Striking Performances Kirk Fuoss, 1997 A look at how two groups of protesters promoted their agendas by mock performances

Striking Performances Kirk Fuoss, 1997 Community and contestation are viewed as opposing social forces For many community denotes sharing similarity cohesion and camaraderie Contestation denotes conflict difference divisiveness and enmity In *Striking Performances Performing Strikes* Kirk W Fuoss demonstrates the ironic circumstances that unite these seemingly opposing forces First he shows that community and contestation stand in an interdependent rather than oppositional relationship and second he explains how cultural performances play a central role in simultaneously fostering community and fomenting conflict He develops these arguments by presenting two extended case studies the Workers Alliance of America's 1936 takeover of the New Jersey State Assembly and the General Motors sitdown strike of 1936-37 During the thirties when millions of unemployed Americans depended on their state governments for economic relief New Jersey had spent all relief appropriation for 1936 by the month of April and left the unemployed to fend for themselves As a result the state branch of the Workers Alliance of America seized the State Assembly and for ten days staged a pauper's parliament in which they alternately performed roles of ideal legislators and parodied the actual legislators In 1936 and 1937 a similar cultural performance was staged during the General Motors sitdown strike Because the local media maintained an antistrike stance union forces frequently deployed cultural performances in simulation of an alternative press To achieve their ends they also staged kangaroo court sessions dancing pickets daily concerts by strikers orchestras auto parades mock funerals games of labor charades and skits written and performed by the strikers themselves These two case studies show how the theatrical stagings by protesters threw the spotlight of public attention on their causes Also Fuoss shows how such politics of performance unite the seemingly opposing forces of community and contestation

Critical Ethnography D. Soyini Madison, 2011-07-13 This text presents a fresh new look at critical ethnography by emphasizing the significance of ethics and performance in the art and politics of fieldwork The book explores an ethics of ethnography while illustrating the relevance of performance ethnography across disciplinary boundaries The new edition is comprehensive incorporating more extended discussions on theories and methods thereby providing the reader with a broad range of considerations and choices It also includes chapters on visual culture and performance

Transgression as a Mode of Resistance Christina R. Foust, 2010-06-22 Since industrialization two major theoretical perspectives have accompanied the

vibrant practice of social change The first hegemony emerged as a less deterministic route to revolution from Marxist theory and forms the common sense of social movement today Within hegemonic resistance rhetoric links issues ideas and identities to form a recognizable collective agent whose aim is to transform the status quo into its vision of the world The second major mode of resistance transgression grows from anarchist and autonomous resistance to capitalism Transgression attempts to free individuals uniqueness and creative power by deconstructing authority and explicating the body in resistance

Transgression as a Mode of Resistance Rethinking Social Movement in an Era of Corporate Globalization provides the conceptual mapping for scholars students and practitioners to participate in the growing debate between these rich and powerful forces of social change Through a broad perspective on philosophy and history Christina R Foust demonstrates that hegemony and transgression are sometimes conflicting oftentimes inter related practices She responds to critics who believe that without a social change agent resistance appears baseless and naive without a representational economy to cohere and express common interests social movement is impossible Through alternative social relationships and political performances transgressive resisters may reinvent daily life

Anderson, Bernardo Gallegos, 2004-12-13 Breaking new ground by presenting a range of approaches to understanding the role function impact and presence of performance in education this volume is a definitive contribution to a beginning dialogue on how performance as a theoretical and

Collaborative Spirit-Writing and Performance in Everyday Black Lives Bryant Keith Alexander, Mary E. Weems, 2021-11-11 Collaborative Spirit Writing and Performance in Everyday Black Lives is about the interconnectedness between collaboration spirit and writing It is also about a dialogic engagement that draws upon shared lived experiences hopes and fears of two Black persons male female straight gay This book is structured around a series of textual performances poems plays dialogues calls and responses and mediations that serve as claim ground warrant qualifier rebuttal and backing in an argument about collaborative spirit writing for social justice Each entry provides evidence of encounters of possibility collated between the authors for ourselves for readers and society from a standpoint of individual and collective struggle The entries in this Black performance diary are at times independent and interdependent intersplined and interrogative interanimating and interstitial They build arguments about collaboration but always emanate from a place of discontent in a caste system designed through slavery and maintained until today that positions Black people in relation to white superiority terror and perpetual struggle With particular emphasis on the confluence of Race Racism Antiracism Black Lives Matter the Trump administration and the Coronavirus pandemic this book will appeal to students and scholars in Race studies performance studies and those who practice qualitative methods as a new way of seeking Black social justice

Still Hanging Bryant Keith Alexander, Mary E. Weems, 2021-05-25 The current socio political climate in the United States sheds a critical glaring light on the racism and white supremacy which has been part of the fabric of this country since the seventeenth century Barack Obama s tenure as president resulted in a major increase in white hate groups hate crimes and unrelenting violence against innocent Black men and women by police In response people of different races ethnicities genders sexual orientations religions ages and classes have taken to the streets in protest and increased decades long efforts to organize against racism and for a more empathetic just democratic society

Social change about racism must begin with acknowledgement followed by open focused critical dialogue Still Hanging Using Performance Texts to Deconstruct Racism referencing both the resilience of Black people in the face of institutionalized racism and systemic oppression and the fact that Black people continue to be literally and metaphorically lynched in 2020 is designed to use the power of lived experience specific performance texts as frames for engaging faculty students and others interested in beginning to deconstruct racism and construct an anti racist way of being
