Children Beware! Filipa Antunes, 2020-01-17 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America s pillar ideals of family and childhood innocence but also the very foundation of the horror genre s identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children s horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children s horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture s adaptation to pre adolescence Each important children s horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise

Lloyd Kaufman Mathew Klickstein, 2025-02-17 After nearly fifty years of disrupting media gleefully Rabelaisian uberindie filmmaker Lloyd Kaufman b 1945 has been maligned mocked and worst of all ignored throughout the general course of his wildly eclectic and impactful filmography As the equally huckster ish and self denigrating cofounder and president of Troma Entertainment responsible for the likes of such schlocky midnight movie fare as The Toxic Avenger Sgt Kabukiman N Y P D Surf Nazis Must Die Class of Nuke Em High Tromeo Juliet and most recently Shakespeares Shitstorm Kaufman has indisputably left his slimily viscous fingerprints on moviemaking throughout the past half century Lloyd Kaufman Interviews gathers together no holds barred commentaries op eds Q As arguments and retorts from the prodigious filmmaker Considering the typical Troma film is known if at all for the brand s signature egregious gore unabashedly scandalous sexual fetishism sophomoric scatology and provocative contrarianism it s easy to understand why Kaufman and his still metastasizing oeuvre go without much notice in the mainstream trades or classroom discussions Like a modern day P T Barnum if there s one way that Kaufman finds a pragmatic hold on the cultural zeitgeist it s through his tsunamic deluge of often vivacious often vulgar often vicious and often most dangerous of all presciently insightful speaking engagements and interviews provided at an almost manic pace across the globe Complete with an exclusive interview conducted by volume editor Mathew Klickstein Lloyd Kaufman Interviews is an extensive deep dive omnibus from one of cinema s most indefatigably ardent auteurs who may make us all uproariously laugh but refuses to not be taken deadly seriously

80's The Gold Decade Of The Horror Movie Matteo Tortora, 2014-11-18 A journey into the numerous Horror Films of the 80 s analyzed under a religious profile which is purely Catholic The diversification of the analysis is of course an issue that interests us In fact of all the films taken into consideration this journey not only gives a brief opinion of the film but it also shows the depth and thoughts shared and prepared by the Catholic Cinematographic Center This Centre analyzes the plot and also evaluates the film under an ethical moral and religious aspect in order to indicate if Catholics are able to watch

it The result is a really interesting insight and sometimes it has a fun perspective We must acknowledge however that the critical Catholic knows how to diversify religious opinion from the technical creative aspects This means that a film can be recognized as a masterpiece but not get the clearance for visibility 65 deepened critical articles of the most important films of the decade Over 9000 Horror Movies from 1980 to 1989 linked to external resources for Cast Posters Images and Reviews The electronic version of this book is designed in Kindle PDF and Epub format This is an interactive book An Internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work
