Bureau of Alcohol, Tobacco, and Firearms, 1993 Orange Alert Don Pendleton, 2014-01-15 **FURY SPIRAL** The prolonged conflict between the Irish Republican Army and the Protestant Nationalists is escalating beyond Ireland's borders. Now America is being lured into the crossfire through a deeply rooted conspiracy designed to force the U.S. government to take its war on terror to the Emerald Isle. Mack Bolan's mission begins with information retrieval. He must find out who is using terrorist threats to force U.S. intervention in Northern Ireland. Evidence piles high against the Protestant Orange Order which wants the world to endorse the existence of two Irelands. But when the Executioner uncovers a plot to launch a dirty bomb on American soil, the true threat and the real face of the deadly enemy comes under his lethal and personal attack. **State of the Union** Brad Thor, 2008-09-04 From the bestselling author of *THE LIONS OF LUCERNE* and *PATH OF THE ASSASSIN* comes another electrifying international thriller featuring all-American hero Scot Harvath as he plunges into the frigid heart of the Russian tundra to save the fragile state of the union. On a cold January morning the United States awakes to discover that an old enemy, one long believed dead and buried, has crawled out of its grave to lay siege to the world's only superpower. With the stunning discovery that enhanced Soviet-made suitcase nukes have been secreted in America's major cities, President Jack Rutledge gathers his National Security Council to weigh the feasibility of a first strike against the Russian Federation. There's only one problem: For over two decades the Russians have been funnelling international aid money into a top secret air defence system which has just been brought on line and which will render any conventional attack upon their country utterly ineffective. After exhausting all of his other options and with Soviet sleeper agents preparing to detonate their deadly payloads across the United States, the president turns to the nation's final hope: ex-Navy SEAL and Secret Service Agent Scot Harvath. As high voltage and timely as they come, *STATE OF THE UNION* is a frighteningly real headline-ripping tale of espionage and intrigue that will keep readers guessing until the last tantalizing piece of the puzzle locks into place. *Brad Thor Collectors' Edition #1* Brad Thor, 2011-05-31 A thrilling boxed set including *The Lions of Lucerne*, *Path of the Assassin*, and *State of the Union* from 1 New York Times bestselling author Brad Thor. Both a must-have for any fan of Brad Thor and the perfect introduction to his masterful thrillers, this handsomely bound edition is one of four special Collector's Editions available now.
