Strictures On Female Education Revolution Romanticism S 17891834

Hannah More

Strictures On Female Education Revolution Romanticism S 17891834:

Strictures on Female Education Hannah More,1995 **Ordering the World in the Eighteenth Century** Frank O'Gorman,Diana Donald,2005-12-14 The Eighteenth century is often represented applying Tom Paine s phrase as The Age of Reason an age when progressive ideals triumphed over autocracy and obscurantism and when notions of order and balance shaped consciousness in every sphere of human knowledge Yet the debates which surrounded the development of Eighteenth century thought were always open to troubling doubts Was nature itself truly an ordered entity as Newton had argued or was it a mass of chaotic randomly moving atoms as some materialist thinkers believed This book explores the tensions and conflicts in these debates through a series of interdisciplinary essays from leading international scholars each challenging the idea that the Eighteenth century was an age of order Books in Print, 2006-2007 ,2006 Whitaker's Books in Print ,1998 **Subject Guide to Books in Print** ,2001 **American Book Publishing Record** ,1995 **The British National Bibliography** Arthur James Wells,1995 **Books in Print** ,1977 *Strictures on the Modern System of Female Education. with a View of the Principles and Conduct Prevalent Among Women of Rank and Fortune. by Hannah More. the Fifth Edition* Hannah More,2018-04-18 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars Delve into what it was like to live during the eighteenth century by reading the first hand accounts of everyday people including city dwellers and farmers businessmen and bankers artisans and merchants artists and their patrons politicians and their constituents Original texts make the American French and Industrial revolutions vividly contemporary The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library T155773 With a half title Dublin printed by William Porter for Pat Wogan and William Porter 1800 8 viii 440p plate port 12 **Strictures on the Modern System of Female Education** Hannah More,1818 **Strictures on the Modern System of Female Education. with a View of the Principles and Conduct Prevalent Among Women of Rank and Fortune. by Hannah More. the Fourth Edition** Hannah More,2018-04-18 The 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press In its determination to preserve the century of revolution Gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind Now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars Delve into

what it was like to live during the eighteenth century by reading the first hand accounts of everyday people including city dwellers and farmers businessmen and bankers artisans and merchants artists and their patrons politicians and their constituents Original texts make the American French and Industrial revolutions vividly contemporary The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to insure edition identification British Library T155772 With a half title Dublin printed by William Porter for P Wogan and W Porter 1799 8 vii 1 416p 12 *Strictures On The Modern System Of Female Education* Hannah More,2025-05-22

Strictures on the Modern System of Female Education by Hannah More is a foundational text in the history of women s education and feminist thought Published in 1799 this influential work critiques the prevailing educational practices for women in the late 18th century advocating for a more rigorous and morally grounded curriculum More argues that women should be educated not merely for accomplishments or social graces but to cultivate virtue reason and piety enabling them to fulfill their roles as wives mothers and contributors to society More s ideas reflect the social and intellectual currents of her time blending Enlightenment ideals with conservative Christian values While advocating for intellectual development she also emphasizes the importance of religious instruction and moral discipline in shaping women s character *Strictures* remains a significant historical document offering valuable insights into the debates surrounding women s roles and education during a transformative period Its enduring appeal lies in its articulation of the complex relationship between education gender and societal expectations This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Strictures on the modern system of female education** Hannah More,1853 Strictures on the Modern System of Female Education Hannah More,2015-08-31 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you
