Studies In Economics And Business The European Union:

Doing Business in Europe Alina Mihaela Dima, 2018-04-09 The book brings together an international panel of experts on economic integration and international business to address the essential link between the two fields namely the impact of integration processes on the business environment Focusing on the European Union it presents numerous examples and case studies to demonstrate how local business is becoming international business and addresses the opportunities constraints and overall historical changes Starting with the regional and global economic integration framework and subsequently exploring the institutional structure that makes everything possible and how the union came to be the book reveals how the common policies of the EU impact businesses and entrepreneurship within both the common market and the member states Readers will learn about the economic and political context that affect businesses in Europe understand the basic concepts of integration accompanied by cases and examples gain a new perspective on important EU sectoral policies and challenges for individuals and businesses become aware of the main challenges to EU enlargement and better grasp the advantages and disadvantages of doing business in Europe in the present context

Economic Development and Resilience by EU Member States Simon Grima, Inna Romănova, Grațela-Georgiana Noja, Tomasz Dorożyński, 2024-11-18 The chapters

collected here examine the economic development main experiences lessons learned and the challenges and perspectives ahead of the new member states of the EU to identify the determinants of imbalances in the economic development of these countries

Economic Growth in the European Union Christos Nikas, 2020-08-29 This book studies the economic recovery of individual European Union member states more than ten years after the beginning of the global economic crisis In light of austerity policies and conservative government investments in many EU countries it explores how higher growth rates can be achieved by stimulating firms and economic sectors with a high accelerator potential The contributing authors analyze the effects of EU policies on small and medium sized enterprises SMEs while also studying EU policies with the potential to foster investments and economic growth Furthermore the book assesses the EU policy on foreign direct investment FDI in the member states in comparison with similar policies in Russia and the US The authors demonstrate that FDI besides providing financial resources can facilitate modernization especially in the high technology sectors Finally the book provides a sector analysis and policy recommendations on tourism and immigration as well as economic protectionism since tourism has proved to be the most dynamic sector especially in the European South while immigration is one of the most serious issues the EU is currently facing This book will appeal to scholars in economics and related fields as well as decision makers and professionals at governmental institutions looking for policy measures and tools to stimulate economic growth

Eu-asia And The Re-polarization Of The Global Economic Arena Lars Oxelheim, 2012-06-19 At the end of the 1980s a tri polar world comprising the US EU and Japan emerged However the economic turbulence of the early 21st century has destabilized this order and the rise of other Asian powers has implications for the formation of a new economic configuration

This book discusses the probability of the different tentative global economic power balances to emerge as well as the different contestants the EU China and Japan among others Organized into three sections the first part addresses general and trend wise developments with relevance to the outcome of the re polarization process Subsequently three chapters focus on developments in China India and Japan Finally special issues such as climate policies corporate governance social reforms and cross border economic alliances are considered in greater detail in relation to their implications for the outcome of the re polarization process

European Union and the Race for Foreign Direct Investment in Europe Pervez N. Ghauri, Lars Oxelheim, 2003-12-16 Countries create different type of incentives for foreign firms such as direct incentives subsidies tax relief soft loans and preferred handling This volume aims to analyze the impact of European Union on inward foreign direct investment in Europe and to discuss what type of effects are being created by this race for FDI

Global Economy in Transition: the European Union and Beyond Linda Winkler, Harold Codrington, 2018-01-15 This volume covers various issues in global development and global economic transformation including factors affecting economies and development in the European Union EU the Ukraine select countries in Africa the Caribbean the South Pacific as well as India and the United States The global economy is in transition from the 1990s status quo to the new normal with heavy reliance on the internet rapid communications sophisticated payment systems diminishing importance of size and distance and changing notions of the market This volume discusses how this process is affecting economies across the globe and why an appreciation of it will help efforts by governmental bodies and the private sector to reassess societal relationships both economic and political This volume shows

that challenges to policy making and the achievement of social consensus on development issues are often quite similar in all countries irrespective of size geographical location endowment and developmental status The chapters speak to concerns that touch on a cross section of issues which are driving transition and transformation at multiple levels As a group they compare economic factors across transnational economic or political associations OECD European Union G20 or make comparisons across or within emerging markets or small states BRICS various African countries the Caribbean South Pacific They include the presentation of a new model for transnational agreements discussions of policies related to labor compensation and corporate governance comparisons of nations across the world using indices of economic development and governance an analysis of gender inequality in employment in the European Union comparisons of tax burdens across the European Union and the USA discussions of employee representation in corporate governance and a look at grass roots development and markets in developing economies As a whole in its breadth and cross national perspective the volume represents an important scholarly contribution to international economics

The European Union and the Return of the Nation State Antonina Bakardjieva Engelbrekt, Karin Leijon, Anna Michalski, Lars Oxelheim, 2020-01-22 This book explores the complex and ever changing relationship between the European Union and its member states The recent surge in tension in this relationship has been prompted by the actions of some member state governments as they question fundamental EU values and principles and refuse to implement common decisions seemingly on the basis of narrowly defined national interests Furthermore Brexit forces the EU for the first time to face the prospect of a major member state preparing to leave the Union Are these developments heralding the return of the nation state and if so in what form Is the national revival a lasting phenomenon that will affect the EU for a long time to come or is it a transitory trend This book takes an interdisciplinary approach to answer these questions It brings together scholars from economics law and political science to provide insights into the multifaceted relations between the Union and its member states from different perspectives All chapters are based on up to date research findings succinct assessments of the current state of affairs and ongoing debates about the direction of European integration The book concludes by offering policy recommendations at European and national levels
