**Strengthening Community** Kathleen Buto, Martha Priddy Patterson, William E. Spriggs, 2004-01-09 A Brookings Institution Press and National Academy for Social Insurance publication This new volume from the National Academy of Social Insurance raises a provocative question that goes to the heart of discussion about social insurance and diversity to what extent must social insurance programs address historical social and economic inequities The contributors explore issues of equity and diversity in social insurance programs in America today Some argue that differences in the treatment of racial and ethnic minorities have contributed to contemporary gaps that span an array of socioeconomic indicators including education wealth life expectancy and health status These indicators are central to the administration of social insurance programs because they help determine not only the type and amount of benefits distributed but also whether benefits are received at all Contributors include Rep Xavier Becerra D Calif Kathleen Buto Johnson Johnson Adam Carasso Urban Institute Donna Chiffriller Verizon Lee Cohen Social Security Administration Cecilia Conrad Pomona College Paul Eggers National Institute of Diabetes and Digestive and Kidney Disorders James Randolph Farris Centers for Medicare and Medicaid Services Linda Fishman Senate Finance Committee Nancy M Gordon U S Census Bureau J Lee Hargraves Center for Studying Health System Change Pamela Herd University of Michigan Kim Hildred House Ways and Means Committee Audrietta C Izlar Verizon Kilolo Kijakazi Ford Foundation Cheryl Hill Lee National Urban League Robert C Lieberman Columbia University James B Lockhart III Social Security Administration Vicky Lovell Institute for Women s Policy Research Nicole Lurie RAND Cindy Mann Georgetown University Jerry Mashaw Yale University John T Monahan Annie E Casey Foundation Samuel L Myers Jr University of Minnesota Leslie Norwalk Centers for Medicare and Medicaid Services Kathryn Olson House Committee on Ways and Means Jill Quadagno Florida State University Brian D Smedley Institute of Medicine Eugene Steuerle Urban Institute Ray Suarez The News Hour with Jim Lehrer and Ruby Takanishi Foundation for Child Development

**The Oxford Handbook of U.S. Social Policy** Daniel Béland, Christopher Howard, Kimberly J. Morgan, 2015 The American welfare state has long been a source of political contention and academic debate This Oxford Handbook pulls together much of our current knowledge about the origins development functions and challenges of American social policy After the Introduction the first substantive part of the handbook offers an historical overview of U S social policy from the colonial era to the present This is followed by a set of chapters on different theoretical perspectives available for understanding and explaining the development of U S social policy The three following parts of the volume focus on concrete social programs for the elderly the poor and near poor the disabled and workers and families Policy areas covered include health care pensions food assistance housing unemployment benefits disability benefits workers compensation family support and programs for soldiers and veterans The final part of the book focuses on some of the consequences of the U S welfare state for poverty inequality and citizenship Many of the chapters comprising this handbook emphasize the disjointed patterns

of policy making inherent to U S policymaking and the public private mix of social provision in which the government helps certain groups of citizens directly e g social insurance or indirectly e g tax expenditures regulations The contributing authors are experts from political science sociology history economics and other social sciences

**Social Security and the Politics of Deservingness** Susanne N. Beechey,2016-06-09 This book seeks to understand the politics of deservingness for future Social Security reforms through an interpretive policy analysis of the 2005 Social Security privatization debates What does it mean for politics and policymaking that Social Security recipients are widely viewed as deserving of the benefits they receive In the 2005 privatization debates Congress framed Social Security in exclusively positive terms often in opposition to welfare and imagined their own beloved family members as recipients Advocates for private accounts sought to navigate the politics of deservingness by dividing the we of social insurance to a me of private investment and a them of individual rate of return in order to justify the introduction of private accounts into Social Security Fiscal stress on the program will likely bring Social Security to the policy agenda soon Understanding the politics of deservingness will be central to navigating those debates

**Racial and Ethnic Economic Inequality** Samuel L. Myers,2006 In a world where racial tensions and racial and ethnic inequality seem to be increasing it is instructive to look back over the decade of the 1990s to examine what academic researchers have had to say about the global nature of race racism and racial inequality Almost every country with a multiethnic population faces these problems This collection of essays provides an eclectic but accessible mix of readings on perspectives from such countries as Australia Russia France Chile West Africa India and the United States Emphasis is placed on positive strategies to help reduce or eliminate economic inequality The implications for the demise of affirmative action programs are also discussed Pre dating the United Nation s World Conference on Racism the readings anticipate many of the recommendations and insights that have now come to be the core of international strategies This collection will prove valuable to all those concerned with ending racism and achieving racial and ethnic economic equality

*Measuring Progress in Obesity Prevention* Institute of Medicine,Food and Nutrition Board,Committee on Accelerating Progress in Obesity Prevention,2012-03-22 Nearly 69 percent of U S adults and 32 percent of children are either overweight or obese creating an annual medical cost burden that may reach 147 billion Researchers and policy makers are eager to identify improved measures of environmental and policy factors that contribute to obesity prevention The IOM formed the Committee on Accelerating Progress in Obesity Prevention to review the IOM s past obesity related recommendations identify a set of recommendations for future action and recommend indicators of progress in implementing these actions The committee held a workshop in March 2011 about how to improve measurement of progress in obesity prevention

To Do Justice Rebecca Todd Peters,Elizabeth L. Hinson-Hasty,2008-01-01 Encouraging Christians to call for public policies that benefit those most

vulnerable in our nation To Do Justice offers tools for studying complex domestic social problems such as Social Security immigration the environment and public education and serves as a guidebook to becoming involved in social action Rooted in Christian tradition each essay analyzes a contemporary problem from social biblical and theological perspectives before providing directions for public policy These engaged ethicists from across the mainline denominations provide concrete examples of how progressive minded Christians can work for justice in response to these moral dilemmas With discussion questions in each chapter this book is an excellent resource for classrooms both in colleges and in churches

Shortchanged Mariko Lin Chang, 2012-02-16 The first book to focus on the differences in wealth between women and men Mariko Lin Chang draws on the most comprehensive national data on wealth and on in depth interviews to show how differences in earnings in saving and investing and most important the demands of care giving all contribute to the gender wealth gap A comprehensive portrait of where women and men stand with respect to wealth Shortchanged not only sheds light on why women lack wealth but also offers solutions for improving the financial situation of women men and families
