Streets And Seasons:

Streets and Seasons Tom Neale, 1981 **Autumn: A Bryant Street Surreal Stories Collection** Dean Wesley Smith, 2024-07-16 Bryant Street is where The Twilight Zone lives Bryant Street a standard subdivision street outside of any city Well kept lawns paint and roofs up to HOA standards two or three car garages Everything looks to any casual observer perfect and normal But inside those perfect looking homes the residents seem just a little off A little twisted or confused or a half turn out of reality Normal exists on other subdivision streets but never on Bryant Street Autumn is one of four books in the Bryant Street Surreal Stories Collection each containing 10 fantastically strange stories for your enjoyment If you like Twin Peaks or The Twilight Zone take a delectably weird stroll down Bryant Street *Steamboat Seasons: Dawn of a New Era* Kendall Gott, 2021-02-16 This historical novel is the sequel to *Steamboat Seasons* and *Backwater Battles* following our Captain and his steamboat during the year after the American Civil War He finds little remains unchanged of his life his livelihood and his country His love Ann rejoins him but conflicts arise Consignments fade away as the Southern economy is wrecked and it may be years before its recovery The newly freed African Americans have not realized any true benefits the end of slavery promised Labor disputes and competition from the railroads and the dangers on the rivers cause the Captain to reassess his life A deadly conspiracy stalks his boat up and down the Mississippi and onto the Missouri River and ends in a final confrontation Spiritual Seasons Evon Horton, 2018-12-18 God's supernatural work often follows a seasonal pattern If you're not careful you can miss the seasonal processes of the Spirit and the blessings that accompany them These seasons impact everything in life relationships workplace and connection with God If you are to flourish in every season it's vital to A Practical Treatise on Roads, Streets, and Pavements Q. A. GILLMORE, 2024-03-13 Reprint of the original first published in 1876 To Every Thing a Season Bruce Kuklick, 2020-12-08 Shibe Park was demolished in 1976 and today its site is surrounded by the devastation of North Philadelphia Kuklick however vividly evokes the feelings people had about the home of the Philadelphia Athletics and later the Phillies **Street Sensing** Fang-Ying Gong, 2025-06-30 Combining publicly available Google Street View GSV images with deep learning and radiative transfer models enables researchers to assess urban physical and thermal environments especially in high density areas This book introduces this advanced approach which provides large scale high accuracy and high density measurements of street level urban features key to understanding urban radiation balance and thermal dynamics By leveraging GSV images this method directly characterizes urban streetscapes including structural and geometric attributes allowing for a comprehensive assessment Moreover the methods can be applied to any geographical location covered by GSV making it a low cost and effective tool for urban studies globally This is particularly advantageous compared to traditional 3D GIS models which may not always be freely available or as extensive in coverage as GSV images Lessons from Street Sensing provide data driven insights for urban planning and governance The accurate mapping of street view factors and solar irradiance helps identify areas with insufficient greenery

excessive or insufficient solar exposure and other urban environment issues These insights can help policymakers and urban planners mitigate negative environmental impacts and improve urban living conditions **Fever Season** Jeanette Keith,2012-10-02 An account of the 1878 yellow fever epidemic documents how it killed more than 18 000 people in the American South tracing its particularly catastrophic impact in Memphis Tennessee while noting the heroic efforts of people who remained behind to help **Road Notes, Cuba. 1909** United States.
