Strictly Dancing Paula Snyder, 1996-01-01. Television Aesthetics and Style Steven Peacock, Jason Jacobs, 2013-07-04. Although Film Studies has successfully returned attention to matters of style and interpretation, its sibling discipline has left the territory uncharted until now. The question of how television operates on a stylistic level has been critically underexplored despite being fundamental to our viewing experience. This significant new work redresses a vital gap in Television Studies by engaging with the stylistic dynamics of TV, exploring the aesthetic properties and values of both the medium and particular types of output-specific programmes and raising important questions about the way we judge television as both cultural artifact and art form. *Television Aesthetics and Style* provides a unique and vital intervention in the field, raising key questions about television's artistic properties and possibilities. Through a series of case studies by internationally renowned scholars, the collection takes a radical step forward in understanding TV's stylistic achievements. **Sweet Hearts: Strictly Friends?** Jo Cotterill, 2010-09-02.
