Waldman,2001 A biographical tribute to Barbra Streisand her fame stardom and personal life with photographs and illustrations **The Real Steele: The Unauthorized Biography of Dakota Johnson** Marc Shapiro,2015-02-09 Those who don t believe in miracles should take a look at what brought Dakota Johnson from obscurity to the pinnacle of stardom as Anastasia Steele in the motion picture Fifty Shades of Grey But who is Dakota Johnson A surprisingly accomplished and driven actress This is not some celebrity kid given a plum role because of her connections to old world Hollywood In *The Real Steele The Unauthorized Biography of Dakota Johnson* you ll see how she went from a life of tranquility and yes privilege at the feet of superstar parents Don Johnson and Melanie Griffith to a determination to succeed that has led her down many paths First there was a career as an international model then to growing recognition in a string of successful studio and independent films and finally to her big break in Fifty Shades of Grey Johnson has proven a literal force of nature always moving forward and always using a natural sense of positive energy to dissuade the naysayers who would line up to take her down Through exclusive interviews with childhood friends and acting coaches Marc Shapiro has put Johnson s life and times much like the actress herself in a straightforward and always enticing biography *We Love Jenni: An Unauthorized Biography of Jenni Rivera* Marc Shapiro,Charlie Vazquez,2013-02-26 *We Love Jenni* is a frank and revealing biography of the late Mexican American singer Jenni Rivera written by The New York Times best selling author Marc Shapiro and journalist Charles Vazquez that goes behind the scenes to tell the riveting story of the iconic Latina who was killed last December 9th in a plane crash in Mexico Shapiro author of popular biographies of celebrities such as J K Rowling and Justin Bieber says the book tells the story of a woman who never shied away from any of the huge problems she faced in life her rough and tumble childhood her cheating husband her first love who in reality was a child molesting monster her son s indiscretion with an underage girl and so much more Jenni was such an amazing woman it s reflected in her fiery live performances and the music that would set many millions on the course for equal rights for women in a long male dominated Mexican culture Shapiro added She was a star in a world that many of us did not know and only her sad untimely death kept her from breaking out and having it all *Streisand* Garrett Stewart,2022-11-29 A blend of film reading with vocal analysis in appreciation of Barbra Streisand s unmatched contribution to lyric drama on screen At every stage of her career Barbra Streisand s genius finds its fullest measure in screen song first in Emmy winning TV specials then in Hollywood blockbusters from *Funny Girl* to *Funny Lady* She goes on as emerging auteur to direct her own musical concepts in *A Star Is Born* before reconceiving the big screen musical altogether in the writing as well as directing of her own starring role in *Yentl A Film with Music* In this intensive reading of the actress who sings Garrett Stewart notes the

gender and ethnic stereotypes that Streisand shattered as the first openly Jewish superstar while concentrating not just on the cultural difference she made but on the internal differentials of her unholy vocal gift whose kinetic volatility shapes a kind of cinematic terrain all its own Down through her filmed return to the concert stage Stewart elicits the sinuous phonetic text of Streisand's on screen musical delivery in a keenly attentive mode of audition that puts into fresh perspective the indelible aura of her stardom
