He Really**

**Is** Richard Sheffield, 1998 Richard Sheffield's preaching is stimulating and unique. Whenever I am burdened or under pressure, his pithy insights into the Gospel of our Lord refresh my spirit. They sometimes also sting my soul to pay attention to more significant things in life than preoccupying problems. He is also a courageous preacher when he says things we all think or doubt and dare not to express. He handles life's misgivings kindly and cleanly so that listening to him is a religious experience. This comes about because he came to the temple of religion through the corridors of commerce and knows the real world of his laymen. Under his gentle manner, there is the fire of Peter Thomas and St Paul, all of whom also preached with integrity and conviction. Bryant Kirkland, Minister Emeritus, Fifth Avenue Presbyterian Church, New York, New York. At first glance, the Easter title may seem out of place for a book half full of sermons for Lent. But Richard Sheffield argues and preaches that the sermon for Easter Day is really the sermon for every day in the life of a Christian. The Lord Is Risen is really the only sermon we have or need to have. How we live out our lives in response to that central fact of our faith fills the sermons in Lent as well as Easter with hope. Hope in the here and now as well as in the hereafter. Rev Sheffield has little patience with those who would turn the good news about God into the bad news about us, and it shows. He writes: Belief is more than just ascertaining the facts and figures of faith. Or figuring out the best way to keep God happy long enough to get into heaven. Belief is living life now, certain of the love of God in Jesus Christ for you and me. Living life unafraid, even of death itself. Richard L. Sheffield is senior pastor of Market Street Presbyterian Church, Lima, Ohio. He holds a Master of Divinity degree from Princeton Theological Seminary and an M.B.A. degree from the University of Chicago. He is a candidate for the Doctor of Ministry degree at Louisville Presbyterian Theological Seminary. **Whitefire** Gloria H. Giroux, 2009-07 In the far distant future, a long and brutal war of independence between Ptolemy and its colonial planet Osiron has ended. Their civilizations are building a new future and are a still fragile alliance. Two former enemy warriors, the Ptolemii High Commander Pyke and the Osiron Prince Vin Chay, whose unexpected passion and sacrifice were the cornerstones to the final peace, live in serenity with their families. Integral to both civilizations, the men have spent years helping to socially and politically redefine their worlds. They are unaware that hidden enemies, fueled by personal hatred and secret agendas with a longtime thirst for power and revenge, have targeted them for destruction. Their enemies conceived a devious, deadly plan that has both personal and societal ramifications that will destroy the fragile alliance and any hope for the future. The evil that stalks these men and their loved ones has no concept of the true strength and determination of these warriors who will let nothing stand in the way of reclaiming their families and ending the pernicious threat. The final showdown between good and evil explodes in a fiery confrontation that will seal their fates for millennia to come. *Veil of Azure Sequins* June Marie Saxton, 2014-10-23 I rode without a saddle, feeling free and easy, with silvery moonbeams spinning about my face. Darkness gathered behind me, erasing proof of my midnight trespasses, and like a meadow tap dance, only the subtle sound of clapping hooves testified I was there. I closed my eyes, bidding the wind to romance me with chilly kisses. *The Veil of Azure Sequins* is a

tragically beautiful story of deception and intrigue a chilling look into the broken mind that is both fragile and resilient

Lotus be Lotus Zyra Gaviola, 2021-09-06 It all starts because of a school pageant It isn't love at first sight but rather like at first sight Crest Yuran has never felt like this before a mixture of euphoria and terror She is used to having more attention to dealing with sibling and financial matters The only person she ever cares about is her twin brother Camber Yuran whom she relies on during their years in the orphanage Now that Hazel Green the goddess like human being has entered her life everything may start to change She starts to think that what she feels is wrong but the longer she hides it the more it grows Hazel has green eyes but Crest knows that what she feels is something deeper than those captivating eyes However she is afraid of being judged by who and what she is The belief that what she feels is wrong is starting to suffocate her and now she's starting to regret liking her But one can never force themselves to stop this kind of feeling She's the type of person to not mind what anyone says but for some reason she's affected by such comments Now fear is locking her inside a cage and she is the only one who has the key Will she ever get out
