Majoring in the Minors Richard A. Gallo, 2021-07-05 If you or someone you know has never experienced racism bigotry injustice abuse or domestic violence then this book is not for you But if you or someone you know has been such a victim and suffered from such societal evils then perhaps you are not reading these words by chance Perhaps God has brought you to this moment to make a difference for deep down in your heart you know that this is fundamentally wrong And just maybe God through his Spirit has brought you to this very moment to say Enough is enough and start doing something to begin eliminating racism bigotry injustice abuse and domestic violence Rev Gallo lays out a twelve step process that he has termed A Blueprint of Hope from a Christian Perspective Utilizing twelve messages or themes of hope one from each of the minor prophets as well as the teachings of Jesus he formulates a plan This plan incorporates both small group ministry within the local church and neighborhood outreach to the surrounding community where these societal evils rear their ugly heads and have devastated individuals for generations These twelve messages as well as a unique perspective and insights that he has gained over forty two years of police work and active ministry he formulates a blueprint of hope that encourages individuals to catch a vision of what might be if people begin to look at each other through eyes of love and hope rather than hate and despair
