Dunlaing,2015      **Housing: moving into crisis?** ,1990      *Combat Poverty Agency Annual Report 1994* ,  
Reimagining Homelessness Eoin O'Sullivan,2020-04-15 Available Open Access under CC BY NC licence The number of people experiencing homelessness is rising in the majority of advanced western economies Responses to these rising numbers are variable but broadly include elements of congregate emergency accommodation long term supported accommodation survivalist services and degrees of coercion It is evident that these policies are failing Using contemporary research policy and practice examples this book uses the Irish experience to argue that we need to urgently reimagine homelessness as a pattern of residential instability and economic precariousness regularly experienced by marginal households Bringing to light stark evidence it proves that current responses to homelessness only maintain or exacerbate this instability rather than arrest it and provides a robust evidence base to reimagine how we respond to homelessness  
Combat Poverty Agency Pre-Budget Submission 1989: Poverty - priorities for action ,      Facts and Figures on Poverty ,  
*Homeless* Gerald Daly,2013-04-15 The causes of homelessness are disputed by both Right and Left But few would argue that life on the streets is anything other than dangerous and debilitating Unemployment deinstitutionalisation abuse in the home are among the stories the homeless tell Voluntary organisations point to the failure of emergency shelters and food

banks the cut backs in social programmes and the severe shortage of affordable housing On the international scale the changing global system has placed new demands on the economies of Europe and north America which have impacted on resources employment and even political will This book is the first comprehensive international study of homelessness The author argues that the category of the homeless must itself be broadened to encompass those chronically without shelter to those in immediate risk of dispossession if homelessness is to be tackled effectively before and after it happens by public policy voluntary organisations and the individuals themselves **Poverty** Gay & Lesbian Equality Network,1995 Irish Child Care Services Robbie Gilligan,1991 **STREETWISE DUBLIN MAP - CITY CENTER STREET MAP OF DUBLIN, IRELAND.** MICHELIN.,2023 **Teen Gangs** Maureen P. Duffy,Scott E. Gillig,2004-03-30 Teen gangs are a hot issue in the United States This volume shows the international scope of the phenomenon today Gang activity in 14 countries including the United States is discussed within the larger framework of social and economic conditions Each chapter explains the nature of the gang activity in that country touches on the causes such as poverty marginalization and self identity problems and heavily emphasizes the responses including education and community based intervention Students and researchers will find a wealth of current information on teen gangs to mine and use for comparisons **Combat Poverty Agency Annual Report 1988** , *Ships in Troubled Waters* Nigel Harris,2014-01-28 This book tells the story of my journey through boarding school and onto offshore radio in the North Sea It is a recollection of events from my perception only which took place during my time on a number of radioships As you will read sheer dedication and strength of mind was required by all parties over the years to allow the offshore enterprises to survive Radio Caroline was the central passion for me as it was for so many others and I felt it was never on the cards to give up the fight to survive at sea Nevertheless remembering every event and those people involved was difficult and I trust I do not upset anybody by telling stories they would rather forget No malice is intended by anything written in this tome A few names have been left out to spare embarrassment but I hope the narrative remains complete Memories from my younger days are included as I would like to think they help complete the overall picture of how I thought and behaved and what shaped me as I grew up Poverty in Focus: a Transition Year Supplement to Fair Shares ,1995 **Bibliographic Guide to Maps and Atlases** ,1997
