Early Christianity in Macedonia Julien M. Ogereau, 2023-10-09 In this volume Julien M Ogereau investigates the origins and development of Christianity in the Roman province of Macedonia in the first six centuries CE Drawing from the oldest literary sources Ogereau reconstructs the earliest history of the first Christian communities in the region and explores the legacy of the apostle Paul in the cities of Philippi Thessalonica and Beroea Turning to the epigraphic and archaeological evidence Ogereau then examines Christianity's dissemination throughout the province and its impact on Macedonian society in late antiquity especially on its epigraphic habits and material culture

Siren Feasts Andrew Dalby, 2013-04-15 Cheese wine honey and olive oil four of Greece's best known contributions to culinary culture were already well known four thousand years ago Remains of honeycombs and of cheeses have been found under the volcanic ash of the Santorini eruption of 1627 BC Over the millennia Greek food diversified and absorbed neighbouring traditions yet retained its own distinctive character In *Siren Feasts* Andrew Dalby provides the first serious social history of Greek food He begins with the tunny fishers of the neolithic age and traces the story through the repertoire of classical Greece the reputations of

Lydia for luxury and of Sicily and South Italy for sybaritism to the Imperial synthesis of varying traditions with a look forward to the Byzantine cuisine and the development of the modern Greek menu The apples of the Hesperides turn out to be lemons and great favour attaches to Byzantine biscuits Fully documented and comprehensively illustrated scholarly yet immensely readable *Siren Feasts* demonstrates the social construction placed upon different types of food at different periods was fish a luxury item in classical Athens though disdained by Homeric heroes It places diet in an economic and agricultural context and it provides a history of mentalities in relation to a subject which no human being can ignore **The Theater at Stobi**

Elizabeth R. Gebhard, 2024-12-12 This volume explores Stobi's marble theater uncovered in 1924 revealing its construction in the late 1st or early 2nd century AD Excavations uncovered an earlier lower structure later integrated Post c 300 AD apparent earthquake damage led the cavea and scene building to be repaired and the orchestra to be enclosed as a permanent arena *Food in the Ancient World from A to Z* Andrew Dalby, 2013-04-15 Sensual yet pre eminently functional

food is of intrinsic interest to us all This exciting new work by a leading authority explores food and related concepts in the Greek and Roman worlds In entries ranging from a few lines to a couple of pages Andrew Dalby describes individual foodstuffs such as catfish gazelle peaches and parsley utensils ancient writers on food and a vast range of other topics drawn from classical literature history and archaeology as well as looking at the approaches of modern scholars Approachable reliable and fun this A to Z explains and clarifies a subject that crops up in numerous classical sources from plays to histories and beyond It also gives references to useful primary and secondary reading It will be an invaluable companion for students academics and gastronomes alike **Feast, Fast or Famine** Wendy Mayer, Silke Trzcionka, 2005-01-01 In recent decades

there has been an increasing interest in the study of food and drink in the ancient Mediaeval and Byzantine worlds and of their supply and consumption This volume presents selected papers from the biennial conference of the Australian Association for Byzantine Studies which was held at the University of Adelaide 11-12 July 2003 The theme was food and drink in Byzantium Published selectively in the present volume the papers of the conference are augmented by contributions from international scholars While some papers address the use of food directly children's diet fasting or tangentially in love spells or discuss philosophical approaches towards food vegetarianism other papers in this volume examine the topic from another perspective the role and perception of food and drink and their consumption in society Yet others examine issues of supply military logistics and the role it played in shaping Byzantium This volume will appeal to readers interested in the history of food in late antique and Byzantine society in Byzantine rhetoric in magic in late antiquity and in the Jews in early Byzantium

The Ecology of the Ancient Greek World Robert Sallares, 1991 A pioneering study in historical population biology this book offers the first comprehensive ecological history of the ancient Greek world It proposes a new model for treating the relationship between the population and the land centering on the distribution and abundance of living organisms **The Eerdmans Dictionary of Early Judaism** John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the

first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation
