Blake Wilson, Christopher Turner, 2020-11-25 Legendary director actor author and provocateur Werner Herzog has incalculably influenced contemporary cinema for decades Until now there has been no sustained effort to gather and present a variety of diverse philosophical approaches to his films and to the thinking behind their creation *The Philosophy of Werner Herzog* edited by M. Blake Wilson and Christopher Turner collects fourteen essays by professional philosophers and film theorists from around the globe who explore the famed German auteur's notions of ecstatic truth as opposed to accountants' truth his conception of nature and its penchant for overwhelming and collective murder his controversial film production techniques his debts to his philosophical and aesthetic forebears and finally his pointed objections to his would-be critics including among others the contributors to this book themselves By probing how Herzog's thinking behind the camera is revealed in the action he captures in front of it *The Philosophy of Werner Herzog* shines new light upon the images and dialog we see and hear on the screen by enriching our appreciation of a prolific yet enigmatic film artist *What Does It Mean to 'Make' Love?* Gérard Pommier, 2024-10-25 *What Does It Mean to Make Love* shows how the choice of gender does not conform to anatomy and is based on an often unrecognised psychic bisexuality Everyone chooses a gender by repressing another gender which becomes the site of both an attraction and a conflict a war of the sexes the contingencies of which animate desire Gérard Pommier explores phantasy desire and perversion and their role in sexual machinery before considering the question of orgasm Pommier's work demonstrates that the analysis of orgasm brings out a political dimension and that aspects of both social and personal life are illuminated by the study of how we think consciously and unconsciously about orgasm and the role we ascribe to it This book makes valuable contributions to the study of sexuality and will be of interest to all psychoanalysts and students of psychoanalysis as well as those in the fields of gender studies anthropology and psychology *Rooted: The NIV Bible for Men* Zondervan, 2023-09-12 *A Bible for Men That's Focused on Godly Character and Faithful Living* As the world changes around us it can be hard to hold onto your identity as a godly man If you are struggling to find your place as a Christian it helps to remember that while the expectations of the world seem ever changing the expectations that God has for you hold true *Rooted: The NIV Bible for Men* strives to help you connect with your identity in Christ as it highlights timeless virtues that are still valued today It is designed to speak to Christian men honestly and straightforwardly about their role as Christians in the face of cultural pressures and a changing society And it speaks to character traits men need to cultivate in today's world like confidence rooted in inner strength self possessed dignity and calm kindness joy and leadership based in service Drawing on the truths of Scripture the features in this Bible will motivate you to redeem your God-given passions
