

American Poetic Materialism from Whitman to Stevens

MARK NOBLE

Studies In American Literature Whitman

Amy E. Earhart, Andrew Jewell

Studies In American Literature Whitman:

Walt Whitman's America David S. Reynolds, 2011-05-04 Winner of the Bancroft Prize and the Ambassador Book Award and Finalist for the National Book Critics Circle Award In his poetry Walt Whitman set out to encompass all of America and in so doing heal its deepening divisions This magisterial biography demonstrates the epic scale of his achievement as well as the dreams and anxieties that impelled it for it places the poet securely within the political and cultural context of his age Combing through the full range of Whitman's writing David Reynolds shows how Whitman gathered inspiration from every stratum of nineteenth century American life the convulsions of slavery and depression the raffish dandyism of the Bowery boys the exuberant rhetoric of actors orators and divines We see how Whitman reconciled his own sexuality with contemporary social mores and how his energetic courtship of the public presaged the vogues of advertising and celebrity Brilliantly researched captivately told *Walt Whitman's America* is a triumphant work of scholarship that breathes new life into the biographical genre

Walt Whitman and the American Reader Ezra Greenspan, 1990-10-26 A far ranging study of Whitman as a model of the nineteenth century American writer

Studies in American Literature Egbert Samuel Oliver, 1965

Walt Whitman's Native Representations Ed Folsom, 1997-05-28 Moving through Whitman's career four times from four different perspectives this 1994 book investigates several major American cultural developments that occurred during Whitman's lifetime the development of American dictionaries the growth of baseball the evolution of American Indian policy the development of photography became essential components of Whitman's innovative poetics Resisting the usual critical temptation to present a totalised one dimensional Whitman this study views him instead as multiple and contradictory a gatherer of discordant tones and clashing approaches from a variety of surprising cultural arenas In such cultural activities Whitman found not his poetic subject so much as his poetic tools and techniques These cultural actions taught him how to make native representations

The New Walt Whitman Studies Matt Cohen, 2020 Highlights the latest currents in Whitman scholarship and demonstrates how Whitman's work transforms discussions in literary studies

American Poetic Materialism from Whitman to Stevens Mark Noble, 2014-12-15 In *American Poetic Materialism from Whitman to Stevens* Mark Noble examines writers who rethink the human in material terms Do our experiences correlate to our material elements Do visions of a common physical ground imply a common purpose Noble proposes new readings of Walt Whitman Ralph Waldo Emerson William James George Santayana and Wallace Stevens that explore a literary history wrestling with the consequences of its own materialism At a moment when several new models of the relationship between human experience and its physical ground circulate among critical theorists and philosophers of science this book turns to poets who have long asked what our shared materiality can tell us about our prospects for new models of our material selves

The American Literature Scholar in the Digital Age Amy E. Earhart, Andrew Jewell, 2011 Amy E. Earhart is Assistant Professor in the Department of English at Texas A M University

A Companion to Walt Whitman Donald D. Kummings, 2009-10-19 Comprising more than 30 substantial essays written by leading scholars this companion constitutes an exceptionally broad ranging and in depth guide to one of America's greatest poets Makes the best and most up to date thinking on Whitman available to students Designed to make readers more aware of the social and cultural contexts of Whitman's work and of the experimental nature of his writing Includes contributions devoted to specific poetry and prose works a compact biography of the poet and a bibliography
