist as long as they remained invisible Lipkin exposes both the process of social engineering and the ways in which the suppressed reacted to their abuse Like Professor Schafer s movie this book puts the poor at the center of the picture defying efforts to make them invisible

Urbanization Luca N. Wagner,2008 Urbanization refers to a process in which an increasing proportion of an entire population lives in cities and the suburbs of cities Historically it has been closely connected with industrialization When more and more inanimate sources of energy were used to enhance human productivity industrialization surpluses increased in both agriculture and industry Larger and larger proportions of a population could live in cities Economic forces were such that cities became the ideal places to locate factories and their workers This new book presents recent and significant research from around the globe

Law, Policy, and Practice on China's Periphery Pitman B. Potter,2010-09-13 This book examines the Chinese government s policies and practices for relations with the Inner Periphery areas of Tibet Xinjiang and Inner Mongolia and the Outer Periphery areas of Hong Kong and Taiwan focusing on themes of political authority socio cultural relations and economic development China s history may be seen as one of managing the geographic periphery surrounding China proper Successive imperial republican and communist governments have struggled to maintain sovereignty over the regions surrounding the great river valleys of China The importance of the periphery is no less real today concerns over national security access to natural resources and long held concerns about relations between Han and other ethnic groups continue to dominate Chinese law policy and practice regarding governance in the Inner Periphery regions of Inner Mongolia Xinjiang and Tibet In the Outer Periphery Beijing sees engagement with the outside world particularly the West as inextricably tied to Chinese sovereignty over former foreign colonies of Hong Kong and Taiwan Using the case study of national integration to indicate how policies are articulated and implemented through law and political legal institutions this book will be of interest to students and scholars of the peripheral regions It will also appeal to academic and policy communities interested in legal reform in China

China's Child Contracts Bao-Er,2007 *Collecting the Revolution* Emily R. Williams,2022-03-08 In the late 1960s student protests broke out throughout much of the world and while Britain s anti Vietnam protestors and China s Red Guards were clearly radically different these movements at times shared inspirations aspirations and aesthetics Within Western popular media Mao s China was portrayed as a danger to world peace but at the same time for some on the counter cultural left the Cultural Revolution 1966 1976 contained ideas worthy of exploration Moreover because of Britain s continued colonial possession of Hong Kong Britain had a specific interest in ongoing events in China and information was highly sought after Thus the objects that China exported propaganda posters paintings Mao badges periodicals ceramics etc became a crucial avenue through which China was known at this time and interest in them crossed the political divide Collecting the Revolution uses the objects that the Chinese government sent

abroad and that visitors brought back with them to open up the stories of diplomats journalists activists students and others and how they imagined engaged with and later remembered Mao's China through its objects It chronicles the story of how these objects were later incorporated into the collections of some of Britain's most prominent museums thus allowing later generations to continue to engage with one of the most controversial and important periods of China's recent history

Media, Identity, and Struggle in Twenty-First-Century China Rachel Murphy, Vanessa L. Fong, 2013-09-13 How are different groups of people such as sex workers migrant workers rural cadres and homosexuals represented in China's media How accurately do representations created by the media reflect the lived experiences of Chinese people Do Chinese people accept the representations and messages disseminated by the media Can they use the media to portray their own interests How are media practices in China changing Have new technologies and increased access to international media opened up new spaces for struggle in China The essays in this volume address these questions by using a combination of ethnography and textual analysis and by exploring representation in and usage of a range of media including instant messaging the internet television films magazines and newspapers The essays highlight highlights the richness diversity and sometimes contradictory tendencies of the meanings and consequences of media representations in China The volume cautions against approaches that take the representations created by the media in China at face value and against oversimplified assumptions about the motivations and agency of players in the complex struggles that occur between the media the Chinese state and Chinese citizens
