

Save Water

The leaky tap drips a day and night
Just fix it right or seal it tight
It seems the earth with water abounds
But thinks it's every drop that counts

The tap is open, you brush your teeth
The water flows, you soap your feet
Just think of all the water lost
To close the tap, what does it cost?

The water bottle you take to school
The water in it is nice and cool
You drink a bit, the rest you throw,
That water could help a plant grow

So, save water
And do your part
It's not a game,
Let the water last
