Striking Roots Reflections On Five Decades Of Jewish Life:

Striking Roots Aron Horowitz, 1995-01-01 **Striking Roots** Aron Horowitz, 1979 **Index to Striking Roots-reflections on Five Decades of Jewish Life** Aron Horowitz, 1982 Subversive Itinerary Shannon Bell, Peter Keith Kulchyski, 2013-01-01

Subversive Itinerary investigates the theoretical evolution of the influential political theorist Gad Horowitz as well as the historical impact of his ideas on Canadian life and letters. Bringing together dynamic new works by both established and emerging scholars along with three new articles by Horowitz himself, this volume examines the concepts he developed and extends his approach beyond the current historical moment. The book includes a history of Horowitz's engagements as a public intellectual through appraisals of his early, mid, and late career contributions from the sixties to the present day. Along the way, the contributors present innovative new work in Canadian political thought, continental theory, Jewish philosophy, Buddhism, and radical general semantics. Subversive Itinerary demonstrates how Horowitz's itinerary delivers invaluable tools for understanding issues of critical importance today.

Seeking the Fabled City Allan Levine, 2018-10-30

In this definitive and meticulously researched account of the Jewish experience in Canada, award-winning and critically acclaimed author Allan Levine documents a story that is rich, accessible, often surprising, and epic in its scope. Relying on an abundance of primary sources and first-hand documentation and interviews, *Seeking the Fabled City* chronicles the successes and failures, the obstacles overcome and those not conquered, of a historic journey and the people who travelled it. *Seeking the Fabled City* is a story that unfolds over 250 years, from the decade after the conquest of New France in 1759, when small numbers of Sephardic Jews of Spanish and Portuguese descent arrived in British North America, through the great wave of Russian and Eastern European Jewish immigration at the turn of the twentieth century to the present, in which Canada's large Jewish community, no longer hindered by the anti-Semitism of the past, is free to flourish. This is a chronicle of a people that takes place at hundreds of locales across the country, mainly in the large urban centres of Montreal, Toronto, Vancouver, and Winnipeg, but also in west coast and maritime villages and tiny prairie towns. In a riveting drama with a cast of thousands, relying on an abundance of primary sources and first-hand documentation and interviews, *Seeking the Fabled City* chronicles the successes and failures, the obstacles overcome and those not conquered, of a historic journey and the people who travelled it.

Songs in Dark Times Amelia M. Glaser, 2020-11-24

A probing reading of leftist Jewish poets who during the interwar period drew on the trauma of pogroms to depict the suffering of other marginalized peoples. Between the world wars, a generation of Jewish leftist poets reached out to other embattled peoples of the earth: Palestinian Arabs, African Americans, Spanish Republicans. In Yiddish verse, *Songs in Dark Times* examines the richly layered meanings of this project grounded in Jewish collective trauma but embracing a global community of the oppressed. The long 1930s, Amelia M. Glaser proposes, gave rise to a genre of internationalist modernism in which tropes of national collective memory were rewritten as the shared experiences of many national groups. The utopian Jews of *Songs in Dark Times* effectively globalized the pogroms.

in a bold and sometimes fraught literary move that asserted continuity with anti Arab violence and black lynching As communists and fellow travelers the writers also sought to integrate particular experiences of suffering into a borderless narrative of class struggle Glaser resurrects their poems from the pages of forgotten Yiddish communist periodicals particularly the New York based Morgn Frayhayt Morning Freedom and the Soviet literary journal Royte Velt Red World Alongside compelling analysis Glaser includes her own translations of ten poems previously unavailable in English including Malka Lee s God s Black Lamb Moyshe Nadir s Closer and Esther Shumiatscher s At the Border of China These poets dreamed of a moment when we could mean we workers rather than we Jews Songs in Dark Times takes on the beauty and difficulty of that dream in the minds of Yiddish writers who sought to heal the world by translating pain From New Zion to Old Zion Joseph B. Glass,2018-02-05 From New Zion to Old Zion analyzes the migration of American Jews to Palestine between the two World Wars and explores the contribution of these settlers to the building of Palestine American Aliyah immigration to Palestine began in the mid nineteenth century fueled by the desire of American Jews to study Torah and by their wish to live and be buried in the Holy Land His movement of people men and women increased between World War I and II in direct contrast to European Jewry s desire to immigrate to the United States Why would American Jews want to leave America and what characterized their resettlement From New Zion to Old Zion analyzes the migration of American Jews to Palestine between the two world wars and explores the contribution of these settlers to the building of Palestine From New Zion to Old Zion draws upon international archival correspondence newspapers maps photographs interviews and fieldwork to provide students and scholars of immigration and settlement processes the Yishuv Jewish community in Palestine and America Holy Land studies a well researched portrait of Aliyah **Social Discredit** Janine Stingel,2000 In Social Discredit Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians acknowledged the perils of race hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit s anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit s blatant defamation She argues that Congress s ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada Social Discredit offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies *A Bibliography of Canadian Folklore in English* Edith Fowke,Carole Henderson-Carpenter,1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres
