Streets Of Death:

Beyond the Yellow Tape: Life & Death on the Streets of Dc Curtis E Mozie, 2012-01-19 Curtis Mozie known on the streets as C Webb is without a doubt a leader in Washington DC He spends every waking moment trying to prevent gangs and gun violence on the streets of DC With the creation of Tale of the Tape Foundation Curtis produces films that document the lives and death of 65 of his friends murdered by gun violence He has been a catalyst for positive change for over twenty years earning the trust of both police officers and gang members having been a police officer himself its incredible that gangs have allowed him to intimately explore their violent and brutal world His video camera captures their day to day lives playing basketball and also their candidness in interviews at his apartment which is known as the Safe House a place where at risk youth come to be mentored on life skills and to have someone hear their problems and concerns When one of them gets killed or injured in gang violence Curtis is there to mourn the lost with family members He then creates a montage of their lives and deaths in a video tribute lessons learned Curtis without a doubt is a unique individual a community hero for DC Mothers and Fathers Hes appeared on numerous news media outlets across the world His message is an unfaltering dedication and commitment to making the streets of DC safer for everyone He now works at the Kennedy Recreation Center for the Department of Parks Recreation working with youth and serving the community

The Death and Life of Main Street Miles Orvell, 2012-10-01 For more than a century the term Main Street has conjured up nostalgic images of American small town life Representations exist all around us from fiction and film to the architecture of shopping malls and Disneyland All the while the nation has become increasingly diverse exposing tensions within this ideal In The Death and Life of Main Street Miles Orvell wrestles with the mythic allure of the small town in all its forms illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity especially in times of crisis Orvell underscores the fact that Main Street was never what it seemed it has always been much more complex than it appears as he shows in his discussions of figures like Sinclair Lewis Willa Cather Frank Capra Thornton Wilder Margaret Bourke White and Walker Evans He argues that translating the overly tidy cultural metaphor into real spaces as has been done in recent decades especially in the new urbanist planned communities of Elizabeth Plater Zyberk and Andres Duany actually diminishes the communitarian ideals at the center of this nostalgic construct Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small town ideology and life

Streets and the Shaping of Towns and Cities Michael Southworth,Eran Ben-Joseph,2013-04-22 The topic of streets and street design is of compelling interest today as public officials developers and community activists seek to reshape urban patterns to achieve more sustainable forms of growth and development Streets and the Shaping of Towns and Cities traces ideas about street design and layout back to the early industrial era in London suburbs and then on through their institutionalization in housing and transportation planning in the United States It critiques the situation we are in and suggests some ways out that are less rigidly controlled more flexible and responsive to local conditions Originally published in 1997 this edition includes a new introduction that addresses topics of current interest including revised standards from the Institute of Transportation Engineers changes in city plans and development standards following New Urbanist Smart Growth and sustainability principles traffic calming and ecologically oriented street design **An Antiquarian Ramble in the streets of London; with anecdotes of their more celebrated residents ... Edited by C. Mackay** John Thomas Smith,1849 **Daily Life during the Black Death** Joseph P. Byrne,2006-08-30 Daily life during the Black Death was anything but normal When plague hit a community every aspect of life was turned upside down from relations within families to its social political and economic structure Theaters emptied graveyards filled and the streets were ruled by the terrible corpse bearers whose wagons of death rumbled day and night Daily life during the Black Death was anything but normal During the three and a half centuries that constituted the Second Pandemic of Bubonic Plague from 1348 to 1722 Europeans were regularly assaulted by epidemics that mowed them down like a reaper s scythe When plague hit a community every aspect of life was turned upside down from relations within families to its social political and economic structure Theaters emptied graveyards filled and the streets were ruled by terrible corpse bearers whose wagons of death rumbled night and day Plague time elicited the most heroic and inhuman behavior imaginable And yet Western Civilization survived to undergo the Renaissance Reformation Scientific Revolution and early Enlightenment In Daily Life during the Black Death Joseph Byrne opens with an outline of the course of the Second Pandemic the causes and nature of bubonic plague and the recent revisionist view of what the Black Death really was He presents the phenomenon of plague thematically by focusing on the places people lived and worked and confronted their horrors the home the church and cemetery the village the pest houses the streets and roads He leads readers to the medical school classroom where the false theories of plague were taught through the careers of doctors who futilely treated victims to the council chambers of city hall where civic leaders agonized over ways to prevent and then treat the pestilence He discusses the medicines prayers literature special clothing art burial practices and crime that plague spawned Byrne draws vivid examples from across both Europe and the period and presents

the words of witnesses and victims themselves wherever possible He ends with a close discussion of the plague at Marseille 1720 22 the last major plague in northern Europe and the research breakthroughs at the end of the nineteenth century that finally defeated bubonic plague City Record Boston (Mass.),1914 **Annual Report of the Commissioners of the District of Columbia ...** District of Columbia.
